Cat Power Struts Stuff at SBC Center

SAN ANTONIO --- A horse named Cat Power from the Barnes Rodeo Company and a cowboy named Mo Forbes teamed up for a very exciting ride at the SBC Center on Friday night. The horse made the trip here from Iowa, and Forbes traveled from his home near Kaycee, Wyo. With half of the score given to the horse for how well he bucked and half given to the cowboy, they moved to the top of the U.S. Smokeless Tobacco Company Scoreboard with an 87-point marking.

Forbes, narrowly missed qualifying for his first Wrangler National Finals Rodeo (NFR) in 2003. A win here at the San Antonio Stock Show Rodeo could put him well on his way to making the trip to Las Vegas to compete at the NFR next December. Forbes is in good shape to qualify for Sunday's Wrangler ProRodeo Tour Round with a total of 158 points on two rides.

Bryce Miller, who made the trip here with Forbes is now in second place in the round in the saddle bronc riding. Miller was 83 points on Wild Falls. Unfortunately, he was not as successful in the first round and will be watching his traveling partner here on Sunday.

There were five qualified rides in the bull riding. Dustin Elliott from Maxwell, Neb., had the high marked ride of 83 points on Table Dancer. Thomas Bert from Modesto, Calif., had an 81 point marking. Mark Lopes from Pioneer, Calif., was 79. Texan Darran Robertson from Weatherford was 78 and Scott Schiffner from Stetler, Alberta, was 71. All five of these men now have successful rides on two bulls. They join three from last night so seven men have qualified for Sunday's finals on two bulls. The top twelve in all of the events will be featured at that Wrangler ProRodeo Tour Round.

There are two performances at the SBC Center on Saturday at 1 and 7:30 p.m.
