SPECIAL RULES

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Special Rules, and Special Rules listed in this section.

1. Entry: Each owner is limited to one turkey hen, and/or one turkey tom. Additional birds will become property of the San Antonio Stock Show & Rodeo.

Exhibitor must fill out a Junior Entry Form, submit an entry fee of \$10 per entry, and be listed on the Junior Summary. Entry deadline is December 1, year preceding the San Antonio Stock Show & Rodeo.

2. Turkey Orders: All turkey poults must have been ordered by July 14, 2007 through Texas A&M University's Poultry Science Department in accordance with "The Rules and Procedures" outlined in the letter to all Agricultural Science Teachers and County Extension Agents. For clarification of any part of these Rules and Procedures, please contact Dr. John Carey at 979/845-4318 or at <http://gallus.tamu.edu/youthprograms.htm>.

3. Sift: A Sifter will be appointed by the Show. Birds must be free of external parasites and disease. Each entry must have the original wing band. Any bird, which has lost its wing band for any reason, will be sifted.

4. Wing Bands: The sifter and judge will disregard any wing damage caused by the required wing band.

5. Placing Birds: The top 35 placing Turkey Hens will be sold in the Junior Broiler and Turkey Hen Auction. The top 15 placing Turkey Toms will receive premiums and awards; Turkey Toms are ineligible for the junior poultry auction.

6. Supplies: Each exhibitor is required to bring two, one pound coffee cans per entry. Feed will be provided by the San Antonio Stock Show & Rodeo; no other feed will be permitted.

7. Medication: The showing of any poultry that has been administered any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or that has NOT been properly withdrawn from approved drugs is prohibited. Unapproved is deemed to mean NOT approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals. As a condition for participation in the Show, every exhibitor must agree to submit any poultry entered by exhibitor to inspection by a veterinarian appointed by the management, and agrees to have such poultry submitted to any tests as may be designated and requested by the veterinarian. The Show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any poultry entered for competition. The conclusions reached by the veterinarian, as to whether such animal has been administered a diuretic, unapproved growth stimulant or other unapproved drugs, or has not been properly withdrawn from approved drugs shall be final, without recourse against the Show or any of its officers. An exhibitor of poultry producing an analysis with a quantity of diuretic, unapproved growth stimulant or any other unapproved drugs will forfeit all rights and privileges to exhibit livestock including poultry in the future at the Show.
