**FRONT & BACK REQUIRED  
DEC. 1, 2006 - ENTRY DEADLINE**

**San Antonio Livestock Exposition, Inc.**  
**ENTRY CERTIFICATION RULES**

By signing the entry form:

We, the Exhibitor, Parent or Legal Guardian, County Extension Agent, or Ag. Science Teacher, certify that we have read, understand and will abide by the Current San Antonio Livestock Premium List and all rules and regulations of the San Antonio Livestock Exposition, Inc. We further certify that we have not administered and, to the best of our knowledge, this entry, has not received any substance not approved by the FDA and/or USDA. This entry is not, nor will it be, within any withdrawal time relative to the administration of any drug, chemical or feed additive approved by the FDA and/or USDA at any time after arrival on the grounds.

**Veterinarians / Medication:** Animals under the care of a licensed veterinarian and/or taking any type of performance enhancing medication to include, but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and painkillers, are ineligible for competition. Exhibitors with questions regarding medications and/or eligibility should consult with the Official S.A.L.E. Veterinarian prior to competition.

The Official Show Veterinarian Office is located at the North end of Cattle Barn #2. For the convenience of exhibitors, S.A.L.E. arranges to have veterinarians available; however, they do NOT donate their services or medications. Fees should be discussed before treatment.

All medication administered during the livestock show must be administered by the Official S.A.L.E. Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (i.e. including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and painkillers) in this manner are ineligible for competition.

The exhibitor agrees to submit any animal, breeding and/or market, entered by him/her to inspection by any veterinarian appointed by the Executive Committee and agrees to have such animal submitted to such tests as may be requested at any time. S.A.L.E. also reserves the right to have ultrasound, D.N.A., blood and/or urine laboratory analysis made on any animal entered for competition. The exhibitor, including his or her parent or guardian or AST or CEA for Junior exhibitors, must be present during the collection for testing and must witness, seal and sign the sample; thus verifying the sample to be properly collected and prepared for analysis. The conclusions reached by the veterinarian and analyses shall be final and conclusive without recourse against S.A.L.E. or any officer, director, or employee thereof or any veterinarian as appointed by the Executive Committee. The exhibitor waives any right of action which he might have for any action taken under this rule, and releases S.A.L.E. and the veterinarian from any and all claims or demands whatsoever in connection with the inspection or testing of any such animal or any ruling or action taken by reason of the conclusion of such veterinarian.

As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and painkillers.

In the event any animal is declared by the veterinarian or testing agency to be unethically fitted, the Executive Committee is authorized to permanently bar the exhibitor and his or her family from any further participation in the S.A.L.E. Reinstatement of anyone barred may be made only by a majority vote of the Executive Committee. The exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums, scholarships and market/floor money if the animal is disqualified.

The Exhibitor, Parent or Legal Guardian, County Extension Agent, or Ag. Science Teacher, understand and agree to the Civil Authority Evacuation Statement located in the General Rules of the Livestock Premium List.
