

## Calf Scramble Report Frequently Asked Questions

- Do I need to fill out the report even if I haven't purchased my animal?
  - Yes, you do have to fill out a report if you haven't bought your animal. There are knowledge/research based questions that you will be able to answer.
- Can I submit my report through GoogleDocs?
  - No, please save your report as a PDF and send to [cscramble@sarodeo.com](mailto:cscramble@sarodeo.com).
- Do I need to put the animals purchase price on every report?
  - No, you only need to put it on the month that you purchased your animal.
- Do I need to combine last month's expenses on this month's expenses?
  - The reports are not cumulative. You will come up with your expenses for your reporting time and on the last report you will add all the expenses together to get a total for the year.
- Can I purchase more than one animal with my certificate?
  - Yes you can purchase multiple animals.
- Can I create my own reporting format?
  - Please utilize the report format we have provided. This makes it easier for the judges to read your report and score adequately.
- What if I forget to turn in my report by the deadline?
  - There is a late deadline for partial credit. Any time after the late deadline you will receive no credit for your report.
- How does the Final Report Book work?
  - You will combine all submitted reports to create a completed Final Report Book. You can add any information you would like to the reports (photos, awards, stories, etc.) but it must fit in the size requirements that can be found in the Rules and Guidelines.
