Welcome!

We are celebrating the 71st San Antonio Stock Show & Rodeo and are delighted to have you here as our guests and contestants! The San Antonio Livestock Exposition, Inc. is a volunteer organization emphasizing agriculture and education to develop the youth of Texas. Our 6,000 volunteers and an outstanding staff are the ones who make this show possible.

We currently offer a wide assortment of junior livestock shows and educational contests. All of these provide youth an opportunity to showcase their livestock knowledge and skills in a competitive environment. While we celebrate all of our current shows and contests, we are also committed to developing and expanding our reach by offering even more opportunities to youth exhibitors.

Scholarship winners will join a special group of scholars. Currently there are 1,500 active S.A.L.E. scholars enrolled in more than 100 colleges and universities throughout Texas. Since the inception of our show, we have provided over $210 million to the youth of Texas in the form of scholarships, grants, endowments, auctions, calf scramble and show premiums.

My deep appreciation and thanks to the Livestock Committee Chairman, John Henderson; Vice Chairman, Sarah Franklin; Livestock Director, Dr. Brian Faris, Livestock Manager, Joslyn Jones; and all the Livestock Volunteers. Your commitment and enthusiasm are what make it all possible.

God Bless,

Rusty Collier
President

**SHOW SCHEDULE INFORMATION**

**Arrival**: The term “Arrival” shall refer to the time at which animal and ag mechanics projects (Projects) may arrive at Salado Creek Property. **All Projects must arrive at Salado Creek Property before entering East Gate.** Exhibitors will be given further directions on stalling and unloading procedures upon arrival.

*The Salado Creek Property will be open twenty-four hours a day for exhibitors’ convenience.

**Arrival Deadline**: The term “Arrival Deadline” shall refer to the time at which Projects must have arrived at Salado Creek Property. Projects not having arrived at Salado Creek Property by the Arrival Deadline of the respective show/contest are subject to disqualification.

**Exhibitor Check-In**: The term “Exhibitor Check-In” shall refer to the time allotted for exhibitors to provide necessary information (ex. Original Registration Papers, Disposition Cards, etc.) to Show Management for their respective show/contest. Some shows may require exhibitors to input animal information into an entry kiosk. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

**Late Arrival**: The term “Late Arrival” shall refer to rare exceptions to the Arrival Deadline approved exclusively by Show Management. Exhibitors should contact the Livestock Office at (210) 225-0575 prior to the arrival deadline of the respective show to request a Late Arrival. When requesting a Late Arrival, be prepared to provide the following information:

- Exhibitor’s Name(s)
- Number of Head
- Club or Chapter
- Truck Information (make, model, color, license plate)
- Project Type
- Trailer Information (type, length, color, license plate)
- Breed
- Expected time of arrival

**Release**: The term “Release” shall refer to the time at which exhibitors may remove their Projects and tack from the grounds. Projects removed prior to the Release time are subject to disqualification and forfeiture of all premiums and awards. No livestock may exit the grounds between 10 PM and 7 AM.

**San Antonio Stock Show & Rodeo – Salado Creek Property**: The term “Salado Creek Property” or “SCP” shall refer to the area located at 2201 Pace Picante Place; San Antonio, Texas 78219 dedicated to receiving and staging Projects. No animal projects may be unloaded at Salado Creek Property at any time. Each vehicle must have a representative who remains at Salado Creek Property at all times. No open flames or BBQ pits will be allowed at the Salado Creek Property. Personnel at Salado Creek Property may move exhibitor trailers as necessary.

**Tack Trucks**: The term “Tack Truck” shall refer to any vehicle associated with animal projects transporting tack/equipment only. Tack trucks must obtain a staging credential before entering the East Gate. **Show Management reserves the right to determine what constitutes an acceptable tack truck.**

GENERAL RULES

Junior Show Entry Deadline: December 1, 2019
Open Show Entry Deadline: December 15, 2019

The San Antonio Stock Show & Rodeo is committed to the humane treatment of all animals exhibited. Every reasonable precaution is taken to promote the animals’ safety and well-being. The production practices in the livestock industry are based on good principles of animal husbandry. No one has a greater economic stake in the welfare of animals than the livestock producers and organizations involved in the promotion of agriculture.

Civil Authority Evacuation
The San Antonio Stock Show & Rodeo, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the San Antonio Stock Show & Rodeo, or classified by the authorities, and therefore the San Antonio Stock Show & Rodeo could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our show.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. San Antonio Police Department (SAPD) and San Antonio Stock Show & Rodeo uniformed Police Officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately.

The evacuation plan calls for certain, designated Law Enforcement personnel, San Antonio Stock Show & Rodeo management, and maintenance personnel to remain on the Show Grounds to secure the premises.

In the unfortunate event this occurs, the San Antonio Stock Show & Rodeo will do everything possible to care for personal property, animals, commercial exhibitors merchandise, etc. until the authorities remove the evacuation order and you are allowed back onto the Show Grounds. No one will be allowed back on to the Grounds until the authorities issue that order. San Antonio Stock Show & Rodeo Police and SAPD will enforce the order strictly and in accordance with instructions from the authorities.

Your entry and participation in the 2020 San Antonio Stock Show & Rodeo is conditioned on your understanding and agreement that none of the San Antonio Livestock Exposition, Inc. (“S.A.L.E.”); Bexar County, Texas (“County”); Bexar County Community Arenas Board (“CAB”); Community Arena Management (“CAM”); San Antonio Spurs, LLC (“Spurs”), or their respective Directors, Officers or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals during or after such an event, particularly with respect to an evacuation of the premises in the event of an emergency.
Important Definitions:

**Arrival**: The term “Arrival” shall refer to the time at which animal and ag mechanics projects (Projects) may arrive at the Salado Creek Property. All Projects must arrive at Salado Creek Property before entering East Gate. Exhibitors will be given further directions on stalling and unloading procedures upon arrival.

**Exhibitor Check-In**: The term “Exhibitor Check-In” shall refer to the time allotted for exhibitors to provide necessary information (ex. Original Registration Papers, Kiosk Cards, etc.) to Show Management for their respective show/contest. Some shows may require exhibitors to input animal information into an entry kiosk. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

**Project**: The term “Project” shall be defined as any animal, agricultural mechanics project, agricultural science fair project, or any entry competing in the San Antonio Stock Show and Rodeo Livestock Show.

**S.A.L.E.**: The term “S.A.L.E.” means San Antonio Livestock Exposition, Inc. and includes all of S.A.L.E.’s officers, directors, volunteers, veterinarians, agents, employees, and members, as well as all of its affiliates, subsidiaries, successors and assigns. As used in paragraphs 6a and 6b, “S.A.L.E.” also includes Bexar County, Texas; Bexar County Community Arenas Board; Community Arena Management; San Antonio Spurs, LLC; and their respective officers, directors, managers, volunteers, agents, employees, and members. S.A.L.E. is sometimes referred to in these Rules as the San Antonio Stock Show & Rodeo.

**Show Management**: The term “Show Management” shall be defined as any full-time staff member of the San Antonio Stock Show & Rodeo, show/contest Superintendent, or volunteer leader within the Livestock Committee.

**AST**: Ag Science Teacher (FFA Supervisor)

**CEA**: County Extension Agent (4-H Supervisor)

**Club/Chapter**: County 4-H Club or FFA Chapter

1. **Interpretation and Violation of Rules**: Exhibitors are requested to report any rule violation to Show Management immediately so that appropriate action may be taken. S.A.L.E. reserves the final and absolute right to interpret these rules, and to settle and determine all matters, questions and differences in regard thereto or otherwise arising out of or connected with, or incident to, the San Antonio Stock Show & Rodeo; and to amend or add to these rules as its judgment may determine. Any exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such penalty as S.A.L.E. may order.

2. **Special Rules**: Special Rules are published in any department where necessary. If there is a conflict between the Special Rules and the General Rules, Show Management will make a ruling as to such conflict, which shall be binding and final.

3. **Decisions**: The decision of the judges shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at or before the time of award, is proven. Any objections to a judge must be submitted in writing to Show Management prior to the event in question.

4. **Official Protests**: Official Protests must be submitted in writing to the Livestock Office and accompanied by a $300.00 deposit, which will be forfeited if the protest is not sustained. The protest must state plainly the cause of complaint or appeal, giving good and sufficient reasons therefore, and must be delivered to Show Management immediately upon the occasion for such protest. Any protest not officially filed within 24 hours of the alleged incident will not be considered. These cases are referred to the Executive Director & CEO, who will have full power to act, and from whose decision there can be no appeal. Judging procedures will not be interrupted for protest investigation.

5. **Disqualification**: Should any project, contestant, or team awarded a prize be disqualified, the lower placing project, contestant, or team will not move into the higher position.
6. Liability:
   a. All exhibits will be under the control and direction of the hosting organization, but S.A.L.E. shall not be responsible or liable for any loss, injury or damage which may occur. The exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or property exhibited by him/her, and for its description in the Premium List. All owners and persons in charge of property or animals shall care for, guard, protect and preserve the same, as S.A.L.E. does not undertake any obligation to do so and shall not be held responsible for any loss, shrinkage or damage to such property, animals or any owners or exhibitors thereof.

   b. RELEASE AND INDEMNITY: EACH EXHIBITOR, BY ENTERING OR EXHIBITING A PROJECT AT THE SAN ANTONIO STOCK SHOW & RODEO:

   EXHIBITOR HEREBY INDEMNIFIES, RELEASES AND HOLDS HARMLESS, AND AGREES TO DEFEND, S.A.L.E., COUNTY, CAB, CAM AND SPURS, AND EACH OF THEIR RESPECTIVE DIRECTORS, OFFICERS, MANAGERS, PARTNERS (GENERAL AND LIMITED), EMPLOYEES, OWNERS, INVITEES, AGENTS, SUCCESSORS AND ASSIGNS (COLLECTIVELY, THE “RELEASED PARTIES”) FROM AND AGAINST ANY DEMANDS, CAUSES OF ACTION, PROCEEDINGS, FINES, PENALTIES, LOSSES, LIABILITIES, DAMAGES, COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEYS’ FEES) OR CLAIMS FOR INJURIES TO PERSONS, INCLUDING DEATH, OR DAMAGE TO PROPERTY (COLLECTIVELY, “LIABILITIES”) TO WHICH THE RELEASED PARTIES, OR ANY OF THEM, MAY BECOME SUBJECT, WHICH ARISE FROM OR IN CONNECTION WITH, OR IN ANY WAY RELATE TO (I) ANY BREACH BY EXHIBITOR OF ANY OF THE TERMS OF THIS AGREEMENT; (II) ANY ACT OR OMISSION BY EXHIBITOR OR ANY OF ITS AGENTS, EMPLOYEES, INDEPENDENT CONTRACTORS, INVITEES OR GUESTS, INCLUDING ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MISCONDUCT; OR (III) EXHIBITOR'S PARTICIPATION IN, INVOLVEMENT WITH OR ATTENDANCE AT ANY S.A.L.E. EVENT, OR EXHIBITOR'S ENGAGING IN A FARM ANIMAL ACTIVITY AS DEFINED IN SECTION 87.001 OF THE TEXAS CIVIL PRACTICE AND REMEDIES CODE, INCLUDING ALL SUCH LIABILITIES RESULTING FROM THE ALLEGED OR ACTUAL NEGLIGENCE OF S.A.L.E. OR ANY OF THE OTHER RELEASED PARTIES. EXHIBITOR HEREBY ACKNOWLEDGES AND AGREES THAT THE FOREGOING INDEMNITY AND RELEASE PROVISIONS INCLUDE INDEMNIFICATION AND RELEASE BY EXHIBITOR FROM AND AGAINST THE RELEASED PARTIES' OWN NEGLIGENCE.

7. Entry Rules
   a. Social Security Number (SSN) Requirement: All exhibitors must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded during the entry process. Intermediate and Junior contestants registering on-site for Judging Contests will not be required to have SSN. Any contestant, regardless of age, participating in a Senior Division of a contest will be required to have their Social Security Number at registration.

   b. Eligibility: Competition is open to the world, with the exception of the Junior Show (See Junior Show Rules). This is an invitational livestock show; S.A.L.E. reserves the right to extend or withhold an invitation to any exhibitor.

   c. Junior Show Entry: Entries are not considered complete unless they have been submitted online and postmarked on or before December 1, 2019. Incomplete entries (entries not submitted online or postmarked by the appropriate date) will be assessed an additional 10% fee.
      i. Late Entries: For any Junior Show entries submitted online and postmarked from December 2-15, 2019, all standard entry fees will be doubled, if accepted.
ii. Late Entries: For any Junior Show entries postmarked or received from December 16, 2019 until the end of exhibitor check-in for the respective show or contest, a late entry fee of $250 per entry will be assessed, if accepted.

iii. Show Management may turn away any late entry without explanation.

d. **Open Show Entry:** Entries are not considered complete unless they have been submitted online and postmarked on or before December 15, 2019. Incomplete entries (entries not submitted online or postmarked by the appropriate date) will be assessed an additional 10% fee.

i. Late Entries: For any Open Show entries submitted online and postmarked from December 15, 2019 - January 15, 2020, all standard entry fees will be doubled, if accepted.

ii. Late Entries: For any Open Show entries postmarked or received from January 16, 2020 until the end of exhibitor check-in for the respective show or contest, a late entry fee of $100 per entry will be assessed, if accepted.

iii. Show Management may turn away any late entry without explanation.

e. **Entry Forms:** Application for entry must be submitted online and Completed Entry Forms printed from the online entry system must be postmarked by the appropriate deadlines. Entry Worksheets, Team Contest Release Form, Entry Certification Signature Form, Group Class Entry Forms, Late Entry Forms and other important documents can be found at [http://www.sarodeo.com/livestock/entry-forms](http://www.sarodeo.com/livestock/entry-forms). (Photocopying forms is acceptable, however all signatures must be original).

f. **Mailing:** Please mail the following items to the Livestock Department:

   i. **Junior Show:**
      - Printed Completed Junior Show Entry Form for each Exhibitor from online entry system
      - Junior Show Entry Certification Signature Form
      - Team Contest Release Form (If applicable)
      - Payment (Check from Club/Chapter account, Cashier’s Check, Money Order) *No Personal Checks will be accepted*

   **San Antonio Stock Show & Rodeo**
   Livestock Office
   P.O. Box 200230
   San Antonio, TX 78220-0230
   Phone: (210) 225-0575

The right is reserved to reject entirely or accept conditionally any entry and to refuse any accepted entry admittance to the Grounds.
g. **Entry Fees:** No entry will be accepted unless entry fees accompany entry forms. If the check accompanying entries should be returned by the bank for any reason, the entry will be cancelled and returned. There will be a $35.00 service charge on all returned checks. The San Antonio Stock Show & Rodeo has the right to ban any exhibitor or club/chapter from future participation should there be a continuous problem with fees from exhibitor or club/chapter.

*For Late Entry Fees, reference General Rule 7c & 7d*
8. **Passes:** Open Show owners may pick up and/or purchase passes at the Salado Creek Property Staging Office. Owners must sign for their passes. Identification may be required. Junior Show passes will be mailed to all AST/CEA and a $10 handling fee will be imposed.

**Season Grounds Passes**

Each exhibitor will be issued one free Season Grounds Pass valid for the duration of the Livestock Show. Insofar as possible, exhibitors may purchase additional Season Grounds Passes via online entry system and/or at the Show. Each Club/Chapter will be issued one free Season Grounds Pass valid for the duration of the Livestock Show for the CEA and AST to supervise projects. Insofar as possible, AST/CEA may purchase additional Season Grounds Passes via online entry system and/or at the Show.

Season Grounds Pass (Valid for the duration of the Livestock Show) = $20.00 (If purchased by December 15, 2019) $25.00 (If purchased after December 15, 2019)

**Daily Fairgrounds Admission Ticket Prices:**

- Adult..............................$10 online -or- $12 at the gate
- Senior Citizen (ages 65 & over)..............$5
- Children (3 to 12 yrs of age) .................$5
- Children (2 years old and under)..............Free

**Parking Passes**

Parking Passes must be fully affixed to the windshield. Partially applied, laminated, wrapped, or taped stickers are not valid. Failure to comply will result in confiscation of Parking Pass and loss of parking privileges. Parking Passes sold at the Livestock Office or Salado Creek Property Staging Office are sold on a first-come, first-serve basis and are not guaranteed to be available at all times.

**Open Show Exhibitors:** Each exhibitor may purchase up to three Parking Passes for the week they are showing. Week 1 Parking Passes may be purchased at time of entry at the Livestock Office, or at the Salado Creek Property Staging Office.

**Junior Show Exhibitors:** Each exhibitor may purchase one Parking Pass for each week they are showing. Week 1 and/or Week 2 Parking Passes may be purchased at time of entry at the Livestock Office, or at the Salado Creek Property Staging Office.

**Club/Chapters:** Each Club/Chapter will be issued one free Parking Pass valid for each week exhibitors are showing for the CEA or AST to supervise projects. Each Club/Chapter will have the option to purchase up to three additional Parking Passes per week for additional ASTs or CEAs who will be supervising projects. Each judging team will receive one (1) free Parking Pass valid for date of contest.

| Week #1 Parking Pass (Valid Feb. 5-15) | $30.00 (If purchased by December 15, 2019) $35.00 (If purchased on or after December 15, 2019) |
| Week #2 Parking Pass (Valid Feb. 15-23) | $30.00 (If purchased by before December 15, 2019) $35.00 (If purchased on or after December 15, 2019) |

**Premium Passes**

The Premium Pass is an optional pass designed to assist exhibitors who work with others to consolidate their animals into fewer trailers. Purchasers of the Premium Pass will receive access to a more expedited arrival process. Premium Pass includes separate arrival and staging lanes that allow exhibitors to bypass traditional staging lines at the Salado Creek Property. Premium Passes are not substitutes for any other Parking Pass as privileges do not extend beyond the Salado Creek Property. Premium Passes will be available for purchase by AST/CEA via the online entry system (up to the maximum limit) on a first-come, first-serve basis for the following arrivals only:
Salado Creek Property
A Premium Pass is valid at the Salado Creek Property for one vehicle/trailer only and does not extend to tack vehicles/trailers. When arriving at the Salado Creek Property, the Premium Pass hangtag must be hanging from the rear-view mirror. Drivers should follow signage and receive further instruction from volunteers. Expedited arrival services do not extend beyond the Salado Creek Property.

Minimum Head per Trailer Requirements
Fundamental to the Premium Pass concept, minimum head-per-trailer requirements will be strictly enforced. Any combination of Junior Breeding Gilts, Open Breeding Gilts, and Crossbred Gilts may be used to meet Breeding Gilt requirement. Similarly, any combination of Junior Market Lambs and Junior Market Goats may be used to meet the Junior Market Lamb/Goat requirement. If different species arrive on one trailer (ex. Junior Market Lambs + Junior Breeding Heifers), the trailer must meet the minimum head-per-trailer requirement for at least one species (i.e. 5 Breeding Gilts, 5 Market Lambs/Goats, 3 Junior Heifers). Those not meeting stated requirements will void the Premium Pass, be assigned to the end of the staging line, and not be eligible for a refund.

Stalling
With the exception of Pre-Penned Market Lamb/Goats, exhibitors will be stalled upon arrival. Groups wishing to be stalled together must arrive at the Salado Creek Property together. All vehicles in the group must have a Premium Pass. Those without a Premium Pass will be assigned to the end of the traditional staging lanes. The Premium Pass does not grant any additional stalling considerations.

9. Parking: Livestock Exhibitor parking will be in Lots 6 & 7 as well as Gembler Lot. A shuttle will be available from the Gembler Lot. NOTE: There will be NO Livestock Exhibitor (LS1 or LS2) Parking permitted in Lot 5.

10. Project/Animal Substitution: Substitutions are to be made only in the Livestock Office or directly to the show Superintendent, unless otherwise announced. Substitutions not officially recorded in this manner are invalid. Substitutions will not be permitted once Check-In is complete. Substitution Forms must be filled out completely including the certification by the AST or CEA on all Junior Entries. If substituting at Check-In time and the AST or CEA will not be present, then the Substitution Form must be completed prior to staging and brought by the exhibitor. Original Registration Certificates will be required to verify ownership. Substitution of owners is not permitted. Substitution Forms are located on the website at http://www.sarodeo.com/livestock/entry-forms. Animal/project substitutions mailed to the Livestock Office and postmarked by January 15, 2020 = No Charge. Substitutions made after January 15, 2020 = $50.

SUBSTITUTIONS MAY ONLY BE MADE WITHIN THE SAME DEPARTMENT (Otherwise it is considered a separate entry; subject to a late entry fee).

11. Refunds: There will be no refund of fees.
12. **Premiums:** Premium monies will be distributed by the San Antonio Stock Show & Rodeo. In some cases, premium checks may be held until all funds from all sources are received by the San Antonio Stock Show & Rodeo. Premium checks for Open Show entries will be made out to the exhibitor and mailed to the exhibitor address shown on the entry form. Auction checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission (floor) checks to the 4-H or FFA address. If premium and/or auction checks are reissued for any reason a $35 fee per check will be subtracted from the premium/auction total.

13. **Barred Exhibitors:** The San Antonio Stock Show & Rodeo, in cooperation with member shows of the North American Livestock Show and Rodeo Managers Association Rule Infraction Database, reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.

14. **Ownership Requirements:** All animals must be entered in the name of the owner(s) as shown on the Original Registration Certificate. All parties in a multiple ownership must be on the entry form (Open Show only). Firms and partnerships must be in existence at the time of making entry. Custom fitters must be listed on the entry form in the appropriate space.

Animals must be registered in the Herdbook of their Association in the name of the owner(s) no less than thirty days prior to the opening day of the General Livestock Show (Feb. 6, 2020) with the exception of the Junior Show. Purchase, delivery, possession and registration must all take place not less than thirty days prior to the opening day of the General Livestock Show with the exception of the Junior Show (See Junior Show rules). Original Registration Certificates must be available at all times.

15. **Breeding Animals:** Animals in the breeding classes (with the exception of Crossbred Gilts, Wether Dams and Wether Does) must be recorded or accepted for record in the Herdbook of their Association. Exhibitor must give the following: (a) owner’s name; (b) mailing address; (c) social security number; (d) breed; (e) name; (f) registration number; (g) sex; (h) birthdate; (i) sire name; and (j) dam name of the animal. If any of this information is not given, the entry will not be accepted unless otherwise stated in individual Department Rules.

16. **Stalling:** Insofar as possible, shelter will be provided for projects. The Show does not charge a stall fee in barns and does not guarantee stall space to any entry. Stalling will be based on the number of eligible projects arriving at the SCP and not the number of original project entries. Stalls will be assigned upon arrival at the Salado Creek Property Staging Office, with the exception of Pre-Penned Junior Market Lambs & Junior Market Goats. Certain stalling requests in extenuating circumstances may be granted, but no other general stalling requests will be considered. Exhibitors found deliberately attempting to gain more stalls than appropriate will be subject to punishment from Show Management including, but not limited to, disqualification, removal from the Grounds, banning from future competition, etc. No early arrivals are allowed without permission from the Livestock Office.

17. **Using Animals in Judging Contests:** When an exhibitor is called upon to furnish one or more animals for students to judge in the Dairy or Livestock Judging Contests, he/she is expected to do so. Refusing an animal to be used in this manner, without Show approval, will result in the forfeiture of any prizes he/she may win and potentially results in being barred from further participation in the Show.

18. **Erroneous Entry:** Projects that have been erroneously entered may be transferred to the proper class prior to judging, and upon application to the Superintendent, who will determine the matter. If such classes have been judged they shall not be reopened. No project shall be changed from one class to another after the Check-In unless it is ineligible for the class in which it is entered. In some cases, the project may be disqualified.

19. **Sifting/Classifying Committees:** Breed Associations and/or the San Antonio Stock Show & Rodeo may appoint Sifters and Classifiers to inspect projects. Projects may be reassigned or disqualified based on the decisions of Sifters and Classifiers. Decisions of the Sifters and/or Classifiers will be final and protests will not be considered. Interference with Sifters and/or Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the exhibitor concerned.

20. **Judging:** Exhibitors are responsible for knowing the times at which their projects will be judged. Any project not presented promptly will be ruled ineligible and barred from competition. No complaint or protest on the Grounds that the judge overlooked projects will be considered.
21. **Interference:** If any exhibitor, in any way, whether in person or by agent, or servant, interferes with the judges during their adjudication, or shows any disrespect to them or the show, is subject to be penalized. Show Management may demand a proper apology from the exhibitor, may exclude him/her from competition, bar him/her from the Grounds, and may also withhold any prizes that may have been awarded.

22. **Restraint / Unruly Animals:** Exhibitor and patron safety are a top priority. Therefore, Show Management or Livestock Committee Leadership/Ring Stewards may remove any unruly animal from the show at any time; there will be no appeal. Cattle must be shown with halter (with the exception of non-haltered Texas Longhorns) and be sufficiently gentle to be properly handled by one attendant. If exhibition of a project poses a danger to the exhibitor and/or other parties, Show Management reserves the right to allow a substitute exhibitor or remove the project from competition. In some cases, projects may be instructed to be removed from the Grounds.

23. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used. Cable halters and pronged chains are prohibited for all species.

24. **Release:** No project may be removed from the Grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Superintendent says otherwise. Anyone attempting to load projects before their release time may have their truck and/or trailer towed away. No livestock may exit the Grounds between 10:00 PM – 7:00 AM. Any violation of release times will cause the forfeiture of all premium and/or auction monies earned and the exhibitor may be barred from future participation.

25. **Photographs:** Exhibitors agree to present their project(s) at the request of show officials for official photographs. All photographs taken by the official photographer(s) become the property of the San Antonio Stock Show & Rodeo. Unofficial (i.e. personal) photographs may not be published without written approval of Show Management. Exhibitors wishing to purchase photographs must contact the Official Photographer. Commercial photography and filming are often conducted at the San Antonio Stock Show & Rodeo. You may be depicted in photographs or video recordings of any San Antonio Stock Show & Rodeo event, and by entering the Grounds and/or competitive events associated with the San Antonio Stock Show & Rodeo, you consent to the use of any depictions in connection with advertising, news reporting, public relations, webcasts or other broadcasts, or any other activities relating to the San Antonio Stock Show & Rodeo, and you further release and waive all claims for compensation and any rights of review and approval, copyright, and right of publicity with respect thereto.

26. **Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be an immediate family member of the exhibitor, other 4-H/FFA member, or AST/CEA) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his or her club/chapter.

27. **Project/Animal Care/Security:** All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the San Antonio Stock Show & Rodeo does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for security of their own animal/project(s) until they depart for their final destination (processing/ranch/etc.). The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The San Antonio Stock Show & Rodeo is not responsible for the acts of a third party.
28. **Unethically Fitted Livestock:** The showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered, and the misrepresentation of breeding or milking status, are prohibited.

a. **Description:** Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means, as well as changing the normal conformation of any part of the animal’s body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal. Unethical fitting includes but is not limited to the following:

   i. Animals that are in milk due to an unnaturally induced lactation.
   ii. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
   iii. Treating or massaging any part of the animal’s body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
   iv. Blocking the nerves to prevent limping or switching of the tail.
   v. Bruising.
   vi. Surgery or other practices performed to change the natural contour or appearance of the animal’s body, hide, or hair, or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming of hooves.
   vii. Insertion of foreign material under the skin.
   viii. Changing the color of hair, spot or area on the animal’s body. Any grooming material that allows color to come off from any animal will not be allowed at the show.
   ix. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus).
   x. The use of diuretics.
   xi. Administration of an illegal, unapproved, or performance enhancing drug internally or externally.

b. **Verification:** The exhibitor specifically represents that no animal entered by him/her is unethically fitted, and that the breeding, age, and milking status are correctly stated. All Junior Market and Junior Breeding Animals will be required to have signatures on each entry certification stating that the animal is not unethically fitted. These forms must be signed by all of the following:

   i. Junior Exhibitor
   ii. Parent or Guardian
   iii. Agricultural Science Teacher (AST) or County Extension Agent (CEA)

c. **Medication received prior to the show:** In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor’s animal does not test positive for drugs upon arrival. Once the animals arrive on the S.A.L.E. Grounds, they must remain free and clear of all residues of medications, drugs, chemicals, and other substances. Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical, or substance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers within the residual clearance time, are ineligible for competition. Exhibitors with questions regarding medications or eligibility should consult with the Official San Antonio Stock Show & Rodeo Veterinarian prior to competition.

d. **Medication during the Show:** The Official Show Veterinarian Office is located at the north end of Animal Adventures/Cattle Barn #2. For the convenience of exhibitors, the San Antonio Stock Show & Rodeo arranges to have veterinarians available; however, they do not donate their services or medications. Fees should be discussed before treatment. Additionally, it is the exhibitor’s responsibility to properly communicate to the veterinarians if the animal is eligible for further competition. All medication and treatment administered during the livestock show must be administered by the Official San Antonio Stock Show & Rodeo Veterinarian and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition. The Official Show Veterinarian is authorized to remove any animal from competition if the health, safety, or welfare of the animal is in question.
e. **Drug:** The term "drug" shall mean any substance the sale, possession, or use of which is regulated by federal, state, or local law or regulation, as well as any substance used by the medical or veterinary professions that affects the circulatory, respiratory, muscular, skeletal or central nervous system of any species of livestock. If drugs are used by the Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.

f. **Beta-agonists:** S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (Optaflexx™; Paylean®) in entries other than market steers or market barrows, respectively. S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (Topmax™) in Market Poultry, specifically all turkeys and broilers. S.A.L.E. will not tolerate the presence of zilpaterol hydrochloride (Zilmax®) in any market species or breeding animal.

g. **Inspection/Testing:**
   i. Each exhibitor, by entering or exhibiting an animal at the San Antonio Stock Show & Rodeo, agrees that any animal entered by him or her may be subjected to inspection or examination by any veterinarian appointed by S.A.L.E. and that S.A.L.E. may subject any such animal to any tests, sample-takings, or inspections that S.A.L.E. deems necessary or appropriate, including but not limited to testing for drugs or other substances, at any time. S.A.L.E. shall have the right to conduct or have conducted for it all tests, inspections, or analyses it deems appropriate or necessary, including but not limited to ultrasound, D.N.A., blood, tissue, and urine laboratory analysis, on any animal entered in or exhibited at the San Antonio Stock Show & Rodeo. The exhibitor or approved substitute exhibitor (and, for Junior exhibitors, the exhibitor’s parent, legal guardian, or AST or CEA) must be present during the collection of an initial urine sample for testing and must witness, seal and sign the sample, thereby establishing that the sample was properly collected and prepared for analysis. Subsequent samples of any sort may be taken by or for S.A.L.E. without the presence of the exhibitor or his or her parent, legal guardian or AST or CEA.
   
   ii. All decisions, determinations, and conclusions based on any test, inspection, analysis, or examination shall be final and conclusive without recourse against S.A.L.E. or any of its officers, directors, volunteers, and employees, or any veterinarian appointed by S.A.L.E.
   
   iii. **EACH EXHIBITOR, BY ENTERING AND EXHIBITING AN ANIMAL OR PROJECT IN OR AT THE SAN ANTONIO STOCK SHOW & RODEO, WAIVES AND RELEASES S.A.L.E. FROM ANY AND ALL CLAIMS, SUITS, CAUSES OF ACTION, LIABILITIES, DAMAGES, DEMANDS, COSTS, EXPENSES (INCLUDING ATTORNEYS' FEES), AND OTHER LOSSES OF EVERY SORT BASED ON, ARISING OUT OF, OR RELATING TO THE INSPECTION OR TESTING OF ANY SUCH ANIMAL AND ANY RULING, DECISION, OR ACTION TAKEN AS A RESULT OF OR IN RELIANCE ON THE RESULTS OF ANY TEST OR INSPECTION, WHETHER OR NOT SUCH TESTING OR INSPECTION WAS CONDUCTED IN COMPLIANCE WITH THESE RULES. THE FOREGOING WAIVER AND RELEASE APPLIES TO ANY CAUSES OF ACTION, CLAIMS, AND DEMANDS BASED ON S.A.L.E.'S ACTUAL OR ALLEGED NEGLIGENCE.
   
   iv. All testing conducted at the election of S.A.L.E. will be paid for by the Show. Payment for any other tests (i.e. blood typing, etc.) required in the Junior or Open Livestock Show will be the sole responsibility of the exhibitor and at the discretion of the Official Show Veterinarian.

h. **Breeding Animals:** As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and painkillers.

i. **Wholesome Meat Act:** The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the Grounds and exhibited:
   
   i. Animals must be in good health and carcasses free of drug or chemical residues.
   
   ii. Drug label directions for use and withdrawal periods must be followed.
   
   iii. If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

*The San Antonio Stock Show & Rodeo will in no way be liable or responsible for the condition of carcasses or the sale price of the animal.*

29
j. **Federal Food, Drug and Cosmetic Act:** As required in 21 CFR 589.2000, entry in the Junior Commercial Steer, Junior Market Goat, Junior Market Lamb, and Junior Market Steer Show shall serve as verification by the exhibitor that, to the best of their knowledge, while under their ownership, possession or direct control, the animal(s) were not fed any feed containing ruminant-derived meat or bone meal. Entrants agree to allow packer inspections of feed ingredient records and facilities.

k. **Consequences:** In the event that S.A.L.E. determines any animal to be unethically fitted, the Executive Director & CEO is authorized to disqualify the exhibitor and his or her animal and may permanently bar the exhibitor and his or her family from any further participation in the San Antonio Stock Show & Rodeo. Reinstatement of any barred exhibitor may be made only by the Executive Director & CEO. The exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships if the animal or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter or deemed unmerchantable. S.A.L.E., in cooperation with member shows of the North American Livestock Show & Rodeo Managers Association, reserves the right to submit the name(s) of any disqualified exhibitor to the organization’s Rule Infraction Database.

29. **Exhibitor Behavior:** The San Antonio Stock Show & Rodeo does not condone and will not permit aggressive behavior towards animals or any other persons. Any exhibitor or anyone assisting an exhibitor is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or at any place on the Show Grounds. Any aggressive or unwarranted behavior by an exhibitor or anyone assisting an exhibitor towards another individual will not be tolerated. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be banned from the Grounds and/or any future competition. Protests are not permitted.

30. **Animal Health Requirements:** State Law requires most stock entering the Grounds to be accompanied by proper health papers that shall be presented at the time stock arrives on the Grounds at the Salado Creek Property Staging Area. See Texas Animal Health Commission Rules for detail, there will be no exceptions. All livestock must enter through the East Gate only with the proper credentials from Salado Creek Property Staging Area.

31. **Diseased Animals:** No animals found to have a disease of any character will be admitted to the Grounds at any time, and Superintendents are instructed and authorized to refuse unloading privileges to any stock found to have an undesirable ailment. This includes market barrows that stress and are unable to walk off of the trailer and to their assigned pen on their own.

32. **Exhibitor Numbers:** Each entry will be assigned a number. If an exhibitor is assigned a back number, this number must be displayed by the exhibitor when project(s) is being judged.

33. **Trim Chutes:** Only authorized equipment will be allowed on Grounds and must be placed in locations designated by Show Management. Trim Chutes are allowed for only Open Beef Cattle according to the following limit: 1 chute per 5 head (trim chutes are not allowed during the Junior Heifers or Market Steers). Trim Chutes will be allowed in designated areas only. Blocking of aisles will not be permitted.

34. **Scales:** Exhibitors will not be allowed to bring portable scales on the Show Grounds. Insofar as possible, scales will be provided by the show in all barns, but are unofficial and provided for exhibitor’s convenience only.

35. **Exhibitor Campgrounds:** Exhibitors must be aware of their surroundings and cognizant of others when making space for their campgrounds. Exhibitors abusing campground areas will be subject to disqualification.

36. **Objectionable Exhibits:** Show Management reserves the right to remove from the Grounds any exhibit, animal, or project that may be falsely entered, or deemed unsuitable, or objectionable, without assigning a reason therefore. All fees will be forfeited.

37. **Unauthorized Projects:** Any project(s) brought onto the Grounds which is/are not entered for competition, exhibition or consigned to sales are subject to becoming the property of the San Antonio Stock Show & Rodeo.
38. **Bedding/Feed:** Bedding will be provided by the show. Dairy exhibitors may use grass hay or straw at their own expense. The use of artificial grass mats and carpets are prohibited in all barns. Straw/hay bedding is prohibited in beef cattle stalls. Exhibitors may not bring excessive amounts of feed and/or bedding onto the Grounds. Exhibitors will not be allowed to store excessive amounts of tack and feed in the stalling areas, nothing will be allowed on top of the cattle stalls. Insofar as possible, feed, hay, and bedding will be available for sale on the Grounds. Discretion as to what constitutes acceptable bedding is held exclusively by Show Management.

39. **Stalls, Pens and Alleys:** Stalls, pens, alleys and exhibit spaces must be cleaned before 8:00 AM each day. No automatic waterers will be allowed in any stalls/pens. Refuse matter must be disposed of as follows: Manure and/or bedding into designated dumpsters; trash into trash barrels. Feed, chairs, equipment boxes, etc. are not permitted in the main alleys or in barn aisles. No lights are to be strung on the stalls or pens. Exhibitors will be granted access to the livestock barns 24 hours per day.

40. **Tack:** Tack trucks must obtain a staging credential before entering the East Gate. Show Management reserves the right to determine what constitutes an acceptable tack truck.

41. **Fans:** Fans will only be allowed in the Cattle Barn. No fans will be permitted in aisles at any time. Fans behind cattle are not allowed. Fans will be limited to one fan per five head of cattle. **Portacool or similar fans will not be permitted on Grounds.** No fans will be permitted in the Morris Activity Center and Swine Barn at any time, or in the Auction Barn during the Junior Commercial Steer Show.

42. **Signs:** A sign, of reasonable size, provided by the exhibitor is recommended over each project including exhibitors/owner’s name and organization. No sign, which refers in any way to a commercial product, including "For Sale" signs, may be placed over any livestock exhibit, on walls, posts, and doors; such signs will be confiscated. Show Management reserves the right to remove any sign for any reason.

43. **Electrical Equipment:** All electrical equipment brought onto the Grounds must conform to all applicable safety regulations. Any exhibitor who refuses to cooperate with Show Management in this matter will have their exhibit/project immediately removed from the Grounds and will forfeit all fees and premiums.

44. **Generators/Fuels:** Generators and flammable fuels are prohibited on Show Grounds.

45. **Campers/Trailers:** Pickup trucks with campers may park inside Grounds but cannot be used as living quarters. House and cook trailers are not permitted to enter the Grounds. When trailers are on Salado Creek Property exhibitors may not use slide outs or awnings.

46. **Pets:** No pets are allowed on Grounds.

47. **Cooking:** Cooking is not allowed on the Grounds at any time. No cookers, crock-pots, microwaves, coffee pots, warmers, or any other cooking utensils are permitted on the Grounds. No open flames or BBQ pits will be allowed on the Salado Creek Property Staging Lot. Any cooking utensils, including coffee pots, brought onto the Grounds will become property of the San Antonio Stock Show & Rodeo.

48. **Trailer Parking:** Trailers must be unhooked from vehicle when stored at Salado Creek Property. All trailers must be removed from the Salado Creek Property Lot by 1 PM, Sunday, Feb. 23. San Antonio Stock Show & Rodeo personnel reserve the right to relocate trailers on the property, when necessary, at Salado Creek Property.

49. **Electronic Communication:** The use of electronic communication devices (i.e.: two-way radios, cell phones, smart watches) by exhibitors during competition, including judging contests, skillathons, livestock shows, etc. is prohibited.

**WARNING**

UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF LIVESTOCK SHOW ACTIVITIES.
JUNIOR LIVESTOCK SHOW

JUNIOR SHOW RULES

Junior Entry Deadline:
December 1, 2019

1. Eligibility: The Junior Show is limited to entries from within the state of Texas. The term "exhibitor" shall mean the bona fide owner of the project. Junior Show exhibitors are subject to the General & Junior Rules as well as the Special Rules. Exhibitors are responsible for knowing and complying with all rules of this show. Exhibitors must be bona fide members of a Texas County 4-H Club or Texas FFA Chapter. Exhibitors must have continuously, personally, fed and cared for their projects under the direct supervision of an AST or a CEA. Exhibitors may enter as either a Texas 4-H or FFA member, but not as both in the same Department. Any exhibitor who enters as both in the same Department will have all his/her entries disqualified without refund of fees.

To be eligible, boys or girls must be enrolled in, and attending, public, private or home school elementary or secondary schools in Texas at time of show; be between the ages of 9 and 18 on August 31, 2019, or be between 8 and in the third grade and 18 on August 31, 2019, and be bona fide residents of the State of Texas.

Junior exhibitors and contestants suspended under Texas Education Code 33.081 "No Pass, No Play" are ineligible to participate in any San Antonio Stock Show & Rodeo Junior Livestock Show activity, event or competition. Any project owned by an ineligible exhibitor is ineligible for competition, this includes Agricultural Mechanics entries.

All 4-H and FFA exhibitors are considered to be academically eligible by the San Antonio Stock Show & Rodeo to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Junior Livestock Show according to Texas Education Code must provide written and signed notification to the appropriate Superintendent or to the Livestock Office at least 24 hours prior to the beginning of Check-In/Registration for the respective show/contest. If such notification is not received at least 24 hours prior to the beginning of Check-In/Registration, the San Antonio Stock Show & Rodeo will consider the exhibitor as eligible to participate.

2. Social Security Number Requirement: All exhibitors and contestants must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded during the entry process. Intermediate and Junior contestants registering on-site for Judging Contests will not be required to have SSN. Any contestant, regardless of age, participating in a Senior Division of a contest will be required to have their Social Security Number at registration.

3. Foreign Exchange Students: Foreign Exchange students are ineligible to compete in the Junior Livestock Show. Such individuals are eligible to participate in the Open Livestock Show.

4. Non-United States Citizens: Non-United States Citizens are ineligible to compete in the Junior Livestock Show. Such individuals are eligible to participate in the Open Livestock Show.

5. Entry: The San Antonio Stock Show & Rodeo makes available to ASTs and CEAs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Junior Livestock Show, subject to these Junior Rules. These rules are only minimum requirements for participation in the Show and are not intended to limit the right of any AST or CEA, or the Texas A&M AgriLife Extension or the Texas Education Agency, to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members' projects in the Junior Livestock Show is made available only to ASTs and CEAs supervising these Junior Show projects. In no event are these rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. In no event shall any AST or CEA be considered to be an agent of the San Antonio Stock Show & Rodeo for any purpose.
Entries in the Junior Show must be made by the AST or CEA under whose supervision the projects were
managed and will be returned if sent in by others. The AST or CEA must certify on the Entry Certification
Signature Form that the project and the owner(s) are eligible under the rules of this show. It is the responsibility
of the AST or CEA to read all rules and check each completed entry form for accuracy before signing the Entry
Certification Signature Form. If entries are not correctly submitted they will be returned.

4-H clubs and FFA chapters must submit their entries and payment in separate packages. Junior entries must be
on current Completed Junior Entry Forms printed from the online entry system along with one (1) check to cover
total fees due (entries and passes). Entries must be made through the 4-H Club/FFA Chapter and submitted
online at www.sarodeo.com. Checks for Junior entries must be drawn on 4-H or FFA accounts, money orders, or
cashier’s checks. Personal checks will not be accepted for the Junior Livestock Show.

6. Signatures: All exhibitors must have the required original signatures (Exhibitor, AST/CEA, and Parent or
Guardian) on each Entry Certification Signature Form.

7. Quality Counts: To be eligible to compete in the Junior Breeding and/or Junior Market Shows, exhibitors will
need Quality Counts verification. The Quality Counts verification number must be recorded on the Junior Entry
Form when entering the project. Please refer to the website https://agrilife.org.qualitycounts/ for information
on how to become verified.

8. Ownership: Exhibitors must own, feed, care for, and exhibit their animals/projects at the beginning of and
throughout the entire feeding and fitting period. It is critical for the exhibitor to be actively involved in all phases
of the project to maximize the educational experience. The exhibitor may receive assistance from the exhibitor’s
family, AST, CEA, Local County/Chapter Adult Volunteer, or other 4-H or FFA members. Show Management
will rule on all issues regarding ownership.

9. Ownership/Fitting Periods: The required ownership and fitting periods are:

   Market Animals: Validation will be used to verify ownership date for market animals.
   - Market Steers: June 30, 2019
   - Market Lambs: October 31, 2019
   - Market Goats: October 31, 2019
   - Market Barrows: November 30, 2019

   Breeding Animals: Original Registration Certificates will be used to verify ownership date for breeding animals with
   the exception of Crossbred Gilts, Wether Dams and Wether Does. Animals must be registered in the
   Herdbook of their Association in only the name of the Junior owner on or before the required ownership
   date (see below). Original Registration Certificates must state the name of the Junior owner only. Original
   Registration Certificates that list any additional names besides the name the entry is under will be disqualified.

   Purchase, delivery, possession, transfer, and registration must all take place on or before the required ownership
date listed below. Original Registration Certificates must be available at all times.

   Breeding Sheep, Boer Breeding Goat: October 1, 2019 (Must be validated through Breeding Sheep or Breeding Goat
   Validation on or before October 31, 2019)
   - Wether Dams, Wether Does: October 31, 2019 (Must be validated through Breeding Sheep or Breeding Goat Validation on
   or before October 31, 2019)
   - Angora Breeding Goats, Beef Breeding Heifers, Dairy Heifers: November 1, 2019 (Beef Breeding Heifers must
   complete all phases of heifer validation through the Texas 4-H & FFA Breeding Heifer Validation Program on or before
   November 8, 2019)
   - Purebred Gilts, Crossbred Gilts: December 1, 2019 (Gilts must be validated through Breeding Gilt Validation on or before
   December 1, 2019. All Registration Papers for Purebred Gilts must be uploaded by December 15, 2019.)

10. Partnerships: Partnership animals are not eligible in the Junior Livestock Show.

11. Ineligible Animals: Any animal that has been sold during the feeding period via private treaty or public auction
    is ineligible to show. If ownership changes or has the possibility of changing through a sale offering (including
    animal(s) purchased back by the exhibitor), regardless of method or length of time, that chain of animal
    ownership is considered broken and the animal is ineligible. This specifically excludes animals sold at the local or
county level at a Premium Auction, where the animal in question never had the possibility of changing ownership. Any animal that has sold at auction at any major livestock show is not eligible for the Junior Show.

12. **Ineligible Exhibitor:** A Junior exhibitor who has placed a Grand Champion Pen of Commercial Steers, Market Steer, Market Lamb, Market Barrow, Market Goat, Market Turkey (Hen or Tom), or Market Broiler at any prior San Antonio Stock Show & Rodeo is not eligible to enter the Department in which that Grand Champion was selected.

13. **Double Entries:** Animals shown in the Junior Show may also be shown in the Open Show if classes are available. See instructions in the Special Rules of each department.

14. **Exhibitor Substitution:** Entries in the Junior Show must be shown by their owner. Exhibitor substitutions may be allowed under the conditions outlined below. In all cases, the Department Superintendent must approve the exhibitor substitution and will do so only if all conditions are met.

Substitute exhibitors may show only one project (except in departments which exhibitor may enter more than one project), in addition to their own project, in each Junior Department. Substitute exhibitors must be entered and exhibiting their own project in the respective department in which they are serving as a substitute. An exhibitor of a past grand champion in a respective junior market animal department is not eligible to serve as a substitute exhibitor within that department.

a. **Substitution A - Other School Activity:** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a School Administrator, on school letterhead stating the specific reason a substitute is requested. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the statement must be submitted to the Department Superintendent prior to the start of the respective Show. Attending school or practice does not constitute as an Other School Activity. Examples of Other School Activities are UIL events, school sports, or similar events.

b. **Substitution B - Sickness:** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a Physician, on his/her letterhead. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the Physician’s statement must be submitted to the Department Superintendent prior to the start of the respective Show.

c. **Substitution C - More Than One Entry In A Class or the Exhibitor Has Entries In More Than One Department Showing At The Same Time:** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form must be submitted to the Department Superintendent prior to the start of the respective Show.

In any of the three situations listed above, or in the case of an emergency, the Department Superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be from the same school, FFA Chapter, or 4-H Club as the original exhibitor with the following two exceptions:

i. The original exhibitor is the only exhibitor from that school, FFA Chapter, or 4-H Club entered in that Department.

ii. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.

In either case, any junior exhibitor, who is entered and exhibiting in the respective department, meeting the approval of the Department Superintendent may exhibit the animal.

15. **Fitting:** The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
16. **Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be a family member of the exhibitor, AST/CEA other 4-H/FFA member, or Local County/Chapter Adult Volunteer) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his/her club/chapter.

17. **Junior Auction Animals:** All placing Market Barrows, Market Broilers, Market Goats, Market Turkey Hens, Market Lambs, and Market Steers must be sold through the Junior Livestock Auction. Animals sold in the Junior Livestock Auction must remain under the exhibitor’s care and at his/her expense for the duration of the Show, and be displayed under the direction of the Show. The Junior Livestock Auction is limited to placing animals. Decoration of market animals for the Junior Livestock Auction is prohibited; animals must be presented for Auction in their natural show state (i.e. no glitter, paint, balloons, etc. allowed).

18. **Junior Livestock Auction Exhibitors:** Exhibitors with projects eligible for the Junior Livestock Auction need to be aware that auction procedures may dictate that an exhibitor is required to walk a designated project across the auction block in place of their own project, or the exhibitor may be required to walk across the auction block without a project. The exhibitor must present his/her project for the Auction or the project will be sold as a no-place. Exhibitors who are unable to attend the Junior Livestock Auction may request a substitution. This request must be made on the Official San Antonio Stock Show & Rodeo Auction Exhibitor Substitution Form provided by Show Management. Auction Exhibitor Substitutions must be approved by Show Management.

19. **Terminal Shows:** This is a terminal show for Commercial Steers, Market Barrows, Market Goats, Market Lambs, Market Poultry and all placing Market Steers. All Commercial Steers, Barrows, Goats, Lambs, Poultry and placing Market Steers brought onto the grounds must go to market. Non-placing Market Steers may be sold at the market price or they may be released.

20. **Sift, Non-Place, Premium, and Auction Checks:** Owners will be paid by the Commission Company for sifted and non-placing animals based on official turn-in weight. Projects that weigh less than the designated allowance within the specific department may be documented, sold on the re-weigh weight, and the exhibitor will be administered at $20 office handling fee which will be deducted from their floor check. Checks will be mailed directly from the Commission Company for projects that do not qualify for the Junior Livestock Auction. If applicable, premium monies for class placing will be distributed by the San Antonio Stock Show & Rodeo and mailed to the 4-H or FFA address. Auction sale checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission checks (floor) to the 4-H or FFA address.

**Market Animal Disposition**
The San Antonio Stock Show & Rodeo strives to ensure a fair price for market animal projects. Market conditions may dictate the sale of market animals be conducted through local terminal markets (i.e. sale barns, etc.). The San Antonio Stock Show & Rodeo reserves the right to charge the exhibitor freight, yardage, and any and all marketing fees applicable to the sale of each animal. Animals should be in accordance with all representations throughout the validation/ownership period. Any animal deemed unmerchantable due to lameness, illness, blindness, etc. will receive no value.

21. **Animal Load-Out:** It is the responsibility of each exhibitor to deliver his/her animal to the designated load out area and that all documentation has been appropriately filed and completed.

22. **Market Animal Eligibility:** To meet Country of Origin labeling requirements, all animals entered or exhibited in a Junior Market Division must be bred, born and raised, in the United States.

23. **Blocking Tables & Trim Chutes:** No Market Lamb or Market Goat Blocking Tables are permitted on grounds. No Steer or Junior Heifer Trim Chutes are permitted on grounds.

24. **Blow Dryers:** No blowers will be permitted during the Junior Market Shows.

25. **Fire Regulations:** Due to fire code regulations, no equipment, showboxes, trim chutes, chairs, etc. will be allowed in aisles. Blocking of any aisle will be strictly prohibited. Please make necessary provisions, if needed, to store equipment safely in or above pens in the lamb/goat and swine barns.
ANIMAL HEALTH REQUIREMENTS

San Antonio Livestock Exposition, Inc. (SALE) officials are allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supersede the SALE requirements if there is a dispute between the two in which S.A.L.E. rules are less restrictive than TAHC regulations. The following summary is a condensed version of the Texas Animal Health Commission regulations. Please contact the Texas Animal Health Commission at 1-800-550-8242 or visit their website, at http://www.tahc.texas.gov/regs/entry.html

SALE considers itself an interstate (accepting entries of livestock and poultry from within Texas and from other states) show for livestock entries. Due to animals from other states being present on the grounds, regulations concerning interstate shows must be followed. Exhibitors with livestock originating outside the State of Texas are encouraged to contact their state Animal Health officials to confirm specific requirements, if any, their state may impose on animals returning from a Texas show.

Certificate of Veterinary Inspection (i.e. CVI, Health Certificate, Health Paper) must indicate that the accredited veterinarian found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. This certificate may include certain required blood tests and identification markers. Please be sure that the veterinarian is comfortable with the requirements required of the TAHC. The SALE Show Veterinarian, Dr. Ben Espy, may be contacted at 210-861-4765 should there be any questions.

Prior Entry Permits are required as noted for specific classes of livestock. Permits may be obtained by calling (800) 550-8242 or (512) 719-0777, 24 hours a day, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.

CERTIFICATES OF VETERINARY INSPECTION WILL BE CHECKED AT THE SALADO CREEK PROPERTY STAGING AREA.

Texas Animal Health Requirements are subject to change; the following are requirements posted as of October 1, 2019.

SALE., along with the Texas Animal Health Commission, is committed to protecting animal health in Texas. Accordingly, S.A.L.E. fosters the animal health requirements set forth by the state of Texas. Due to the nature of regulations set forth by the Texas Animal Health Commission, and unknown requirements after the posting of S.A.L.E.’s Premium List; S.A.L.E. encourages exhibitors to contact their state Animal Health officials to confirm specific requirements as late as January 1, 2020.

JUNIOR LIVESTOCK SHOW & AG MECHANICS SCHOLARSHIPS

The San Antonio Livestock Exposition, Inc. (S.A.L.E.) will award college scholarships to eligible exhibitors and contestants competing in the Junior Livestock Show & Junior Agricultural Mechanics Show who are U.S. citizens and Texas residents, and currently attending or a graduate of a Texas public, private, or home school. Furthermore, the exhibitor will attend an accredited Texas college or university or an accredited, recognized agricultural or natural resources vocational or technical training school in Texas. Scholarships will be awarded based on the ranking of the contestant in a given show/contest. Judging and/or show procedures may dictate that not all scholarships for each category be given.

Eligible exhibitors and contestants will have an opportunity to compete for scholarships during the 2020 San Antonio Stock Show & Rodeo (the amounts and designations for Livestock and Ag Mechanics are outlined below). Previous scholarship recipients in the Livestock Show, Junior Shoot-Out, Junior Ag Mechanics and/or Horse Show who have received less than $20,000 in scholarships are eligible to win additional scholarships up to $20,000 maximum. Exhibitors and contestants who have been awarded $20,000 in scholarships through the Livestock Show, Horse Show, Junior Shoot-Out and/or Junior Ag Mechanics are not eligible to win additional scholarships through competition at the San Antonio Stock Show & Rodeo.

Within the Livestock Show, scholarships will be awarded only to the exhibitors of the respective Grand Champion, Breed Champion, Division Champion, or High Point Individual (outlined below) provided they are eligible to receive scholarship funds. If the exhibitor is not eligible to receive additional scholarship funds, the scholarship will not be awarded.

The total amount of scholarships offered to Junior Livestock Show (includes Calf Scramble) & Junior Agricultural Mechanics exhibitors in 2020 is $1,325,000.

The San Antonio Livestock Exposition, Inc. Executive Committee reserves the right to interpret or to amend these designations at any time at its discretion and to settle and determine all disputes, questions, matters regarding, or incidents arising from, the Scholarship Program. Recipients must follow the rules and regulations of the current Livestock Premium List as well as adhere to the rules and guidelines of the San Antonio Livestock Exposition, Inc. Scholarship Program.

(Gilts not having arrived at SCP by Noon are subject to disqualification)

Show: Saturday February 8 7 AM SB
(Yorkshire, Duroc, Berkshire, Chester White, Spot, Hampshire, Landrace, Poland China)

Release: After Judging
(Must be out by 8 PM, Feb. 8)

This show is subject to the San Antonio Stock Show & Rodeo General Rules and the Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Animal Name, Birthdate, Registration Number and Ear Notch verification will be submitted at Check-In. The Open Purebred Gilt Show is open to gilts only.

2. Ownership/Registration: Animals must be registered in the Herdbook of their Association in the name of the owner(s) not less than thirty days prior to the opening day (Feb. 6, 2020) of the General Livestock Show. Purchase, delivery, possession and registration must all take place not less than thirty days prior to the opening day of the General Livestock Show. Original Registration Certificates must be available at all times.

3. Show Check-in Procedures: Exhibitors must check-in and complete the Open Purebred Gilt Kiosk Card. Check-in for the Junior Purebred Gilt show does not constitute check-in for the Open Purebred Gilt Show. Upon completion, the exhibitor will be given the remaining sections of the Open Purebred Gilt Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. Double Entry: Junior Purebred Gilts may double enter in the Open Purebred Gilt Show. Gilts entered in the Crossbred Gilt Show are ineligible for the Open Purebred Gilt Show.

5. Fitting: Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification.
6. **Premiums:** The following premium schedule will apply to all breeds.

7. **Age:** All gilts must have been farrowed between **July 1 and September 10, 2019 inclusive.**

8. **Classes:** Classes within each breed will be broken by age following Check-In. For each breed offered there will be a minimum of 2 classes. Additional classes may be added at the discretion of Show Management. In the event of a large number of gilts with the same age, the show may break them into multiple classes using another method other than age. To more effectively break classes, age may be grouped by a maximum of 3 days and classes then broken using another method other than age.

Junior Show

Release: After Judging
(Must be out by 7 PM, Feb. 9)

This show is subject to the San Antonio Stock Show & Rodeo General Rules and the Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Goats double entered in the Junior Show must be on Junior Entry Forms. Animal Name, Birthdate, Sex and Registration Number, Flock Number and Class will be submitted at check-in.

2. Ownership/Registration: Breeding Boer goats must be registered with the American Boer Goat Association (ABGA) in the name of the owner(s) not less than thirty days prior to the opening day of the General Livestock Show (Feb. 6, 2020). Purchase, delivery, possession and registration must all take place not less than thirty days prior to the opening day of the General Livestock Show. Original Registration Certificates must be available at all times.

3. Show Check-in Procedures: Exhibitors must check-in and complete the Open Breeding Goat Kiosk Card. Check-in for the Junior Breeding Goat show does not constitute check-in for the Open Breeding Goat Show. Upon completion, the exhibitor will be given the remaining sections of the Open Breeding Goat Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. Number Shown: Each owner may show up to two (2) animals in each single class.

5. Identification: Goats must have a legible ear identification number, either tag or tattoo, corresponding to Original Registration Certificate upon arrival on the grounds. Boer Goats without legible tattoos will be disqualified and not eligible for awards or premiums.
6. **Abnormalities:** Goats showing any pronounced defect or abnormality will be barred from showing at the discretion of Show Management.

7. **Goat Age:** Goats will be shown by the age on the Original Registration Certificate. Birth Dates listed on the Original Registration Certificate will be used to determine the appropriate class.

8. **Shearing Guidelines:** Clipping will be left up to the discretion of the exhibitor.

9. **Pens:** The show reserves the right to pen a minimum of three head per pen. Pens will not be taken apart or altered in any way without approval of the Superintendent. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.

10. **Blocking/Trim Tables:** Trimming tables will be allowed in the barn and must be placed in locations designated by the Superintendent.

11. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed.

12. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. **Cable halters and pronged chains are prohibited for all species.** Exhibitors will be allowed to use halters or collars in the show ring.

13. **Animals Outside of Barns:** Goats must remain inside the Cattle Barn #2, Swine Center, and Morris Activity Center, or in the designated exercise area at all times. Any animal found outside of this area will be subject to disqualification.

14. **Premiums:** The following sliding scale of placings and premiums applies.

*This show is subject to the San Antonio Stock Show & Rodeo General Rules and the Special Rules listed in this section.*

Open Show Heifers will be allowed to remain on the Show Grounds Monday night, February 10, provided they are entered in the Junior Heifer Show. Exhibitors must notify the Beef Cattle Office by Sunday, February 9 at 5 PM of their intention to do so.
1. **Entry**: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed.

2. **Group Classes**: All Group Class entries can be made with Open Show entries (Note: Group Classes will not be submitted online) or upon arrival at the Show with the Superintendent. Group Entry Forms will be provided to the exhibitor for completion. There will be no entry fees or premiums paid for Group Classes. Group Entry Forms should be completed with the “name of group class” (i.e. Get-of-Sire). Name of Sire and/or Dam must be on entry form. All animals must have been entered and shown in individual classes to be eligible for a group class. No owner may place more than two animals or two groups in any one class. However, an exhibitor may enter and show a third animal in only one individual class for the sole purpose of qualifying for the get-of-sire class.

3. **Ownership/Registration**: Animals must be registered in the Herdbook of their Association in the name of the owner(s) not less than thirty days prior to the opening day of the General Livestock Show (Feb. 6, 2020). Purchase, delivery, possession, recording and registration must all take place not less than thirty days prior to the opening day of the General Livestock Show. Original Registration Certificates must be available at all times.

4. **Premium Schedule**: To be determined for each breed at the conclusion of the show. Premium amounts may vary among breeds.

5. **Breed Association Rules**: Owners must comply with the special rules of the respective breed associations.

6. **Show Equipment**: Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. **Cable halters and pronged chains are prohibited for all species**. Exhibitors will be allowed to use halters or collars in the show ring.

7. **Fans**: Fans will not be permitted in aisles. No fans are permitted behind the cattle. Only 1 fan per 5 head is permitted. **Portacool or similar fans will not be permitted on Grounds.**

SPECIAL RULES
1. Beefmaster Promotion Group, 541 State Highway 75 N; Fairfield, TX 75840, pays some percentage of the premiums awarded for this show.
2. Any individual who has an entry in a BPG approved show must be a member of the Beefmaster Promotion Group and must be at least 6 years of age as of the day of the show.
3. All cattle must be registered with BBU.
4. Only one (1) person per animal is permitted in the show arena during exhibition of individual classes, with exceptions made by one of the following: a) A physical or mental disability that prevents the proper handling of the animal without assistance or, b) a handler that has a physical injury (sprained ankle, broken arm, etc.) that requires assistance. Any request for an assistant shall provide the event that an assistant is required and approved, the assistant shall provide the least amount of interference as possible for the handler to properly display the animal and shall not interfere with any other entrant or otherwise block the path or view of the judge.
5. All animal tattoos will be checked for legibility and must match the registration papers for that animal. Animals with illegible tattoos or incorrect papers will not be allowed to show.
6. Animals entered in group classes must have been shown in an individual class.
7. Heifers exhibited at 24 months of age or older must be accompanied by a certificate of pregnancy or be nursing their natural calf at side (under 6 months of age).
8. All bulls 12 months and older must be led with a nose lead at all times.
9. All bulls 20 months of age or older that are exhibited must have passed a fertility examination given by a licensed veterinarian to be eligible to show. Once a bull has a positive exam, retesting is not required.
10. All BBU Registered animals must be shown with their hair coats lying downward and flat against their entire body. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the topline of the animal which may or may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal’s body. No animals may have foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards, and points from the show.
11. Each animal must be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical, or other appearance change for cosmetic purposes (such as silicon injections or other injections for cosmetic purposes), save only branding, tattooing, foot trimming, or dehorning.
12. Determinations regarding classes and the splitting of classes shall be made in the sole discretion of the show official or coordinator and are not subject to review or protest.
13. The failure of a BBU member to abide by these rules may constitute a cause for exclusion from BBU pursuant to Article 1, section 9 of the Bylaws of BBU. Code of Conduct will be enforced.
14. Any and all protests must be written and filed with a BPG officer or Director no later than 1 hour after the conclusion of the show, accompanied by a $150 nonrefundable protest fee.
15. For and in consideration of the opportunity to participate in a BPG approved show, each exhibitor hereby releases BPG and their respective officials, sponsors, agents, officers, directors, employees and representatives from any and all claims, liabilities, suits and judgments, arising from or connected with the administration or use of any animal test, rule enforcement and the resulting decision or action based thereon.

The American Brahman Breeders Association  
3003 South Loop West, Suite 520; Houston, TX 77054; (713) 349-0854

## SPECIAL RULES

1. Animals must be registered in the American Brahman Breeders Association (ABBA) to be eligible to compete in association sponsored shows. The registration certificates for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.

2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class; (2) the sire of each get-of-sire entry; and (3) the dam of each produce-of-dam entry must be listed on the entry form of each animal entered.

3. Entries that have not complied with rules one and two will not be eligible to show, receive premium monies or earn points in the association's Register of Renown.

4. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.

5. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. Include animal identification number (number brand) as a part of identification. When entering the arena for judging, the handlers will lineup cattle numerically in the same order.

6. Judges will be allowed to comment on placings in selected classes when conditions permit.

7. Each animal will be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones or stimulants shall be prohibited. If to the satisfaction of the ABBA staff, officers, executive committee or board of directors and animal that has had its natural conformation or structure altered or been administered steroids, growth hormones or stimulants; then the said animal shall be ruled ineligible to compete until such time the Show Committee and owner/owners have reviewed the case. Any violators, both owner & fitter will be in-eligible to exhibit cattle at ABBA Approved Shows for 5 years.

8. If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him, or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may have been awarded or take other steps deemed desirable.

9. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of the individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.

10. For females being shown in the three oldest classes (females calved Jan. 1 - Dec. 31, 2017 for Spring Shows), exhibitor must have a certificate of pregnancy issued by a licensed veterinarian to be presented to show officials at time of check-in or registration paper check. The show reserves the right to perform pregnancy determination by palpation for females in the above classes at any given ABBA approved show if an official protest has been filed. Females exhibited in the last class at the Spring Shows MUST have a calf at side. For Fall Shows the last class of females is required to have a calf at side also. The only exemption from this rule will be cows that have already weaned a calf and a registration certificate of the calf MUST be presented to the judge.

11. All bulls will be shown with a nose ring or nose restraint with lead attached. For bulls being shown in the oldest class, the exhibitor must have a certificate issued by a licensed veterinarian stating the bull has produced viable semen. The certificate must be available for inspection by the judge on request.
12. All group classes must be held by a handler in the show arena to be placed. At the International, National, and any other participating show, the Original Registration Certificate or Original Copy (Blue with COPY across it) of each animal entering the ring for the group classes must be presented to the Show Official for parent verification. In an attempt to accommodate the exhibitors, the registration certificates of animals being exhibited in the group classes will be checked in advance at a specified time. Two animals for Natural Produce, four head for Embryo Produce and six head for the Get of Sire classes can be checked allowing the exhibitor to make the final selections prior to the show. If an exhibitor does not want to check papers early they would then have to bring papers on each animal that will enter the ring, at class check-in.
   a. Embryo Produce-of-Dam: Two animals from the above classes produced by one dam by embryo transfer either or both sexes may be represented. No ownership requirement.
   b. Natural Produce-of-Dam: Two natural born animals produced by one dam from the above classes, either or both sexes may be represented. No ownership requirement.
   c. Get-of-Sire: Four animals from at least two dams by one sire from the above individual classes, both sexes represented. No ownership requirement.

13. No exhibitor shall be permitted to show more than one produce or embryo produce-of-dam per dam.

14. Cows that are exhibited with calves at side must be in a lactating stage. Calves must be shown and exhibited with their dams and said calves must not exceed 240 days of age on day of judging. The judge will be made aware by the ring steward for those cows whose calves are ineligible to show by this rule.

15. Cattle will not be allowed to show if their switches have been balled or glitter applied to their skin.

16. Color Classification Rule: For animals exhibited in ABBA approved shows, the following rules will apply:
   a. The ABBA Color Chart will serve as the official breed resource for identifying the proper hair coat of registered Brahman cattle (charts are available from ABBA)
   b. In order to show in the Red Show, an animal must have a minimum of 3 Red ancestors in their 3-generation pedigree. An animal with less than 7 out of 14 Red ancestors in the 3-generation pedigree may not show until color classified.
   c. Animals will be color classified by the ABBA Color Committee in order to compete at the International, National, Kick-Off Classic and All-American Shows. The Show Committee also has the right to color classify at any ABBA Approved Show unannounced.
   d. The ABBA Color Committee shall consist of 3 primary members and 2 alternates, all with experience in the beef industry and with at least 2 of the members being ABBA Directors who are non-showing members. The Color Committee will be appointed by the ABBA President and will show for the full show year.
   e. Animals will be color classified by their predominant hair color based on the ABBA Color Chart.
   f. Only if an animal is unable to be classified based upon the ABBA Color Chart, the animal’s pedigree may be used to aid in color classification.
   g. Once classified, the animal’s paper will be stamped with the color classification and remain in that classification throughout its show career. Appeals can be sent to the Executive Committee within 30 days.
   h. If any animal is reclassified by the Color Committee, the ABBA must provide corrected papers to the current owner of that animal within 30 days of the reclassification at the owner’s expense.
   i. Animals shown in group classes must show in the class group of the registered color of their sire for the Get-of-Sire and the registered color of their dam for the Produce-of-Dam (ET & Natural).
   j. Both the exhibitor and the owner of an animal that is shown in the wrong color division after being color classified will be ineligible to show any animals for 13 months following the infraction. The animal in violation will be classified for its entire show career and will forfeit all Register of Renown points.
   k. Any ABBA member or exhibitor has the right to protest the color classification of any animal at any ABBA Approved Show to the Show Committee in writing within 30 days. Any animals already stamped with a color classification will not be reclassified.

17. The owner of record of any registered animal entered in an ABBA approved show and/or his/her agent, exhibitor, fitter, handler and/or representative releases ABBA and its representatives from any and all liability that seller/owner might claim as a result of injury of any kind sustained before, during, or after handling cattle for any ABBA board approved activity.

18. For shows to remain approved, point shows by ABBA, they must maintain a 75 head average for the previous two years.

19. Shows must also follow the Requirements of ABA Approved Shows.

20. ALL Animals MUST have a Birth Weight submitted to be eligible to show in ABBA Approved Shows

21. The official ABBA rules & procedures governing showing & exhibiting of registered Brahman cattle supersede any rules printed in any show catalog.

22. In an attempt to insure that all animals receive an equal evaluation at the National and International Shows, classes with more than 30 entries may at the discretion of the Show Management and/or ABBA Officials be split by age as evenly as possible.
23. Any animal that exceeds the weight & measurement requirements at the International Brahman Show, National Brahman Show, All American National Junior Show or any other designated show where weights & measurements are taken will be ineligible to show at that show and any future ABBA Approved Shows until the next show that weights & measures are taken when they can requalify. Any animal that exceeds the parameters and is shown at an ABBA Approved Show before requalifying will be ineligible to show their remaining career. Both the exhibitor and owner of the previously disqualified animal that is shown before requalifying will be ineligible to show animals forever.

**These classes will be the same for the Red Brahman Show and the Grey Brahman Show.**

The International Brangus Breeders Association
P.O. Box 809; Adkins, TX 78101; (210) 696-8213

SPECIAL RULES

1. Owner of record on all animals entered in an IBBA National or Regional point show must be active members of the IBBA in good standing.

2. Animals must be registered in the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA-sponsored show. The registration certificate (or photocopy) for each entry must be available for presentation to the Superintendent or show manager at the time entry is verified prior to judging.

3. Animals recorded in the IBBA Appendix, Ultrablack, or Ultrared registries are ineligible to show.

4. The registration number, permanent animal identification number (brand or tattoo), birth date and sire of each animal entered in an individual class must be listed on the entry form.

5. Any Brangus animal recorded in the IBBA registry that has a “Parentage Dispute” listed in its first three-generation pedigree is ineligible for participation in Brangus shows and exhibitions. If the dispute is resolved, the listing will be removed from the pedigree and show eligibility will be restored.

6. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.

7. UPDATED – All animals are required to have completed parent verification on file at IBBA prior to the show check-in. If an animal does not have parent verification completed at that time, they will be ineligible to show. IBBA reserves the right to collect DNA samples at any IBBA-sanctioned show. Collection will be conducted by random draw for retesting of parentage at the association’s expense. If the calf at side is over 60 days of age by the date of show check-in, it must have parent verification completed by show check-in. If it is under 60 days, the parent verification of the calf is not required. Cows in the cow/calf pair classes are exempt from the parent verification requirement if they are born prior to September 1, 2017.

8. Prior to check-in, heads of breeding animals must be clipped of all hair (including topknots) and be free of scurs and/or slick spots.

9. Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap; including scars from caesarean sections, will be disqualified from showing. Animals with illegal white (white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black) are ineligible for show. Any animal upon check in which does not have a legible tattoo or brand corresponding to its registration certificate is ineligible to show. Once disqualified due to incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at show. The brand/tattoo can be corrected and rechecked at the next available show.

10. In IBBA sanctioned shows, no animal may be shown that has been artificially filled with any amount of liquid at any time once the animal enters the grounds of a show. The fitter or ranch entity involved with an animal being artificially filled will be banned from the show ring for one year and the animal will be disqualified from exhibition at that particular show. The official show veterinarian may administer liquids orally, if so needed without disqualifying animal(s) from exhibition.

11. No animal may be shown that has had any foreign objects glued to or otherwise attached in a manner so as to alter its conformation or change its appearance. Animals unethically fitted to alter the conformation or appearance of the animal will be disqualified. Tail ties and hair nets used on the tail and switch are the only exceptions.
12. Paint or coloring agents of any kind are not to be used on any animal exhibited at IBBA sponsored shows. The use of aerosol products of any kind will not be permitted in the line-up area for the show. Animals will be towed in the line-up area prior to entering the show ring. Animals found in violation of these policies will be disqualified from showing.

13. All Brangus bulls 15 months of age or older that are exhibited at IBBA sponsored shows must have passed a fertility examination given by a licensed veterinarian to be eligible to show. The results of the examination must be available at check-in. Once a bull has a positive examination, retesting is not required.

14. All bulls (shown as an individual entry) must be shown with a nose ring or nose restraint with lead attached.

15. Weights and scrotal measurements will be taken at check-in at all four of the IBBA National Shows. Any bull can be weighed before they enter the show ring and cannot have more than a 7.5% gain. Anyone may protest a bull’s gain and cause them to be weighed by submitting a written protest to the ethics committee prior to the start of the bull show.

16. All females 20 months of age or older exhibited at IBBA sanctioned shows, must have available at the time of check-in, a certificate of pregnancy issued by an accredited, non-owner veterinarian, or blood test results certificate. If the female is open due to being in an embryo transfer program, this fact must be verified in a written statement by a non-owner embryologist. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site and verify pregnancy.

17. All calves exhibited at the side of a Brangus female must be registered with the IBBA and meet all rules required for show eligibility and inspections of exhibits.

18. Animals eligible to be shown in group classes must be entered and shown in respective individual classes. Cows exhibited in the cow/calf classes are not eligible for the group classes.

19. Entries that have not complied with all of the above rules will not be eligible to show, to receive premium monies, or earn points in the IBBA's Show Sire of the Year, Show Dam of the Year, Show Bull of the Year, and Show Heifer of the Year awards.

20. All IBBA and IJBBA members will abide by the show rules as adopted. In addition, any show, fair, event or display in which Brangus cattle participate should follow these rules as adopted by IBBA. All Brangus entries are subject to the provision of a rule of the IBBA entitled “Inspection of Exhibits”.

INSPECTION OF EXHIBITS

1. The IBBA and its representative have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to and cover the enforcement of all show rules as adopted by IBBA.

2. Each exhibitor shall submit his or her registered Brangus cattle to such tests and examinations as requested and/or required by the IBBA, its authorized representatives, or those of the relevant show.

3. For and in consideration of the opportunity to participate in any Brangus function each exhibitor hereby releases the Association, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decision there from.

4. Dental Inspection: All entries may be classified for judging on an age basis and should be entered in class according to age. Teeth may be inspected by a veterinarian designated by the I.B.B.A. in order to determine whether dental development is within allowable limits for the class so entered. If the veterinarian determines that in his opinion dental development exceeds maximum allowable limits, the animal shall be moved to an older class as determined by the veterinarian and shall remain in that class until determined otherwise by subsequent mouthing or favorable appeal to the Executive Committee. If it is not possible to move an animal, the animal may not be exhibited in such show.

5. Any exhibitor desiring to dispute or challenge the results of any such test, exam, or show rule enforcement, as applied to his animals, shall do so in accordance with procedures established by the rules of the IBBA.

6. Appeal: An appeal from the decision of the veterinarian or designated association representatives designated by the I.B.B.A. under sections 2 and 6 of the Inspection of Exhibits may be made to the Executive Committee of the IBBA if the following requirements are satisfied: 1) the appeal is in writing and is signed by the appealing party; and 2) the appealing party files the written appeal with the IBBA Executive Committee as soon as possible after the veterinarian’s or designated association representative’s decision is rendered and in any event within six (6) hours of the time the veterinarian’s or designated association representative’s decision was made. If an appeal satisfying the foregoing requirements is filed with the IBBA Executive Committee, the Executive Committee shall hold a hearing at which the appealing party and the veterinarian or designated association representatives whose decision is being appealed shall present statements and other evidence that are relevant to the matter, following which the Executive Committee shall render a decision which shall be final and conclusive.
IJBA DNA TYPING FOR PARENTAGE VERIFICATION
Each Brangus animal for which an entry application or registration is received may be subjected to a DNA genotyping test in order to verify accuracy of parentage, according to Rules 5, 6, and 7 of the International Brangus Breeders Association (IBBA) Show Eligibility and Inspection of Exhibits. At selected shows and fairs, tail hair samples will be taken from all division champions and reserve division champions, as well as additional random animals, for the purpose of verifying parentage. Staff or a representative of IBBA will supervise the collection of tail hair samples, which can be taken at shows, fairs, and events where IBBA contributes premium money or where IBBA staff personnel participate. If a recorded parent is excluded (as a parent) as a result of DNA analysis, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being listed in the IBBA Registry as a “Parentage Dispute,” and the animal will be ineligible for future shows and exhibitions.

RULES VIOLATION POLICY
1. A show rules violation to be a valid complaint must be accompanied by a written statement describing the violation, the perpetrator of the violation, and signed by an active member of the IBBA. This written complaint will be presented to an Ethics Committee consisting of the Chairman, Vice-Chairman, Executive Committee Liaison, and an appointed member. All four people will be current members of the show committee. A minimum of two of these members must be present at the Show where the rule violation occurs. The Chairman shall appoint other members of the Show Committee to ensure a minimum of two on this committee at each IBBA approved show.
2. The Committee shall rule on the validity of the rule violation. The committee shall visit with the perpetrator, present the written complaint, and make a ruling on the complaint if valid.
3. The perpetrator is entitled to appeal any decision made by the Ethics Show Committee to the Executive Committee of the IBBA but the Executive Committee has the right to disqualify the perpetrator from the IBBA approved show after hearing an appeal. The Executive Committee’s decision will be final.
4. Without the Executive Committee’s decision, the perpetrator cannot be disqualified from this particular IBBA approved show. However, the animal can be disqualified by the Ethics Committee if the rule violation is deemed valid.
5. For and in consideration of the opportunity to participate in any Brangus function, each exhibitor hereby releases the Association, its officers, directors and representatives from negligence, any and all claims, suits, and judgments past, present, or future, arising from or connected with this policy and the resulting decision there from.

These classes will be the same for the Red Brangus Show and Brangus Show

The Texas Limousin Association
P.O. Box 880; Krum, TX 76249; (940) 367-4633

SPECIAL RULES
1. Animals must be registered with the North American Limousin Foundation (NALF).
2. All cattle shown including calves at the side of the dam must be:
   a. 75% Limousin (NALF percentage, not actual) or greater as indicated on orange NALF registration certificates.
   -OR-
   b. Purple-papered Lim-Flex cattle as indicated by NALF registration certificates.
3. Percentage, fullblood, purebred, and Lim-Flex cattle shall compete in the same classes and championships.
4. If a show does not abide by the NALF MOE show rules exhibitors will not be awarded points for that show.
5. Animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and match the registration certificates. If an animal's tattoo is not legible or cannot be read upon initial processing, it will be ineligible to show and not allowed to return with a new or corrected tattoo.
6. To maintain a high degree of confidence in Limousin shows NALF reserves the right to disqualify any animal that has been fitted in an unethical manner. Unethical fitting shall include the following:
   a. Any use of paints, colored show foam, graphite, colored powders or other substances; animals may be subject to white towel test
   b. The addition of any hair or hair-like substances, including false tail heads and false polls (false tail switches are allowed)
   c. The cutting, tearing, or gluing of the hide or underneath the hide or removal of tissue in an attempt to alter the shape of the animal or the injection of any gas, solid or liquid under the hide to alter the normal confirmation
   d. Any products, solutions, or liquids administered internally or externally to alter the conformation of the animal is prohibited. That includes the use of steroids, growth stimulants, and the act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method.
   EXCEPTION: In the case of severely sick or dehydrated animals, the exhibitor may have fluids or electrolytes administered by the licensed official show veterinarian with the approval of the show superintendent or a NALF representative. That exception is not applicable on show day or weigh-in/check-in day.
7. Bulls older than one (1) year must show with a nose lead.
8. Protest against exhibitors, individual animals or fitting violations must be submitted in writing, signed by five (5) active members of the NALF and presented to the show superintendent within 12 hours of the show's completion.
9. NALF reserves the right to mouth animals for dental development.
10. NALF reserves the right to collect hair samples from any animal.
11. Class size shall be to the discretion of the show superintendent and may not contain more than 20 head. The given classes may be split or combined only within their given division.
12. Calves exhibited alongside dams in the cow-calf division are not eligible to show as individuals.
13. Animals shown must be solid red or black above the flanks, excluding birth marks.
14. The following performance data submission requirements must be met by Dec. 1 to receive Medal of Excellence points.
   a. Birth weight (bulls and heifers)
   b. Weaning weight (bulls and heifers)
   c. Yearling weight (bulls and heifers)
   d. Yearling scrotal circumference
   e. Pregnancy test (females older than 600 days at season’s end)
   f. Breeding Soundness Exam and semen test (bulls older than 400 days)
Failure to have performance data on file at NALF will result in disqualification from the MOE program and no points will be awarded. It is the responsibility of the breeder/owner/exhibitor to submit that information without special requests from NALF.

15. To maintain a high degree of integrity and credibility in all Limousin shows, all owners and exhibitors are expected to adhere to all NALF rules and regulations regarding the exhibition of Limousin cattle and to adhere to rules and regulations of particular shows, fairs, and exhibitions.

   3rd Place – 3 points  
   4th Place – 2 points  
   5th Place – 1 point  
No points will be given for champions. Calculation and award for premier breeder is controlled by the Miniature Hereford Breeders Association.
SPECIAL RULES

1. Eligibility for Entry:
   a. To be eligible to exhibit, youth must be three (3) years of age, but not nineteen (19) on January 1 of show year.
   b. Exhibitors must be current active members of the Miniature Hereford Breeders Association. Siblings may share family membership, but all heifers and steers shall be in the individual name of Exhibitor and shown according to Exhibitor’s age in the proper class.
   c. Steers and heifers must be registered in the AHA and meet height requirements in order to participate. No steer certificates allowed.
   d. Steers and heifers that are over the height restriction will be disqualified.
   e. Steers and heifers will be allowed ½ inch over the hip-height chart accepted for use by the MHBA until the animal reaches fourteen months of age. At that point, they must be within the chart range.

2. Rules and Regulations: Rules and regulations of individual shows apply to this division as well as those listed.

3. Ownership:
   a. Ownership of prospect steers must be established no less than thirty days prior to the opening day of the 2020 General Livestock Show.
   b. Ownership of Market steers must be established by August 1, 2019.
   c. Ownership of heifers must be established no less than thirty days prior to the opening day of the 2020 General Livestock Show.
   d. Animals must be in the name of the exhibitor.

4. Possession, Care and Feeding:
   a. Animals entered must be in the possession of the exhibitor no later than the above dates. The exhibitor is responsible for the general custody, care and feeding of their animal when possible, or to help when it is not possible to care for the animal unassisted. Family members and fellow participants may help with these tasks.
   b. All animals in this division MUST be completely broke to lead for the safety of exhibitor and others in the show ring. Animals not deemed fit will be removed from the show ring and disqualified from the competition.

5. Fitting of the Animal:
   a. All animals will be presented in a proper condition for a beef show. Exhibitors are encouraged to help in any way that is safe and possible for them to do so, but not endanger either themselves, their animals, or others in the process.
   b. Alteration of conformation and structure by prohibited substance or unethical fitting is prohibited. Any violation of this rule will result in immediate disqualification without recourse.
   c. The injection, use, or administration of any drug that is prohibited by Federal, State, or Local Law or any drug that is used in manner prohibited by Federal, State, or Local Law will result in immediate disqualification without recourse.
   d. Any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conductive to the continued health or marketability of beef carcasses or for deception will result in immediate disqualification without recourse.
   e. Every participant in consideration of their entry being accepted by the show, specifically represents that no animal entered is misrepresented in any way except trimming of feet and blocking of hair.

6. Official weight and height: The weight and height recorded at check-in will be the official weight and height. Market steer height must be 48 inches or less at the hip at the time of Check-In.

7. Check weight and height: The MHBA reserves the right, at its discretion, to check the weight, height, and tattoo of any animal.

8. Showing of animals:
   a. Exhibitors in this division under the age of 5 will be required to have parental, sibling, or other participant accompaniment in the show ring, except in showmanship classes.
   b. All exhibitors may have parental, sibling, or other participant accompaniment in the show ring, except in showmanship classes.
   c. Exhibitors are to handle the majority of the showing, and the use of the show stick. Assistants may help in the control of the animal. It is not the intent of MHBA for a Youth to walk around the arena while the helper shows for that exhibitor.

9. Show harness: All Youth exhibitors will be required to wear a show number harness for each animal shown in a class. These harnesses hold the number in place in plain sight.

10. Safety: The purpose for the Youth steer classes is to offer the opportunity to young cattlemen and women to participate in shows despite their lack of age required to show in a Junior Show. Although the rules and regulations have been set, safety is the most important factor in this event.

11. Youth female classes may be divided into heats by age and/or number of entries in a class by Show Management.

12. Youth Prospect steers less than 16 months of age, Market steers 16 months of age and older. Prospect and Market steer classes will be divided by weight (and/or number of entries) into classes of Light, Medium, and Heavy by Show Management.

The Santa Gertrudis Breeders International
P.O. Box 1257; Kingsville, TX 78364-1257; (361) 592-9357

SPECIAL RULES

1. All exhibits of Santa Gertrudis breeding cattle must be registered meeting the requirements for registration as outlined in the Santa Gertrudis Rules and Regulations for Registration, and shall be governed by the last revised version of the Rules and Regulations for Approved Santa Gertrudis Open and Junior Shows as approved by the board of Santa Gertrudis Breeders International; P.O. Box 1257; Kingsville, TX 78364. A copy may be obtained by contacting the association or viewed at www.santagertrudis.com.

2. Each owner must be a member in good standing with SGBI. No outstanding balances on an active or junior members account.

3. ALL animals accepted for exhibition in an SGBI sanctioned show are subject to inspection at each show between arrival on grounds and prior to entering the show ring. The inspection will be conducted by a committee comprised of two (2) members of the Shows and Exhibits Committee and one (1) from the Breed Standards Committee.

4. Heifers 24 months of age or older must be safe in calf as verified by a graduate veterinarian or have produced a live, Santa Gertrudis sired calf with that calf at side meeting the Standard of Excellence and the calf must be registered by thirty (30) days of age. If animal is open due to being in an embryo transfer program, this fact must be verified by a written statement signed by a licensed embryo technician.

5. All late summer yearling bulls and older must be exhibited with a nose ring or nose clip.

6. All animals must be registered or recorded and PERMANENTLY identified before the show with a brand ID or an ear tattoo.

7. JUNIOR OWNERS AND POSSESSION RULE
   a. To be eligible to compete in SGBI approved junior shows, animal(s) must be recorded in the name of the junior member. This recorded junior must feed, fit, care for, and show the animal entered. Ownership deadline is April 1 for all animals born May 1 and thereafter, and November 1 for all other animals.
   b. Juniors participating in Open Shows are allowed and encouraged. Entry must be shown by owner or family member (sister, brother, mother, grandparent, legal guardian, relative by blood). No animal may be fitted or shown by an open exhibitor at any time during the junior’s ownership period. An exception is transportation, feed, and care to a show for the duration of the show. In the event of an emergency another junior member may show the animal with the approval of the Shows and Exhibits Chairman or his/her representative.

8. All animals must be exhibited with the hair brushed down on the entire body, legs, and tail with no foreign objects attached to the animal in a manner as to alter the animal’s conformation or change its appearance. *Exhibitors failing to abide by this rule will not be allowed to show. Specifically, all hair must be brushed down slick; head clipped smooth; underline clipped blending sides; udder and teats clipped with no long hair to emphasize udder; ears clipped as to environmental and local standards; neck and brisket clipped; body clip using common sense as to season; leg hair clipped and do not leave long from hock or knee to hoof; tailhead clipped; pull switch or brush out (no ball, etc.); trim tail to personal preference.

9. Each animal exhibited must be exhibited with the correct age and shown in the same class corresponding with their correct age.

10. Entries in each class will be placed 1, 2, 3, etc. Animals are to be presented in descending order according to age.

11. Polled classes will be entered at the same time as class entries are required by each show. Animals will be lined up according to age for the judge. To be eligible to show in Best of Polled, animals must be slick polled with no scurs, no scars, no dehorning and with no evidence of horny tissue.

12. Classes with over thirty (30) entries should be divided into sections and section winners return for final placing.

13. The judge should be an SGBI approved judge.

14. Dress for exhibitors participating in SGBI sanctioned Open and Junior shows shall be of neat and clean clothing of collared
15. Each animal shall be presented in the show ring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical, or other appearance change, save only branding, tattooing, foot trimming or dehorning. Additionally, no pumping or filling of an animal with a liquid, air, or any other substance is allowed. ALL animals and exhibitors found to be in violation of this rule will be banned for life from showing at SGBI approved shows.

16. If entries are not properly fitted and good herdsmanship followed, the owner may be asked to not display their cattle until adhering to the proper procedures as outlined in our herdsmanship paper.

17. Every exhibitor, in consideration of his/her entry being accepted, agrees to submit any animal so entered by him/her to inspection and agrees to have such animal submitted to any test as may be designated and requested by the Shows and Exhibits Committee, or the authorized representatives of the relevant show or fair, and agrees that the conclusions reached by the committee/representative as to whether such animal is unethically fitted or over age, shall be final, without recourse, against SGBI and designated personnel. Any false representation, interference or unprofessional conduct on the part of any exhibitor will be dealt with by the Shows and Exhibits Committee according to the equities of the case.

18. For and in consideration of the opportunity to participate in any SGBI approved show, each exhibitor hereby releases SGBI, its officers, directors and representatives from negligence, any and all claims, suits and judgments, either past, present, or future, arising from or connected with the administration or use of such test or examination and the resulting decision therefrom.

19. Any exhibitor desiring to dispute or challenge the results of any test, exam, or show rule enforcement, as applied to his/her animals, shall do so in accordance with procedures established by the rules of the association. This refers to, but is not limited to, the procedures to file protest and appeals process.

20. Appeals:
   a. The Chairman of the Shows and Exhibits Committee and the Vice President of Youth Activities in conjunction with the person(s) responsible for coordinating the individual shows will continue to be primarily vested with authority to determine whether animals entered shows meet the standards formally approved by the Breed Standards Committee.
   b. In the event the Vice President of Youth Activities or individual show coordinating official disqualifies an animal from participating in a youth show and the exhibitor wants to appeal the disqualification, the appeal process outlined below must be followed.
   c. In the even the Chairman of Shows and Exhibits or individual show coordinating official disqualifies an animal from participating in a sanctioned show, and the exhibitor wants to appeal the disqualification, the appeal process outlined below must be followed.
   d. Additionally, any exhibitor participating in an individual youth show or other SGBI sanctioned show that wants to appeal a breed standards disqualification decision by either the Vice President for Youth Activities/youth show coordinating official or the Chairman of Shows and Exhibits/show coordinating official must follow the appeals process outlined below.

Appeals Committee
The appeals committee will be comprised by the following three (3) members- the Vice President of Breed Improvement, the Vice President of Marketing and Promotions, and the Executive Director of SGBI. All three (3) members must be present to constitute a quorum. All decisions rendered by the Appeals Committee will be binding and final for all appeals submitted to the committee.

Appeals Procedure
   a. All qualifications/disqualification appeals and appropriate supporting documentation submitted by exhibitors must be submitted in writing to the Executive Director of SGBI. The written appeal must be accompanied by a $200 process fee. No waivers will be granted to the requirements for written appeals and the upfront $200 fee.
   b. Exhibitors must file written appeals postmarked or via email within five (5) business days following the date of the show governing the qualification/disqualification decision by the primary officials (Vice President of Youth Activities/show coordinating official or Chairman of Shows and Exhibits/show coordinating official).
   c. The Executive Director will be responsible for coordinating meetings of the Appeals Committee and forwarding copies of the appeal and supporting documentation to the other committee members.
   d. The Appeals Committee will render a final decision within five (5) business days following receipt of the written appeal, appropriate supporting documentation and the $200 fee.
   e. In the event an exhibitor appeals a disqualification decision by the primary official and the Appeals Committee approves the exhibitor’s appeal, the animal covered by the appeal will be qualified to participate in all future SGBI sanctioned events.
   f. In the event an exhibitor appeals a disqualification decision by the primary official and the Appeals Committee disapproves the exhibitor’s appeal, the animal covered by the appeal will be disqualified from participating in future SGBI sanctioned events. Additionally, any points or awards previously given to the owner of the animal will be forfeited.
   g. In the event an exhibitor appeals a qualification decision by the primary official and the Appeals Committee rules that
the animal covered by the appeal does not meet breed standards, the covered animal will be disqualified from participating in future shows and the owner of the animal will forfeit any points and awards previously granted.

21. Procedures to File Protest:
   a. File protest with the show that infraction occurred. Follow their protest rules.
   b. File the same protest with the Shows and Exhibits Committee. Contact the chairman.
   c. Three (3) exhibitors in good standing must sign the protest.
   d. All protests must be in writing and accompanied by a deposit of $100.00, cash or certified check, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of the complaint or appeal and must be delivered to the Shows and Exhibits Committee within twenty-four (24) hours after the occasion for such protests.
   e. Order of hearing a protest:
      i. Chairman of Shows and Exhibits Committee
      ii. Action by Shows and Exhibits Committee
      iii. Final action by Board of Directors
      iv. Follow appeal procedure as outlined in Rules and Regulations
   f. All rules and regulations that have been properly protested to the Shows and Exhibits Committee shall be subject to the following penalties:
      i. Loss of Premium Money
      ii. Loss of Awards
      iii. Suspension from showing that animal as deemed necessary. Penalty may be for one, two, or three shows or as long as deemed necessary for the offense.
      iv. Suspension of the exhibitor being the same as other SGBI Rules and penalties.

22. Failure to adhere to each show's specific rules shall also be subject to these penalties. Proper protest procedures must be adhered to according to that particular show's rules. SGBI will follow each show's rules and any action taken by a show will be upheld by SGBI in relation to its bearing on our point show system.

23. Disqualifications: An exhibitor who has been disqualified from competition in any livestock show or has had a premium withheld or withdrawn on the grounds of rule violation(s) will not be allowed to compete in other shows. This shall include, but is not limited to, disqualification for fraud, misrepresentation, unethical fitting or deception. Judging procedures will not be interrupted for protest investigation; and depending on the basis of the protest, a decision may be withheld until a thorough investigation is completed. No complaint or appeal regarding a judge's decision or method of selection will be considered. Show officials may excuse an exhibitor from the ring and exclude them from further competition if an exhibitor, in any way, whether in person or by their representative interferes or shows disrespect to a judge or show official. In the event that an exhibitor or animal is disqualified after they have been awarded premiums or awards, the exhibitor or animal placing immediately below them may be moved up to fill the vacated position at the discretion of the Shows and Exhibits Committee.

24. Rules for High Point Awards
   a. For each point show, first place class winner will receive 2 points; second place class winner receives 1 point; Division Champion receives 3 points; Reserve Division Champion receives 2 points; Grand Champion receives 5 points and Reserve Grand Champion receives 4 points; Best of Polled receives 1 point but does not count toward overall points.
   b. Get of Sire and Produce of Dam points go toward Exhibitor/Breeder of the Year Awards.
   c. Points will stay with animal if sold.
   d. The Sire and Dam of the Year should have points from at least two (2) different offspring.
   e. All points earned at the National Open Show are to be doubled.

25. DNA Testing - SGBI and its representatives have the authority to require such tests as they deem necessary to verify the accuracy of the classification, pedigree of exhibited animals, and parentage verification of Star 5, including calves exhibited at the side of any female. “Said authority shall extend to and cover the enforcement of all show rules as adopted by SGBI.”

Entry in the Open Texas Longhorn Show must be made online and all entry fees and documentation must be sent to the Livestock Office by December 15th to be considered official. Additional fees and documentation may be requested by the association(s), but will be handled separately.

HALTERED SPECIAL RULES
1. All rules in the TLBAA & TLBT Official Handbook apply.
2. Any member in good standing of the TLBT may show in TLBT shows through High School Graduation or Graduating Senior not exceeding 19 years of age on National Show date (June).
3. Longhorn calves must be registered with the Texas Longhorn Breeders Association of America and must be 180 days of age to show. However, they are not required to be registered in the name of the youth. A copy of said registration must accompany all entry forms for verification of age and registration – no pending registrations will be accepted.
4. Cattle may be subjected to mouthing by a certified veterinarian for verification of age.
5. Texas Longhorn Breeders of Tomorrow shows are considered open shows. Cattle may be owned by youth, ranch or other breeders of Texas Longhorn cattle.
6. NOSE LEADS with strap (not tongs) will be used on bulls 12 months and over.
7. A dress code will be enforced at these shows. The dress code will be: Western attire, long sleeve shirt with collar and cuffs. Western boots and western jeans are to be worn while in the ring. Western hats (not caps) may be worn. Violators of this rule will be disqualified upon the discretion of the show committee.
8. All Longhorn exhibitors must contact the STLA representative listed above, prior to sending entries, in order to insure inclusion in the show program and in order for points to be properly recorded and reported.

NON-HALTERED SPECIAL RULES
1. Animals must be registered with the TLBAA and must be 180 days of age to show. Nursing calves (205 days or less) may be shown with its dam at owner’s discretion. Exhibitor must be in good standing of TLBAA.
2. This show is recognized as a World Qualifying Open Show and will therefore be governed by the rules and regulations for the qualifying circuit and the Texas Longhorn World Show in addition to the rules of the San Antonio Stock Show & Rodeo.
3. The 1st and 2nd place animals in their respective class are automatically qualified for the World Show. In the event the 1st and/or 2nd place animals have already qualified at a previous show, the 3rd and/or 4th place animals are qualified etc. Class numbers are for this show only. Age breaks are the same for the World Show.
4. All Longhorn exhibitors must contact the STLA representative listed above, prior to sending entries, in order to insure inclusion in the show program and so that qualifying information for the World Show may be properly recorded and reported.
5. Show order for Non-Halted Texas Longhorn classes may be determined by Show Management at time of show.

Release: After Judging
(All dairy cattle must be out by 8 PM, Feb. 8)

This show is subject to the San Antonio Stock Show & Rodeo General Rules, and the Special Rules listed in this section.

SPECIAL RULES

In the event of bulk milk sales, samples will be taken and tested for antibiotic residues. If residues are found, milk payments will not be made. Contributing exhibitor will be disqualified.

In the event of bulk milk sales all proceeds will be disbursed in accordance with guidelines set by the Texas Purebred Dairy Cattle Association. The San Antonio Stock Show & Rodeo reserves the right to keep, sell, or not sell any or all of the milk collected during the Dairy Cattle Show.

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. The San Antonio Stock Show & Rodeo reserves the right to use any Dairy Cattle for the Dairy Judging Contest.

2. **Ownership/Registration:** Animals must be registered in the Herdbook of their Association in the name of the owner(s) not less than thirty days prior to the opening day of the General Livestock Show (Feb. 6, 2020). Purchase, delivery, possession, recording and registration must all take place not less than thirty days prior to the opening day of the General Livestock Show. Original Registration Certificates must be available at all times.

3. **Double Entry:** Junior Dairy Cattle may double enter in the Open Dairy Cattle Show.

4. **Milking:** A milk out may be requested by an owner if the request is made prior to judging and filed according to official protest procedures. The judge will make the final decision.
5. **Unethically Fitted Livestock:** As per Rule # 29 of the General Rules, the showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered, and the misrepresentation of breeding or milking status, are prohibited. Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means, as well as changing the normal conformation of any part of the animal’s body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal.

7. **Stalling:** Double-entered animals will be assigned one stall only. Stalling will occur at the direction of the Superintendent. **No automatic waterers will be allowed.**

8. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. **Cable halters and pronged chains are prohibited for all species.**

9. **Show Order:** Junior & Open Dairy shows will occur simultaneously in the Cattle Barn Arena. Exhibitors will only receive premiums and prizes for the respective shows they are entered.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Special Rules, and Special Rules listed in this section.

SPECIAL RULES

1. **Eligibility:** The Junior Gilt Show is open to gilts only. **Gilts may not double enter in the Junior Gilt Show and the Junior Crossbred Gilt Show.**

2. **Entry:** Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Purebred gilts may be double-entered in the Open Purebred Gilt Show but must have been submitted as a separate entry via online entry system.

3. **Number Shown:** Each owner may enter a maximum of two (2) head in the Junior Purebred Gilt Show.

4. **Ownership/Registration:** Animals must be registered in the Herdbook of their Association in only the name of the Junior owner on or before December 1, the year preceding the show. Purchase, delivery, possession, transfer and registration must all take place on or before December 1, the year preceding the show. Original Registration Certificates must be available at all times.

5. **Validation:** To be eligible to exhibit in the Junior Purebred Gilt Show, all gilts must be validated in the Texas 4-H and FFA Swine Validation Program. Each entry must have been recorded on a 4-H or FFA Swine Validation Form Master List completed by the County Level State Swine Validation Committee. Failure to comply with the rules and regulations of the Texas Swine Validation Program in any manner will result in immediate disqualification. **All Registration Papers for Purebred Gilts must be uploaded by December 15, 2019.**
6. **Penning:** Junior Purebred Gilts will be stalled on a first come-first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be penned together must arrive together at the SCP Staging Area. Only purebred gilts entered in the Purebred Gilt Show may arrive on grounds. Exhibitors are encouraged to bring pen dividers. *Junior Purebred Gilts and Junior Crossbred Gilts may be stalled separately.*

7. **Re-Penning:** No Junior Purebred Gilts shall remain in Morris Activity Center pens after 6 PM on Friday, February 7th. Exhibitors are to adhere to instructions from Show Management on re-penning procedures.

8. **Pens:** Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.

9. **Show Check-in Procedures:** Exhibitors must check-in and complete the Junior Purebred Gilt Kiosk Card. *Check-in for the Junior Purebred Gilt show does not constitute check-in for the Open Purebred Gilt Show.* Upon completion, the exhibitor will be given the remaining sections of the Junior Purebred Gilt Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

10. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers which require an electrical current are allowed to be used on Junior Purebred Gilts once they arrive on the grounds. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

11. **Class Premiums:** The following premium schedule will apply to all classes.

12. **Judging:** Insofar as possible, a Top 5 will be selected from each breed. Only 1st and 2nd place gilts from each class will be eligible for Top 5 awards within each breed. All eligible 1st and 2nd place gilts must participate in the Breed Champion Drive or be subject to disqualification. Similarly, all Breed Champions and Reserve Breed Champions must participate in the Overall Supreme Champion Purebred Gilt Drive or be subject to disqualification. Only Breed Champions & Reserve Breed Champions will participate in the Overall Supreme Champion Purebred Gilt Drive.

13. **Top 5 Awards:** The following awards will apply to all breeds.

- **Breed Champion:** $150 + Buckle + Banner
- **Breed Reserve Champion:** $125 + Buckle + Banner
- **Breed 3rd Overall:** $100 + Banner
- **Breed 4th Overall:** $75 + Banner
- **Breed 5th Overall:** $50 + Banner

14. **Age:** All gilts must have been farrowed between **July 1 and September 10, 2019 inclusive.**

15. **Classes:** Classes within each breed will be broken by age following Check-In. There will be 42 classes of gilts (excluding champion classes). The number of classes per breed will be determined following check-in and based upon the percentage of that breed to the total number of gilts in the show. Each breed will have a minimum of two classes. In the event of a large number of gilts with the same age, the show may break them into multiple classes using another method other than age. To more effectively break classes, age may be grouped by a maximum of 3 days and classes then broken using another method other than age.

*Qualifying gilts must stay to attend the Crossbred Gilt Sale on Fri., Feb. 7 at 1 PM. (All Crossbred Gilts must be out of MAC by 6 PM, Feb. 7)

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Special Rules and Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. The Junior Crossbred Gilt Show is intended to be an exhibition of gilts suited for club pig production. Gilts are not required to be registered. All breed types will show together within weight divisions. Gilts may not double enter in the Junior Purebred Breeding Gilt Show and the Junior Crossbred Gilt Show.

2. Validation: To be eligible to exhibit in the Junior Crossbred Gilt Show, all gilts must be validated in the Texas 4-H and FFA Swine Validation Program. Each entry must have been recorded on a 4-H or FFA Swine Validation Form Master List completed by the County Swine Validation Committee. Failure to comply with the rules and regulations of the Texas Validation Program in any manner will result in immediate disqualification.

3. Show Check-in Procedures: Exhibitors must Check-In and complete the State Validation Tag Number, Weight, Sire, Dam’s Sire, and remaining sections of the Kiosk Card. Upon completion, the exhibitor will be given the Exhibitor copy of the Kiosk Card. Exhibitors will not be allowed to show without the Kiosk Card in hand. Check-In must be completed by 4 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. Number Shown: Each owner may enter a maximum of one (1) head in the Junior Crossbred Gilt Show.
5. **Penning:** Junior Crossbred Gilts will be stalled on a first come-first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be penned together must arrive together at the SCP Staging Area. Only crossbred gilts entered in the Crossbred Gilt Show may arrive on grounds. Exhibitors are encouraged to bring pen dividers. **Junior Purebred Gilts and Junior Crossbred Gilts may be stalled separately.**

6. **Re-Penning:** No Junior Crossbred Gilts shall remain in Morris Activity Center pens after 6 PM on Friday, February 7th. Exhibitors are to adhere to instructions from Show Management on re-penning procedures.

7. **Show Weights:** Weight limits are: minimum 230 lbs. and maximum 340 lbs. inclusive. Exhibitors will turn in the official show weight for their gilts. All gilts with weights turned in below the minimum (230 lbs.) or above the maximum (340 lbs.) will be sifted. Weight changes will not be allowed at any time after Check-In.

8. **Re-Weigh:** All gilts penned for placing consideration will be re-weighed. Upon re-weigh, gilts weighing more than 15 pounds heavier than the official turn-in weight will be disqualified.

9. **Ear Tags:** All ear tags, with the exception of TX Validation Tag and USDA Official Premises Identification Number (PIN) tags, must be removed before showing. The TX Validation Tag number will be used for animal identification. No tag alterations- Any change in size, shape, form, or color will void the tag.

10. **Ear Notches:** All animals must be properly ear notched within seven (7) days of birth with a litter notch in the right ear and individual notch in the left ear to be eligible for the Texas 4-H and FFA Swine Validation Program. Animals not properly notched in both ears will be subject to disqualification.

11. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to rule #28 of the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.

12. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers which require an electrical current are allowed to be used on Junior Crossbred Gilts once they arrive on the grounds. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

13. **Exhibitor Numbers:** Exhibitors will be assigned a back number. This number must be displayed by the exhibitor when the project is being judged.

14. **Pens:** Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.

15. **Signs:** No sign, which refers in any way to a commercial product, including “For Sale” signs, may be placed over any livestock exhibit; such signs will be confiscated.

16. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors’ convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.

17. **Classes:** Superintendents will break classes after all weights have been turned in. In the event of a large number of gilts with the same weight, the show may break them into multiple classes using another method other than weight. To more effectively break classes, weights may be grouped by a maximum of 4 lb. increments and classes then broken using another method other than weight.
18. **Crossbred Gilt Divisions**- Classes within each division will be broken by weight.

*Light Weight Division*
There will be a minimum of 3 classes. Additional classes may be added at the discretion of Show Management.

*Medium Weight Division*
There will be a minimum of 3 classes. Additional classes may be added at the discretion of Show Management.

*Heavy Weight Division*
There will be a minimum of 3 classes. Additional classes may be added at the discretion of Show Management.

19. **Premiums**: The following premium schedule will apply to all classes.

**Junior Crossbred Gilt Sale**

20. **Sale**: A minimum of 35 and maximum of 50 gilts will be eligible to sell in the Crossbred Gilt Sale, a public auction of crossbred breeding gilts on Friday, February 7, 2020 at 1 PM.

21. **Selection**: All class winning (1st place), Division Champion and Division Reserve Champion gilts in the Crossbred Gilt Show will automatically qualify for the Crossbred Gilt Sale and be required to sell. Remaining sale lots will be selected by the judge. The judge is not required to select an equal number of gilts from each weight class or division. **All gilts selected to the Crossbred Gilt Sale must sell, no exceptions.**

22. **Sale Order**: Sale order will be determined by Show Management.

23. **Animal Care**: Each exhibitor will be responsible for the care of their gilt throughout the duration of the show & sale, including walking the animal through the sale arena.

24. **Sale Conditions**: The San Antonio Stock Show & Rodeo makes no warranties, either expressed or implied, regarding any animal in the sale. The descriptions and other information regarding individual animals will be supplied by the exhibitor, and the show neither warrant, nor assume any liability for the accuracy or completeness of such information. All gilts will sell **as-is** with no implied guarantee of quality, longevity, structural or breeding soundness.

25. **Sale Commission**: A 15% commission will be collected on each gilt qualifying for the auction.

26. **Exhibitor Buybacks**: All gilts selected to the Crossbred Gilt Sale must sell, no exceptions. However, an exhibitor whose gilt is selected for the sale may buy back their gilt using a buyer number registered in the exhibitor’s name only. The exhibitor is then responsible for payment of the 15% sales commission before the gilt is eligible to be released. Gilts purchased by anyone other than the exhibitor are to be paid for according to full sale price through the auction before they are eligible to be released.

27. **Sale Release**: Gilts that have been purchased and paid for in full may leave immediately. Buyers are expected to have completed the payment process no more than 1 hour after the conclusion of the sale. No Junior Crossbred Gilts shall remain in Morris Activity Center pens after 6pm on Friday, February 7th. Exhibitors are to adhere to instructions from Show Management on re-stalling procedures.

28. **Validation**: If ownership changes or has the possibility of changing through a sale offering (including animal(s) purchased back by the exhibitor), regardless of method or length of time, that chain of animal ownership is considered broken (See Rule #11, Junior Show Rules). Based on this rule, after a gilt has been selected for the Crossbred Gilt Sale, validation becomes void.

*Buyer Information*—For more sale information, please contact the Livestock Office at 210-225-0575 or visit the website at [https://www.sarodeo.com/livestock/junior-crossbred-gilt-show-sale](https://www.sarodeo.com/livestock/junior-crossbred-gilt-show-sale)

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

**SPECIAL RULES**

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Goats may be double-entered in the Open Breeding Goat Show but must have been submitted as a separate entry via online entry system.

2. **Ownership/Registration:** Breeding Boer goats must be registered with the American Boer Goat Association (ABGA) in only the name of the Junior owner. Breeding Angora goats must be registered in the Herdbook of their Association in only the name of the Junior owner. **Partnership animals are ineligible for the Junior Show.** Original Registration Certificates must be available at all times. Purchase, delivery, possession and registration must all take place on or before:
   - **Angora Goats:** November 1, the year preceding the show.
   - **Boer Goats:** October 1, the year preceding the show.

3. **Validation:** To be eligible to exhibit in the Junior Breeding Boer Show (Percentage and Fullblood), all goats must be validated in the Texas 4-H and FFA Breeding Goat Validation Program. Each entry must have been recorded on the Texas 4-H and FFA Breeding Goat Master List completed by the County Goat Validation Committee. Failure to comply with the rules and regulations of the Texas 4-H and FFA Breeding Goat Guidelines in any manner will result in immediate disqualification. Goats must be re-validated each year preceding the show. **Angora goats are not required to be validated.**

4. **Show Check-in Procedures:** Exhibitors must check-in and complete the Junior Breeding Goat Kiosk Card. Check-in for the Junior Breeding Goat show does not constitute check-in for the Open Breeding Goat Show. Upon completion, the exhibitor will be given the remaining sections of the Junior Breeding Goat Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

5. **Identification:**
   - **Angora Goats:** Must have a legible ear identification number, either tag or tattoo, corresponding to the Original Registration Certificate upon arrival on the Grounds.
   - **Boer Goats:** Must have an ear tag that corresponds with the individual goat tattoo and the Original Registration Certificate. The flock tattoo must be in the appropriate ear.

6. **Number Shown:** Each owner may show up to two (2) animals in each single class.

7. **Abnormalities:** Goats showing any pronounced defect or abnormality will be barred from showing at the discretion of Show Management.

8. **Goat Age:** Angora goats will be shown by the age on the Original Registration Certificate. Birth Dates listed on the Original Registration Certificate will be used to determine the appropriate class.

9. **Shearing Guidelines:**
   - **Angora Goats:** Must be machine shorn to the skin on or after July 15, the year preceding the show and may not have a staple length greater than 8” on show day.
   - **Boer Goats:** Clipping will be left up to the discretion of the exhibitor.

10. **Pens:** The show reserves the right to pen a minimum of three head per pen. Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.

11. **Trimming Tables:** Trimming tables will be allowed in the barn and must be placed in locations designated by the Superintendents.
12. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

13. **General Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, feed, etc.) is strictly prohibited.

14. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. **Cable halters and pronged chains are prohibited for all species.** Exhibitors will be allowed to use halters or collars in the show ring.

15. **Animals Outside of Barns:** Goats must remain inside the Cattle Barn #2, Morris Activity Center, Swine Barn or the designated exercise area at all times. Any animal found outside of this area will be subject to disqualification.

16. **Heelers/Assistant:** The use of heelers (assistants in the show ring) is not permitted.

17. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

18. **Premiums:** The following sliding scale of placings and premiums apply.

**Premium Payout:**

The Junior Wether Doe Show is intended to be an exhibition for does suited for market wether production. Does are not required to be registered. All breed types will show together within age divisions. Does may not double enter in the Junior Breeding Goat Show and the Junior Wether Doe Show.

2. Validation: To be eligible to exhibit in the Junior Wether Doe Show, all does must be validated in the Texas 4-H and FFA Breeding Goat Validation Program. Each entry must have been recorded on the Texas 4-H and FFA Breeding Goat Master List completed by the County Level State Breeding Goat Validation Committee. Failure to comply with the rules and regulations of the Texas 4-H and FFA Breeding Goat Guidelines in any manner will result in immediate disqualification. Does must be re-validated each year preceding the show.

3. Show Check-in Procedures: Exhibitors must Check-In and complete the State Validation Tag Number, Weight, and remaining sections of the Kiosk Card. Upon completion, the exhibitor will be given the Exhibitor copy of the Kiosk Card. Exhibitors will not be allowed to show without the Kiosk Card in hand. Check-In must be completed by 1 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. Shearing: Does must be shorn slick to the skin above knee and hock joints before arrival on the grounds.

5. Ear Tags: All ear tags except the TX Validation Tag and Scrapie tag must be removed before showing. The TX Validation tag number will be used for animal identification. No tag alterations – Any change to size, shape, form, or color will void the tag.
6. **Number Shown:** Each owner may show up to two (2) animals in each age division.

7. **Abnormalities:** Does showing any pronounced defect or abnormality will be barred from showing at the discretion of Show Management.

8. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Wether Does once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

9. **Animals Outside of Barns:** Does must remain inside the Cattle Barn #2, Swine Barn, Morris Activity Center or the designated exercise area. Any animal found outside of these areas will be subject to disqualification.

10. **Goat Age:** Goats will be shown according to tooth development. There will be no appeal from this determination.
   a. **Doe Kid Division** – All does must be carrying all milk teeth at the time of Check-In and Show. Does which show either or both of their first pair of permanent incisors will **not** be eligible to show in the Doe Kid Division.
   b. **Yearling Division** – All does must show one or both teeth of first pair of permanent incisors. Does which show one or both teeth of the first pair of permanent incisors are eligible to show **only** in the Yearling Division.
   c. **Aged Division** – All does must show more than the first pair of permanent incisors. Does which show more than the first pair of permanent incisors are eligible to show **only** in the Aged Division.

11. **Show Weights:** Exhibitors will turn in an official show weight for their goat. All goats must meet the minimum weight requirement of 50 lbs. Weight changes will not be allowed at any time.

12. **Re-Weigh:** Goats will be weighed at the time of judging. Upon re-weigh, goats weighing more than 4 lbs. heavier than the official turn-in weight will be disqualified.

13. **Pens:** The show reserves the right to pen a minimum of three head per pen. Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.

14. **Trimming Tables:** Trimming tables will be allowed in the barn and must be placed in locations designated by the Superintendents.

15. **General Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, feed, etc.) is strictly prohibited.

16. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. **Cable halters and pronged chains are prohibited for all species.** Exhibitors will be allowed to use halters or collars in the show ring.

17. **Heelers/Assistants:** The use of heelers (assistants in the show ring) is not permitted.

18. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.
19. **Premiums**: The following sliding scale of placings and premiums apply.

SPECIAL RULES

1. **Eligibility:** All exhibitors must meet and abide by all rules in the current San Antonio Stock Show & Rodeo Livestock Premium List, including General Rules, Junior Rules and Special Rules in Departments JH and OB. Only exhibitors that are entered in the San Antonio Stock Show & Rodeo Junior Heifer Show through 4-H or FFA and have purchased a heifer directly from a Superbowl Sponsor are eligible to enter the Superbowl. Additionally, only heifers entered in the San Antonio Stock Show & Rodeo Junior Heifer Show are eligible to enter the Superbowl. Each animal entered in the Superbowl shall be subject to DNA testing as deemed necessary at the discretion of the Superbowl Show Coordinators.

2. **Entry:** Superbowl entry deadline is December 10, 2019. Official Superbowl entry forms are posted at: [www.simmental-simbrahsuperbowl.com](http://www.simmental-simbrahsuperbowl.com) or they can be obtained from Tim Smith; P.O. Box 330; Giddings, TX 78942; (phone: 512/587-7896). Completed Superbowl entry forms and a copy of the registration certificate must be returned to Tim Smith at the address listed above by December 10, 2019. Superbowl entries will NOT be taken by the San Antonio Stock Show & Rodeo Livestock Office.

3. **Heifer Classes:** Simbrah, Simmental, and Sim-Angus heifer classes will be made once all entries are received.

4. **Heifer Premium Schedule:**

   - **Grand Champion Simbrah & Simmental Heifers**
   - **Reserve Grand Champion Simbrah & Simmental Heifers**
   - **Percentage Simbrah, and Sim-Angus premiums**

   
   
   Grand Champion Simbrah & Simmental Heifers $1,500.00
   Reserve Grand Champion Simbrah & Simmental Heifers $1,000.00
   
   Percentage Simbrah, and Sim-Angus premiums will be decided once all entries are received.

   Additional Premiums for Division and Reserve Division Heifer Champions will be awarded depending on the number of Superbowl sponsors and entries. Each class winner will be awarded a belt buckle.

5. **Showmanship:** Showmanship will be held prior to the Heifer Shows. Showmanship will consist of five or more age divisions. Premiums will be awarded to overall Champion and Reserve Champion Showman based on the number of Superbowl Sponsors. First and second place winners in each division will be awarded belt buckles. Superbowl exhibitors are required to participate in showmanship with one of their own entries or they forfeit all Superbowl premiums.

6. **Scholarships:** Scholarship awards of $250.00 will be provided to Superbowl exhibitors via random drawing at the conclusion of the event based on the number of Superbowl sponsors and entries.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

SPECIAL RULES

1. Entry Fees: Breed Associations may require additional entry fees. Please read association guidelines.

2. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each owner may enter a maximum of one heifer.

3. Double Entry: Heifers may be double entered in the Open Show if they are eligible under Department Open Beef. Junior Heifers may be double-entered in the Open Breeding Beef Show but must have been submitted as a separate entry via only entry system.

4. Validation: To be eligible, heifers must be validated with the Texas 4-H and FFA Breeding Heifer Validation Program administered by the Texas A&M AgriLife Extension Service and the Texas Education Agency. DNA Samples will be collected on Breed Champion and Reserve Breed Champion heifers as well as any other heifer designated by Show Management. In the event the DNA analysis reveals there is not a positive match, the animal will be disqualified. The deadline for heifer validation is November 1, 2019, but exhibitors need to check with their local County Extension Agent or Agriculture Science Teacher for local/county deadlines.

5. Ownership/Registration: Animals must be registered in the Herdbook of their Association in only the name of the Junior owner on or before November 1, the year preceding the show. Purchase, delivery, possession, transfer, and registration must all take place on or before November 1, the year preceding the show. Original Registration Certificates must be available at all times.
6. **Stalling:** Junior Breeding Heifers will be stalled upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the Salado Creek Property. Stalls cannot be covered with tarps, covers, etc. No stalls will be used for tack or lounging.

7. **Check-In:** Upon entering the show grounds, all junior heifer exhibitors must Registration Paper Check-In their heifers at the announced location to verify their arrival. Heifers that are not checked in at the announced location will **not** be allowed to show.

8. **Judging:** Junior Heifers will be shown by breed within 3 divisions:
   
   a. American (ARB, Beefmaster, Brahman, Brangus, Red Brangus, Santa Gertrudis, Simbrah)
   
   b. British (Angus, Hereford, Red Angus, Shorthorn)
   
   c. Continental (Charolais, Chianina, Limousin, Maine-Anjou, ORB, Simmental).

   After all of the breeds have been judged, all Breed Champions and Reserve Breed Champions will compete within their respective division for Division Champion & Reserve Division Champion. Finally, all Division Champions and Reserve Division Champions will compete for Overall Supreme Champion and Overall Reserve Supreme Champion.

9. **Premium Schedule:** To be determined for each breed at the conclusion of the show. Premium amounts may vary among breeds.

10. **Fitting:** This is a “Blow and Go” Show. Grooming or fitting with foreign material that includes (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

11. **Fans:** Fans will not be permitted in aisles. No fans are permitted behind the cattle. Only 1 fan per 5 head is permitted. *Portacool or similar fans will not be permitted on Grounds.*

12. **Trim Chutes:** No trim chutes are permitted on the grounds during the Junior Heifer Show.

13. **Clippers:** No clippers, which require an electrical current, are allowed to be used on Junior Heifers once they arrive on the grounds. Cordless clippers are allowed.

14. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. *Cable halters and pronged chains are prohibited for all species.*

15. **Breed Association Rules:** Owners must comply with the special rules of the respective breed associations.

16. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

American Angus Association®
3201 Frederick Ave.; St. Joseph, MO 64506; 816-383-5100
Texas Angus Association
131 E. Exchange Ave. #116; Fort Worth, TX 76164; 817-740-0778

SPECIAL RULES
1. The American Angus Association®, 3201 Frederick Avenue; St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, bred and owned heifers, bred and owned bulls, cow/calf pairs and registered Angus steers as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

2. A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums. Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

3. To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

4. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association’s portion of premiums. The Association does not pay a percentage on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

5. Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

6. Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.

7. Only one person at a time shall lead an animal into the show ring.

8. Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.

9. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
10. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.

11. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

12. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

1. Entrants are subject to the Rules of the BBU/JBBA.
2. Sire must be BBU-Certified.
3. Dam must be BBU-Certified Purebred or Second Cross.
4. Original Certificate of Breeding is required.
5. Tattoos and/or brands must be legible and match with Certificate of Breeding.
6. All animals must be shown with their hair coats lying downward and flat against their entire body. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the topline of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal's body. No animals may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards and points from the show.

The registration certificates for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.
BRANGUS
Judge: Tim Fitzgerald – PA

Premiums
San Antonio Stock Show & Rodeo $ 700
Texas Brangus Breeders Association $ 500
Total $ 1,200

International & Texas Brangus Breeders Associations
P.O. Box 696020; San Antonio, TX 78269-6020; 210-690-0044

SPECIAL RULES
1. Animals must be registered with the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA sponsored show. Animals recorded in the IBBA appendix registry are disqualified. The Original Registration Certificate for each entry must be available for presentation to the superintendent or show manager at the time entries are verified prior to judging.

2. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.

3. Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap, will be disqualified from showing. Animals with illegal white (white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black) are ineligible for show. Any animal upon check-in, which does not have a legible tattoo or brand corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.

4. Each Brangus animal for which an entry application or registration is received may be subjected to a DNA genotyping test in order to verify both accuracy of parentage and DNA/blood type, according to Rules 1 and 2 of the International Brangus Breeders Association (IBBA) Inspection of Exhibits. At selected shows and fairs, blood samples will be taken from all division champions and reserve division champions for the purpose of verifying parentage and DNA/blood type. Staff or representative of IBBA will supervise the collection of blood samples which can be taken at shows, fairs and events where IBBA contributes premium money or where IBBA staff personnel participate. Cost of the DNA/blood typing procedure will be paid for by IBBA. If a recorded parent is excluded (as a parent) as a result of DNA/blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being listed in the IBBA Registry as a “Parentage Dispute,” and the animal will be ineligible for future shows and exhibitions.

RED ANGUS

Judge: Josh Taylor- OK

Premiums
San Antonio Stock Show & Rodeo $ 700
Total $ 700

The Texas Red Angus Association
PO Box 98; Morgan Mill, TX 76465

SPECIAL RULES
1. Only registered Red Angus cattle in Category 1A (100%) will be eligible to show. This specifically excludes cattle in Category 1B, Category II and Category III.
2. All animals entered must conform to all show and Association eligibility requirements.
3. Cattle entered in any Red Angus show must be officially registered in one of the following: Red Angus Association Herdbook, in the Herdbook of the Canadian Angus Association or any foreign Angus Association Herdbook recognized by the Red Angus Association of America.
4. Entries in classes at any Red Angus show are accepted with the understanding that each exhibitor agrees to conform to the rules and regulations of the Red Angus Association of America with reference to inspection of entries, such as blood typing, mouthing and such other inspections prescribed by the Red Angus Association of America.

5. All animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and must match the animal ID and Herd Prefix on the registration certificate. If an animal's tattoo(s) is not legible and cannot be read during processing, it will be allowed to participate in the show but DNA will be required at the owner's expense. If the animal’s tattoo(s) are legible but are incorrect, the animal will not be allowed to show.

6. Each exhibitor and/or owner of Red Angus cattle entered in any Red Angus show or exhibition is required to ensure that each animal will be exhibited in its natural conformation and structure and without any alterations or modifications, with the exception of acceptable fitting, grooming and treatment of hooves.

7. The addition of any hair or hair-like substances shall be considered an unethical practice and will not be allowed in Red Angus competition.

8. All females 20 months of age or older (on announced date of show) exhibited at a show sponsored by the Red Angus Association of America must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side. Failure to show documentation will result in the animal being ineligible to show.

9. Any animal entered and accepted after processing verifies that all other requirements have been fulfilled, must show in the same class as entered prior to the entry deadline of the Red Angus Show in question. Calving status does not change the animal's show classification.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules, and Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each exhibitor may enter a maximum of one (1) wether goat. The show is open to any breed or crossbred.

2. Validation: To be eligible to exhibit in the Junior Market Goat Show, all Goats must be validated in the Texas 4-H and FFA Goat Validation Program. Each entry must have been recorded on a 4-H or FFA Goat Validation Form Master List completed by the County Level State Goat Validation Committee. Failure to comply with the rules and regulations of the Texas Goat Validation Program in any manner will result in immediate disqualification.

3. Show Check-In Procedures: Exhibitors must Check-In and complete the State Validation Tag Number and Weight of the Goat Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Goat Kiosk Card. Exhibitors will not be allowed to show without the Goat Kiosk Card in hand. Check-In must be completed by 3 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. Pre-Penning: If the club/chapter would like to pre-pen, an official Junior Market Lamb & Goat Pre-Penning Request Form must be received in the Livestock Office via mail or email by January 15, 2020. Please submit actual Market Lamb and/or Market Goat numbers expected at the San Antonio Livestock Show. Market Lambs and Market Goats may be penned together or separately. Those club/chapters that do not request pre-penning will be penned on a first-come, first-serve basis.

5. Show Weights: Exhibitors will turn in the official show weight for their goat. Official turn-in weight limits are: minimum 60 lbs. and maximum 120 lbs. inclusive. All goats with weights turned in below the minimum (60 lbs.) or above the maximum (120 lbs.) will be sifted.

6. Re-Weigh: Show Management reserves the right to weigh any goat after the completion of Check-In. All goats weighing less than 56 lbs. or more than 4 lbs. heavier than the official turn-in weight will be disqualified. Goats weighing more than 4 lbs. lighter than the official turn-in weight will not be disqualified (with the exception of those not meeting the 56 lbs. weight) but will be sold on the re-weigh weight.
7. **Ear Tags:** All ear tags except the TX Validation tag must be removed before showing. The TX Validation tag number will be used for animal identification. No tag alterations. Any change in size, shape, form, or color will void the tag.

8. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28c in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal.

9. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Market Goats once they arrive on the grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

10. **Horns:** Exhibitors will be required to have horns tipped blunt on all goats before arrival on the grounds. Removal of horns on grounds is not permitted.

11. **Hair:** Goats must be shorn slick, with no indication of blocking, to the skin above the knee and hock joints to include the head, excluding the tail switch, before arrival on the grounds.

12. **Blocking/Trim Tables:** No Blocking/Trim Tables will be permitted on the grounds.

13. **Blow Dryers:** No blow dryers will be allowed.

14. **Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, etc.) is strictly prohibited. All equipment must be stored safely above pens. No tack pens will be allowed.

15. **Pens:** Pens will not be taken apart or altered in any way. No lights may be strung on the pens. Pens cannot be covered with tarps, covers, etc.

16. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors’ convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.

17. **Animals Outside of Barns:** Goats must remain inside the Cattle Barn #2, Swine Barn, and Morris Activity Center or the designated exercise area. Any animal found outside of these areas will be subject to disqualification.

18. **Bedding:** Bedding for all pens will be supplied by the San Antonio Stock Show & Rodeo; any additional bedding can be purchased at the official feed store. Exhibitors may bring their own shavings.

19. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species. Exhibitors will be allowed to use halters or collars in the show ring.

20. **Classes:** Superintendents will break classes following the completion of Check-In. There will be no pre-set weight breaks. Exhibitors missing their class are ineligible to compete in a different weight division and will be sifted. Classes may be broken into one or more heats at the discretion of the Superintendents.

21. **Parasites:** No external parasites will be allowed. Any goat with external parasites may be disqualified at the discretion of Show Management.

22. **Selection of Champions:** All Division Champion and Reserve Division Champion goats are required to compete in the Grand Champion Drive. Only one parent, legal guardian, AST or CEA may accompany the exhibitor in the holding ring before the Grand Champion Drive.

23. **Placing Goats:** All placing goats must sell in the Junior Market Goat Auction.

24. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

QUALITY GOAT CONTEST

SPECIAL RULES
Insofar as possible, a Quality Goat Contest will be conducted. A minimum of 24 goats, including the first and second place animals in each class, will be processed for information.

Minimum Standards
1. Minimum and maximum for carcass weight, 35 to 70 pounds.

2. Minimum and maximum adjusted fat thickness at the 12th rib, .05 inches to .25 inches, respectively.

3. Estimated percent boneless closely trimmed retail cuts (%BCTRC) from the leg, loin, rack and shoulder is considered in ranking:
   \[
   \% \text{BCTRC} = 49.936 - (0.0848 \times \text{Warm Carcass Wt., lb.})
   - (4.376 \times \text{Adj. Fat Thickness, in.})
   - (3.530 \times \text{Body Wall Thickness, in.})
   + (2.456 \times \text{Ribeye Area, square in.})
   \]

4. Carcass must be youthful appearing.

5. Carcass shall be free of serious bruises ("old" not recent), free of injection sites on the more valuable carcass parts: leg, loin, rack and shoulder (neck excluded) and free of any evidence of surgical altering of the live goat.

Goats achieving the above standards will be evaluated and placed by the official carcass judge.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

## SPECIAL RULES

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each exhibitor may enter a maximum of one (1) wether lamb.

2. **Validation:** To be eligible to exhibit in the Junior Market Lamb Show, all lambs must be validated in the Texas 4-H and FFA Lamb Validation Program. Each entry must have been recorded on a 4-H or FFA Lamb Validation Form Master List completed by the County Level State Lamb Validation Committee. Failure to comply with the rules and regulations of the Texas Lamb Validation Program in any manner will result in immediate disqualification.

3. **Show Check-in Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number, Weight, and Breed Designation of the Lamb Kiosk Card. Upon completion, the exhibitor will be given the Exhibitor copy of the Lamb Kiosk Card. Exhibitors will not be allowed to show without the Lamb Kiosk Card in hand. Check-In must be completed by 3 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. **Pre-Penning:** If the club/chapter would like to pre-pen, an official Junior Market Lamb & Goat Pre-Penning Request Form must be received in the Livestock Office via mail, or email by January 15, 2020. Please submit the actual Market Lamb and/or Market Goat numbers expected at the San Antonio Livestock Show. Market Lambs and Market Goats may be penned together or separately. Those club/chapters that do not request pre-penning will be penned on a first-come, first-serve basis.
5. **Show Weights:** Exhibitors will turn in the official show weight for their lamb. Official turn-in weight limits are: minimum 100 lbs. and maximum 175 lbs inclusive for Southdown, Finewool, Finewool Cross, and Medium Wool breeds and minimum 100 lbs. and maximum 140 lbs. inclusive for the Dorper breed. All lambs with weights turned in below the minimum (100 lbs.) or above the maximum (175 lbs. Southdown, Finewool, Finewool Cross, and Medium Wool or 140 lbs. Dorper) will be sifted.

6. **Re-Weigh:** Show Management reserves the right to weigh any lamb after the completion of Check-In. Upon re-weigh, lambs weighing less than 95 lbs. or more than 5 lbs. heavier than the official turn-in weight will be disqualified. Lambs weighing more than 5 lbs. lighter than the official turn-in weight will not be disqualified (with the exception of those not meeting the 95 lbs. weight) but will be sold on the re-weigh weight.

7. **Classification:** Breed must be declared upon Check-In. Breed changes by the exhibitor will not be allowed at any time. Lambs will be subject to reclassification by a three-member committee. The decision of the three-member classifying committee will be final. See [Lamb Classification Standards](#).

All lambs classified out of the Finewool division may return for classification during the Finewool Cross classes.

All lambs then classified out of the Finewool Cross division will be placed in the Medium Wool classes according to weight.

All other lambs classified out of the respective breed will be placed in the Medium Wool division and in the appropriate class according to weight.

8. **Ear Tags:** All ear tags except the TX Validation Tag, Texas Lamb Breeders Association (TLBA) tag, and USDA Scrape Eradication Program identification must be removed before showing. The TX Validation tag number will be used for animal identification. No tag alterations. Any change in size, shape, form, or color will void the tag.

9. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28c in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal.

10. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Market Lambs once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

11. **Blocking/Trim Tables:** No Blocking/Trim Tables will be permitted on the grounds.

12. **Blow Dryers:** No blow dryers will be allowed.

13. **Shearing:** Lambs must be shorn slick to the skin above knee and hock joints before arrival on the grounds. This will be strictly enforced.

14. **Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, etc.) is strictly prohibited. All equipment must be stored safely above pens. No tack pens will be allowed.

15. **Pens:** Pens will not be taken apart or altered in any way. No lights may be strung on the pens. Pens cannot be covered with tarps, covers, etc.

16. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors’ convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.

18. **Bedding:** Bedding for all pens will be supplied by the San Antonio Stock Show & Rodeo; any additional bedding can be purchased at the official feed store. Exhibitors may bring their own bedding.

19. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. **Cable halters and pronged chains are prohibited for all species.** Exhibitors will be allowed to use halters or collars in the show ring.

20. **Classes:** Superintendents will break classes following the completion of Check-In. There will be no pre-set weight breaks. Exhibitors missing their class are ineligible to compete in a different weight division and will be sifted.

21. **Selection of Division Champions:** Division Champion drives will occur immediately following the classes associated with the specific division. For the Medium Wool Breed only, a Division Champion and Reserve Champion will be selected from 4 weight divisions: Light (classes #27-30), Medium (classes #33-36), Light Heavy (classes #39-42) and Heavy (classes #45-48). Only Medium Wool Weight Division Winners and Runner-ups will compete for the Medium Wool Division Breed Champion and Reserve Breed Champion.

22. **Selection of Breed and Grand Champions:** All Breed Champion and Reserve Breed Champion lambs are required to compete in the Grand Champion Drive. Only one parent, legal guardian, AST or CEA may accompany the exhibitor in the holding ring before the Grand Champion Drive.

23. **Placing Lambs:** All placing lambs must sell in the Junior Market Lamb Auction.

24. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

* Moderate spots or speckling on skin of body
* Head of moderate length and in proportion to body
* Ears should be of moderate length, covered with short hair or wool
* Reddish, rust colored legs are acceptable
* Black hooves
* Birth marks are acceptable

Discriminatory Breed Characteristics
* Solid white color or dark chocolate on muzzle
* Coarse, chalky, white hair around eyes extending to and including the muzzle
* Coarse hair in flank
* Coarse britch and/or harsh pelt
* Predominately pink nose with few black spots
* Long, narrow nose
* Excessive coloration on ears
* Excessive ear length
* Predominantly slick ears
* Scurs
* Open poll on head
* Striped hooves
* Black fibers in wool

Absolute Disqualification
* Speckled face, ears or legs
* Horns
* White hooves
* Intentional alteration of hair color or skin pigmentation
* Total pink pigmentation of nostrils
* Black lambs
* Surgical alterations other than redocking
* Steep hip or tendency to show callipyge gene

FINEWOOL BREED CHARACTERISTICS

Acceptable Breed Characteristics
* Rambouillet, Delaine, Debouillet or a cross between these breeds
* Silky, white face
* Silky ears, medium to moderate in length
* Yellow to white hooves (neutral)
* Black pads on hooves and black dew claws
* Soft pelt

* Excessive freckling or pigmented skin (brown or black) on the ears, eyes, and lips
* Brown or black spots in hairline above hooves
* Solid black hooves
* Black lambs
* Surgical alterations other than redocking
* Steep hip or tendency to show the callipyge gene

FINEWOOL CROSS BREED CHARACTERISTICS

Acceptable Breed Characteristics
* Must be a cross with evidence of at least 50% finewool breeding (not showing evidence of Dorset breed type) and the remaining percentage exhibiting predominance of Hampshire and/or Suffolk breeding.
* Soft pelt that which characteristic of 1/2 blood wool (60's-62's spinning count)
* Face and ears should be soft and silky
* Mottling and/or some spotting on face and ears and legs below the knees and hocks
* Light brown face and ears with little to no mottling
* Wool must be present below the hocks on the rear legs; wool below the knees on the front legs is not necessary
* Reddish, rust colored legs are acceptable
* White, ring-eyed crosses are acceptable if pelt is acceptable
* Birth marks are acceptable

Discriminatory Breed Characteristics
* Excessive black or brown spotting in the skin above the knees and hocks

* Heavy horns.
* Long, pendulous ears.
* Long, narrow muzzle.
* Wool forward of poll.
* Excessive speckling in the fleece or on the body.

Absolute disqualifications
* All wool or very little evidence of hair on belly, forearm or britch.
* Wool below the knees or hocks.
* Wool on the ears.
* Excessive coloring on the body (paints).
* Lambs with predominately black bodies.
* Lambs with significant speckling on face, ears or legs.
* Solid brown, red, rust colored head.
* Evidence of color alterations.
* Strong breed characteristics of breeds other than Dorper or White Dorper.
* Surgical alterations other than re-docking.
* Steep hip or tendency to show callipyge gene.

MEDIUM WOOL BREED CHARACTERISTICS
This class generally includes the Suffolk and Hampshire breeds, plus all lambs that do not fit in Finewool, Finewool Cross, Dorper, or Southdown breed divisions. This includes all other breeds and crosses of animals not listed above.
QUALITY LAMB CONTEST

SPECIAL RULES

Insofar as possible, a Quality Lamb Contest will be conducted. A minimum of 31 wether lambs, including the Breed Champions, Reserve Breed Champions and all remaining first place lambs in each class of each breed, will be processed for information.

Minimum Standards
1. Minimum and maximum for carcass weight, 45 to 100 pounds, respectively.
2. Minimum and maximum adjusted fat thickness at the 12th rib, .10 inches to .30 inches, respectively.
3. Maximum USDA Yield Grade, 3.4. The USDA Yield Grade will be determined according to USDA (1994) grading standards. USDA Yield Grade = 0.4 + (10 x adjusted fat thickness, inches)
4. Estimated percent boneless closely trimmed retail cuts (%BCTRC) from the leg, loin, rack and shoulder is used in ranking.
   % BCTRC = 49.936 - (0.0848 X Warm Carcass Wt., lb.)
   - (4.376 X Adj. Fat Thickness, 12th rib, in.)
   - (3.530 X Body Wall Thickness, in.)
   + (2.456 X Ribeye Area, square in.)
5. Carcass must be of "Lamb Maturity."
6. Minimum USDA Quality Grade must be Choice-minus.
7. Carcass shall be free of serious bruises ("old" not recent), free of injection sites on the more valuable carcass parts: leg, loin, rack and shoulder (neck excluded) and free of any evidence of surgical altering of the live wether lamb.

Lambs achieving the above standards will be evaluated and placed by the official carcass judge.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

**SPECIAL RULES**

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each owner is limited to a maximum of one (1) barrow. Only barrows may be entered.

2. **Validation:** To be eligible to exhibit in the Junior Market Barrow Show, all barrows must be validated in the Texas 4-H and FFA Swine Validation Program. Each entry must have been recorded on a 4-H or FFA Swine Validation Form Master List completed by the County Level State Swine Validation Committee. Failure to comply with the rules and regulations of the Texas Swine Validation Program in any manner will result in immediate disqualification.

3. **Show Check-in Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number, Weight, and Breed Designation of the Barrow Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Barrow Kiosk Card. Exhibitors will not be allowed to show without the Barrow Kiosk Card in hand. Check-In must be completed by 2 PM (Group 1) and 3 PM (Group 2) the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. **Penning:** Junior Market Barrows will be penned on a first come-first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the SCP Staging Area.

5. **Show Weights:** Official turn-in weight limits are: minimum 240 lbs. and maximum 280 lbs. inclusive. Exhibitors will turn in the official show weight for their barrow. All barrows with weights turned in below the minimum (240 lbs.) or above the maximum (280 lbs.) will be sifted.

6. **Re-Weigh:** Show Management reserves the right to weigh any barrow after the completion of Check-In. Upon re-weigh, all barrows weighing less than 230 lbs. will be disqualified. Upon re-weigh, all barrows weighing more than 10 lbs. heavier than the official turn-in weight will be disqualified.

   *Barrows that meet the minimum weight of 230 lbs. but are weighing more than 10 lbs. less than the official turn-in weight will not be disqualified, but will be sold on the re-weigh weight. (i.e. Turn-in Weight = 260 lbs.; Re-weigh weight = 245 lbs.; Barrow will be sold at 245 lbs.)*

   **Grand Champion Re-weigh:** Prior to selection of the Grand and Reserve Grand Champion, all Breed Champions and Reserve Breed Champions may be re-weighed. Should a Champion or Reserve weigh-out, he would retain his status as Breed Champion or Reserve Breed Champion but be ineligible to compete for Grand or Reserve Grand Champion.

   **Group #1 Barrows** (Berkshire, Duroc, Dark Crossbred, Hampshire, Poland China, Spot) weighing more than 20 pounds heavier than the official turn-in weight will be disqualified.

   **Group #2 Barrows** (Chester White, Landrace, Yorkshire, Crossbred) weighing more than 15 pounds heavier than the official turn-in weight will be disqualified.

7. **Classification:** Breed must be declared upon Check-In. Breed changes by the exhibitor will not be allowed at any time after. Barrows will be subject to reclassification by a three-member committee. The decision of the three-member classifying committee will be final. See Barrow Classification Standards.

   - Any barrows reclassified in Group #1 will be placed in the Dark Crossbred breed. Any barrows in Group #1 not meeting at least the classification standards for the Dark Crossbred breed will be sifted.
   - Any barrows reclassified in Group #2 will be placed in the Crossbred breed.
   - Crossbred and Dark Crossbred class options may be entered at the time of Check-In.

8. **Ear Tags:** All ear tags, with the exception of TX Validation Tag and USDA Official Premises Identification Number (PIN) tags, must be removed before showing. The TX Validation Tag number will be used for animal identification. No tag alterations – Any change in size, shape, form, or color will void the tag.

9. **Ear Notches:** All animals must be properly ear notched within seven (7) days of birth with a litter notch in the right ear and individual notch in the left ear to be eligible for the Texas 4-H and FFA Swine Validation Program. Animals not properly notched in both ears will be subject to disqualification.
10. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to rule #28c of the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal.

11. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Market Barrows once they arrive on the grounds. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

12. **Pens:** Pens will not be taken apart or altered in any way. No lights may be strung on the pens. Pens cannot be covered with tarps, covers, etc.

13. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors’ convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.

14. **Additional Premiums:**
   - **Certified Texas Bred Class Champions:** The Texas Pork Producers Association, Inc. may award premium money to top placing Certified Texas Bred barrows. A Certified Texas Bred Registry certificate from the breeder must be presented at the show to qualify.

15. **Classes:** Superintendents will break classes following completion of Check-In. There will be no pre-set weight breaks. Exhibitors missing their class are ineligible to compete in a different weight division and will be sifted. In the event of a large number of barrows with the same weight and the same breed, the show may break them into multiple classes using another method other than weight. To more effectively break classes, weights may be grouped by a maximum of 4 lb. increments and classes then broken using another method other than weight.

16. **Placing Barrows:** All placing barrows must sell in the Junior Market Barrow Auction.

17. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

QUALITY PORK CONTEST

SPECIAL RULES
Insofar as possible, a Quality Pork Contest will be conducted. A minimum of 34 barrows, including the Breed Champions, Reserve Breed Champions, Weight Division Winners, and Weight Division Runner-Ups, will be processed for information.

Minimum Standards
1. Minimum and maximum for hot carcass weight, 165 to 230 pounds, respectively.
2. Carcass muscle score is to be equal to or better than the Intermediate (2.0) pictured in the 2000 "Composition and Quality Assessment Procedures,” National Pork Board.
3. Carcass meat quality will be subjectively evaluated for the following using the 2000 “Composition and Quality Assessment Procedures,” National Pork Board.
   a. Loin muscle color score greater than 1 and less than 6
   b. Loin muscle marbling score greater than 1
   c. Loin muscle firmness and wetness score greater than 1
   d. Belly at least slightly thick with a minimum of 0.6 inches of thickness at any point
   e. Abnormalities (Soft, oily fat; steatosis)
Carcasses failing to meet two or more of the minimum quality standards as outlined will be disqualified.
4. Percentage Fat Free Lean will be predicted by the following equation (“Composition and Quality Assessment Procedures,” National Pork Board):

   Equation for pounds of fat-free lean (FFL)
   \[
   8.588 - 21.896 \times 10\text{th rib fat depth, inches} \\
   + 3.005 \times 10\text{th rib loin muscle area, square inches} \\
   + 0.465 \times \text{warm carcass weight, pounds}
   \]

   To convert to % fat-free lean, divide by warm carcass weight and multiply by 100
5. Other disqualifications:
   a. Cryptorchids
   b. Carcass that requires more than 1% trim due to “old” bruises or infected at injection site, abnormalities, cysts, abscesses, diseased joints, etc.

The carcass judge will select and place the top 10 carcasses on overall carcass merits from among the 15 carcasses with the highest percent fat free lean(FFL). The following awards will be given for 1st through 5th place.

Beef Science Orientation & Test: Monday February 17 4:30 PM AB
Live Evaluation & Public Speaking: Tuesday February 18 7:30 AM AB
Awards Dinner Tuesday February 18 6:30 PM AB

OBJECTIVE

Highlight the commercial cattle industry and provide 4-H and FFA members a learning experience emphasizing selection, record keeping, feeding, animal health, industry standards, public speaking and technical knowledge.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official. San Antonio Stock Show & Rodeo entry forms must be completed. Each junior exhibitor may enter a maximum of one pen of two (2) steers. One steer may constitute a pen; however, it will result in an immediate deduction of 20 points. Replacement steers will NOT be accepted.

2. Ownership: Steers of any beef breed are eligible to be entered. Exhibitors in this division must have owned their steers on or before September 15, 2019, and the steers must have been fed and cared for by the exhibitor from the date of acquisition through the Junior Commercial Steer Show. Steers should be designated as “A” and “B” at the time of purchase. This designation should be utilized throughout the feeding period for record keeping purposes and during final judging at the Junior Commercial Steer Show.

3. Stalling: Steers will be pre-stalled according to the order posted in Auction Barn. Stalls must remain clean and neat at all times. Failure to comply will result in point deductions at the Superintendents’ discretion.
4. **Eartags:** All eartags will be removed during weigh-in. Animals will be tagged with an official San Antonio Stock Show & Rodeo eartag at that time.

5. **Substitute Exhibitors:** Substitute Exhibitors are not allowed.

6. **Mandatory Attendance:** Exhibitors must attend all orientations, seminars and activities related to their project. Failure to comply will result in point deductions (see point breakdown).

7. **Feeding:** Steers are to be fed in a separate feed pen from other livestock when placed on full feed. The beef industry recommends that cattle be on feed 150 days for optimal performance.

8. **Weighing:** Weights will be calculated as follows:
   
   a. **Initial Weight:** Steers must be individually weighed between September 6-15, 2019, on a certified livestock scale by a certified weigh master. This weight will be the "initial weight" for the feeding records. The official scale ticket should include: weigh date, individual animal weight, animal identification (i.e.: eartag, brand), breeder of the animal, buyer of the animal, signature of the certified weigh master. The official scale ticket should be retained and submitted with the Record Book upon arrival at the San Antonio Stock Show & Rodeo.

   b. **Record Weight:** Steers must be officially weighed, individually, on a certified livestock scale by a certified weigh master between February 5-15, 2020, with a three percent (3%) pencil shrink. This weight will be the "record weight" for the feeding records. The official scale ticket should include: weigh date, individual animal weight, animal identification (i.e. eartag, brand), and signature of the certified weigh master. The official scale ticket should be retained and submitted with the Record Book upon arrival at the San Antonio Stock Show & Rodeo.

   c. **Check-in / Sale Weight:** Steers will be officially weighed, individually, on a certified livestock scale by the San Antonio Stock Show & Rodeo Special Sales Sub-Committee. Steers must be presented for weighing and an ultrasound according to order posted in Auction Barn. Steers not presented at the scales promptly will be disqualified. Each steer must weigh-in between 1,000 and 1,599 lbs. inclusive. Failure to comply will result in point deductions (see point breakdown). There will be NO reweighs. Cattle will be sold on the "check-in/sale weight."

   d. **Days on Feed:** Days on Feed will be calculated as follows:
      
      i. Day 1 = Initial Weigh Date
      ii. Ending Day = Record Weigh Date

9. **Record Books:** Exhibitors must maintain an Official San Antonio Stock Show & Rodeo Commercial Steer Record Book including feeding, animal health, income and expense records regarding their Commercial Steer project. An Official Commercial Steer Record Book may be obtained [here](#). The Official Commercial Steer Record Book must be completed and submitted upon arrival at the Show. All receipts and related records must be attached. Record Books should be complete, neat and accurate. Exhibitors must submit their Record Book for judging, in person. All calculations are to be rounded to the hundredth decimal point from the beginning of the project.

10. **Live Ultrasound Evaluation:** An ultrasound technician will collect data and grade the Junior Commercial Steers based on the USDA standard quality and yield grades for slaughter steers. Steers must be presented for Live Ultrasound Evaluation according to order posted in Auction Barn.

11. **Live Visual Evaluation:** A committee of judges will grade the Junior Commercial Steers based on the USDA quality and yield grades for slaughter steers. Steers must be presented for Live Visual Evaluation according to order posted in Auction Barn.
12. **Quality and Yield Point Schedule:** The following point schedule will apply to both Live Ultrasound Evaluation and Live Visual Evaluation:

<table>

13. **Public Speaking/Questions:** Each exhibitor must recite a memorized speech lasting a minimum of three (3) minutes and a maximum of 5 minutes regarding their project, what they learned, and how it relates to the industry. There will be a point deduction of 1/4 point per 15 seconds the exhibitor is shorter or longer than the allotted speech limit. Exhibitors will present their speech during the Live Visual Evaluation of their cattle. Each exhibitor will be required to answer verbal questions regarding their project following delivery of their speech.

14. **Beef Science Test:** Exhibitors will be administered a written Beef Science Test. Only exhibitors may enter the test area. Study Guide links will be available [here](#). The Beef Science Test will be composed of questions derived from this Study Guide and any other sources listed.

15. **Horns:** Steers must have horns tipped with no more than three inches of horn growth beyond the base of the head.

16. **Medication:** Please refer to General Rule #28c.

17. **Blow Dryers:** No blow dryers will be allowed.

18. **Fans:** No fans will be allowed.

19. **Terminal Show:** This show is terminal; all steers entered in competition will be marketed as determined by Show Management.

20. **Premiums and Awards:** Exhibitors will be placed according to their cumulative point total. All placing exhibitors are eligible for Premium Awards. The following Premium Schedule will apply:

21. **Tie-Breakers:** If exhibitor point totals result in a tie for any specific portion of the contest, final placing will be based on the points awarded to the exhibitors by the judges of the Live Visual Evaluation for their answers to the verbal questions asked at the conclusion of their Speech. A maximum score of twenty points is possible.

22. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.
23. **Scoring:** The Commercial Steer Show will be comprised of Animal, Exhibitor and Record Book components. A maximum score of 130 points is possible (40 Animal, 70 Exhibitor and 20 Record Book). Discount Points will be deducted as stated in the scorecard. The following scorecard will apply:

PASTURE TO PACKER CONTEST

SPECIAL RULES
Insofar as possible, a Pasture to Packer Contest will be conducted in which case all commercial steers will be processed for information.

Minimum Standards
1. Minimum and maximum for hot carcass weight, 600 to 1,000 pounds, respectively.
3. Minimum ribeye area, 11.0 square inches.
4. Maximum USDA Yield Grade, 3.5.
5. Maximum USDA maturity, A100.
6. Minimum USDA marbling requirement, Slight 00 and minimum USDA Quality grade, Select 00.
7. "Dark-Cutters", if severe enough will be disqualified. Severe dark-cutting is defined as that sufficient to result in at least one full-grade reduction in the USDA quality grade.
8. Disqualification will result if carcasses had excessive bruises and evidence of tampering or questionable injection(s).

Each carcass achieving the above standards will be placed on the scoring system below. The scores for the two carcasses within each pen of commercial steer carcasses will be added together to determine the total score. Ties will be broken on the basis of visual appraisal by the official judge.

Carcasses Scoring System Grand Total 160 points per carcass and 320 points per pen.

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

**SPECIAL RULES**

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each exhibitor is limited to a maximum of one (1) steer entry. **The San Antonio Stock Show & Rodeo reserves the right to use any cattle for Livestock Judging Contest(s) and/or organized practices.**

2. **Validation:** To be eligible to exhibit in the Junior Market Steer Show, all steers must be validated in the Texas 4-H and FFA Steer Validation Program. Each entry must have been recorded on a 4-H or FFA Steer Validation Form Master List completed by the County Level State Steer Validation Committee. Failure to comply with the rules and regulations of the Texas Steer Validation Program in any manner will result in immediate disqualification.
3. **Show Check-in Procedures**: Exhibitors must Check-In and complete State Validation Tag Number, Weight, and Breed Designation of the Steer Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Steer Kiosk Card. Exhibitors will not be allowed to show without the Steer Kiosk Card in hand. Check-In must be completed by 3 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.

4. **Stalling**: Junior Market Steers will be stalled on a first come–first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the SCP Staging Area.

5. **Show Weights**: Official turn-in weight limits are: minimum 1000 lbs. and maximum 1500 lbs. inclusive. Exhibitors will turn in the official show weight of their steer. All steers with weights turned in below the minimum (1000 lbs.) or above the maximum (1500 lbs.) will be sifted.

6. **Re-Weigh**: Show Management reserves the right to weigh any steer after the completion of Check-In. Upon re-weigh, steers weighing less than 950 lbs. or more than 5% heavier than their official turn-in weight will be disqualified. Steers weighing more than 5% lighter than the official turn-in weight will not be disqualified (with the exception of those not meeting the 950 lbs. weight) but will be sold on the re-weigh weight.

   **Grand Champion Re-weigh**: Prior to the selection of the Grand and Reserve Grand Champion, all Breed Champions and Reserve Breed Champions may be re-weighed. Breed Champions or Reserve Breed Champions weighing more than 5% heavier than the official turn-in weight would be ineligible to compete for Grand or Reserve Grand Champion honors. They would retain their status as Breed or Reserve Breed Champion.

7. **Classification**: Breed must be declared upon Check-In. Breed changes by the exhibitor will not be allowed at any time. Steers will be subject to reclassification by a three-member committee. The decision of the three-member classifying committee will be final. See *Steer Classification Standards*.

   At Check-In, exhibitors will designate which breed to enter (including ABC, Red Cross, Black Cross, and Other Cross). On the Kiosk Card, each exhibitor must designate an Alternative Breed Option (Black Cross, Red Cross, or Other Cross ONLY) that they wish to be assigned should their steer classify out of the original breed entered. Exhibitors are not allowed to designate any other breed as an Alternative Breed Option other than Black Cross, Red Cross or Other Cross. Should an exhibitor fail to designate an Alternative Breed Option on their Kiosk Card and be classified out of their original breed entered, they will automatically be placed in the Other Cross breed.

   - All steers classified out of the Brahman, Brangus, Santa Gertrudis, and Simbrah breed will be required to return for classification during the ABC breed.
   - All steers classified out of the ABC breed will be required to return for classification of the Alternative Breed Option designated by the exhibitor on the Disposition Card. If an Alternative Breed Option was not designated, they will automatically be placed in the Other Cross breed.
   - All steers classified out of the Angus, Charolais, Hereford, Limousin, Maine-Anjou, Red Angus, Shorthorn, and Simmental will be required to return for classification of the Alternative Breed Option designated by the exhibitor on the Disposition Card. If an Alternative Breed Option was not designated, they will automatically be placed in the Other Cross breed.

   All steers classified out of the Red Cross and Black Cross breed will be placed in the Other Cross breed classes according to weight. No classification will occur for the Other Cross breed.

8. **Ear Tags**: All ear tags except the TX validation tag must be removed before steers enter the classifying area. The TX Validation Tag number will be used for animal identification. No tag alterations – Any change to size, shape, form, or color will void the tag.

9. **Horns**: Steers must be dehorned, polled, or scurred. Scurs/horn growth must not exceed three inches from the base of the head.

10. **Medication**: Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28c in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is generally longer than the labeled withdrawal time for most drugs and varies from animal to animal.
11. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. Touch-up clipping with cordless clippers or scissors will be allowed. The decision of the Superintendents will be final and cannot be protested. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor’s family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

12. **Blow Dryers:** No blow dryers will be allowed.

13. **Hair:** Steers must be shorn to no more than ¼” on any location of the body, excluding the tail switch (the tail switch being no more than 12 inches above the end of the cartilage of the tail. See figure 2 for visual reference.). Touch up clipping with cordless clippers is allowed. Steers will be checked at time of show for ¼” length; violation of ¼” uniform length over the entire body will result in immediate disqualification. Steers not shorn upon arrival at SCP will be subject to disqualification. The decision of the Superintendents will be final. The decision cannot be protested.

14. **Fans:** Fans will not be permitted in aisles. No fans are permitted behind the cattle. Only 1 fan per 5 head is permitted. *Portacool or similar fans will not be permitted on Grounds.*

15. **Scales:** Exhibitors will not be allowed to bring portable scales in the Cattle Barn. Scales will be provided by the show, but are unofficial and provided for exhibitor’s convenience only.

16. **Judging Arena:** Only the exhibitor (or approved substitute) may lead their steer into the staging area (holding area) or judging arena. No other persons will be permitted into those areas.

17. **Age:** Steers are not required to have both temporary central incisors in place.

18. **Sift:** Any steer not eligible for the class he is entered in due to weight, hair, soundness, health, etc. will be sifted.

19. **Unruly Steers:** Show Management may remove any unruly steer from the show. The decision of the Superintendents will be final. The decision cannot be protested.

20. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. *Cable halters and pronged chains are prohibited for all species.*

21. **Breed Champion Selections:** After the completion of each class all 1st & 2nd place steers will be held in a designated holding area until the selection of the Breed Champion and Reserve Breed Champion. There will be no feed or water allowed in this holding area.

22. **Selection of Grand Champion:** Only parent, legal guardian, CEA or AST may accompany exhibitor to the AT&T Center for the selection of the champion steer. All Breed Champion Steers are required to compete for Grand Champion Steer. Those wishing to attend the selection of the Grand Champion Steer must pre-purchase Rodeo Tickets for Friday night, February 21, 2020.

23. **Placing Steers:** All placing steers must sell in the Junior Market Steer Auction. Steers selling through the Auction will report to the designated CB aisle at 9 AM Saturday, February 22, 2020.

24. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

STEER CLASSIFICATION STANDARDS

ABC:

Acceptable Breed Characteristics:
- Any color pattern
- Progression of importance to include Bos indicus-influenced head, eye, and ear (of moderate length, slightly pointed, drooping and opening down and forward); showing Bos indicus influenced sheath
- Crest or evidence of hump
- With adequate Bos indicus head, eye, and ear characteristics; sheath score is of less importance

Discriminatory Breed Characteristics:
- Bos taurus head, ear, or eye
- Sheath score of 1
- Slick neck (lack of crest or evidence of hump)

Absolute Disqualifications:
- A combination of Bos taurus head, eye, and ear

Angus:

Acceptable Breed Characteristics:
- Must exhibit physical characteristics of a purebred Angus
- Solid Black
- Polled
- Needs to have a tight sheath that is round and perpendicular to the ground
- Angus-type ear set, small to moderate ear size high on the head

Discriminatory Breed Characteristics:
- Continental breed type structure (being coarse about his joints, not to be confused with big-boned cattle) and head
- Bumps where horns would be on a horned animal
- Birthmarks or white hair in the switch should be reviewed for the skin color (black skin color is acceptable; white or pink skin is a disqualification)
- Non-Angus type ear set (excessive ear size and set as in Continental breeds)
- Large navels and angular sheaths

Absolute Disqualifications:
- White skin resulting in white hair above the underline or in the front of the navel (white on the navel is acceptable)
- White skin resulting in white hair on the leg, foot, or tail
- Horns or Scurs
- Brindle
- Diluter color pattern
- Double muscling
- Dehorning scars

Brahman:

Acceptable Breed Characteristics:
- Must exhibit physical characteristics of an animal that is at least 50% purebred Brahman
- A prominent hump beginning at the shoulder and going forward but must angle back down to the neck to create a hump- not a crest
- Bos indicus-influence head, eye, and ear
- Any color or color pattern
- With adequate Bos indicus head, eye, and ear characteristics; sheath score is of less importance

Discriminatory Breed Characteristics:
- Sheath score of 1

Absolute Disqualifications:
- A crest with an inadequate hump
- Lack of hump or presence of hump
- A combination of a Bos Taurus head, eye, and ear
Brangus:

Acceptable Breed Characteristics:
- Must physically exhibit breed characteristics of a purebred black Brangus
- Solid black with no white above the underline or in front of the navel
- Polled
- Progression of importance to include Bos indicus-influence head, eye, and ear (of moderate length, slightly pointed, drooping and opening down and forward);
- With adequate Bos indicus head, eye, and ear characteristics; sheath score is of less importance
- Shows some evidence of a crest

Discriminatory Breed Characteristics:
- Scurrs or slick spots
- Excessive, pendulous sheath
- Inadequate Bos indicus-influence head, eye, and ear characteristics
- Brown dilution over ribs, fore flank, twist, and muzzle
- Sheath score of 1

Absolute Disqualifications:
- Horns
- Dehorning scars
- White above the underline or in front of the navel
- White on the legs, feet or tail
- Any brindle

Charolais:

Acceptable Breed Characteristics:
- Must physically exhibit breed characteristics of a half-blood purebred Charolais
- White, yellow, gray, or silver (moderate dappling allowed)
- Expression of diluter gene
- Minimal painting or spotting less than 20%
- Skunk tail, line back, baldy

Discriminatory Breed Characteristics:
- Excessive painting or spotting (over 20%)
- Double Muscling
- Brindles
- Frail bone work and frail general appearance
- Light red color or orange
- Short, stubby head
- Overly refined, narrow head
- Excessive dark pigmentation (eyes, ears, nose, and anus)
- Excessive dappling

Absolute Disqualifications:
- Black, red, or dark smuts
- Showing no diluter gene, unless solid white
- Excessive painting or spotting
Hereford:

**Ideal Breed Characteristics:**
- Must physically exhibit breed characteristics of a purebred Hereford (Horned or Polled)
- Some white on the back of both ears
- Red body with white face, white underline, and white marked legs
- Traditional feather on crest
- Horned Herefords must show evidence of being dehorned

**Acceptable Breed Characteristics (These characteristics are not necessarily desirable and in combination may be discriminating):**
- Dark red color
- Red neck
- Solid red ear(s)
- Excess white on legs
- Excess white above underline
- Eye pigment
- Black hair in tail or ear of animal
- Freckling on the nose
- White above the switch in tail
- White across the rump above the twist

**Discriminatory Breed Characteristics:**
- Solid white ear(s)
- Questionable ear size and shape
- Straight line white marking on legs or tail above the switch
- White above hocks, on the outside and back side of rear legs
- Excess pigment or color around the eyes
- Red neck in combination with excess white on legs
- Line back
- Coarse joints, head, or ribs

**Absolute Disqualifiers:**
- Solid black nose
- Diluter color pattern
- Streaking of white from the feather off the shoulder
- Brindles
- Double muscle; extreme muscle definition
- Any color pattern other than red or white (birthmarks excluded)
Limousin:

Acceptable Breed Characteristics:
- Must physically exhibit breed characteristics of a Limousin
- Solid black, red/orange, light red, charcoal black, chocolate black, orange or brockle-face
- Brindle color pattern will be allowed providing it does not extend below the mid-rib of the body
- Bald face
- Tend to be smooth shouldered
- Head
  - Eye- Deeper socket, prominent brow, light pigment around eye on reds
  - Poll- Needs to have a wide poll
  - Ear-Tends to be smaller and rounder
  - Muzzle- Tends to be short
- Sheath tends to have a forward angle
- Legs/foot- tends to be smooth jointed and flat boned

Discriminatory Breed Characteristics:
- Coarse joints, skeleton and head
- Coarse, open shoulders
- Pencil sheath, hanging straight down
- Pointed poll
- Excessive crest
- White switch

Absolute Disqualifications:
- Stocking legs
- Spotting above the underline
- Brindle below the mid-rib
- Roans
- Yellow, Blonde, Grey, Silver
- Diluter gene
- Red cattle with black noses
- Monkey/parrot mouth

Maine-Anjou:

Acceptable Breed Characteristics:
- Solid Red
- Solid Black
- Red and White
- Black and White
- Heavy Skeletal Structure

Discriminatory Breed Characteristics:
- None

Absolute Disqualifications:
- Brindle
- Roan
- Diluter Color Pattern
- Appears to be more than 50% of any other breed
Red Angus:

**Acceptable Breed Characteristics:**
- Must physically exhibit breed characteristics of a purebred Red Angus
- Solid red (shades may vary)
- Polled
- A blonde, light red or mixed switch
- Cattle may have black hair on the tail, muzzle, face, neck and legs

**Discriminatory Breed Characteristics:**
- Coarse joints (not to be confused with big boned cattle)
- Solid white switch

**Absolute Disqualifications:**
- Horns or scurs breaking through the skin
- White skin resulting in white hair above the underline or in front of the navel (white on navel is acceptable)
- White skin resulting in white hair on the leg
- Black pigmentation of the skin (not to be confused with freckling on the nose or anus)
- Dehorning scars or evidence of dehorning
- Black nose

Santa Gertrudis:

**Acceptable Breed Characteristics:**
- Must physically exhibit breed characteristics of a half-blood Santa Gertrudis with adequate *Bos indicus* head, eye, and ear characteristics.
- Any color pattern of black, red, yellow, or orange
- Moderate crest, no definite hump
- Moderate dewlap development
- Moderate length of ear, slightly drooping and opening forward
- Sheath score of 2 to 5

**Discriminatory Breed Characteristics:**
- Straight, pendulous sheath
- Slight brindle color
- Sheath score of 1

**Absolute Disqualifications:**
- Absence of any visible Santa Gertrudis characteristics
- Absence of *Bos indicus*-influence head, eye, ear, or sheath
- Smoke, silvers, grays or tiger-stripes

Shorthorn:

**Acceptable Breed Characteristics:**
- Must physically exhibit breed characteristics of a purebred Shorthorn
- Solid red; solid white with red hair or red pigment on ear, muzzle, anus or tail; or any combination of red and white, with the red and white color pattern bleeding together

**Discriminatory Breed Characteristics:**
- Motley or brockle face
- Orange or light red color
- Black nose pigment
- Coarse head
- Coarse joints

**Absolute Disqualifications:**
- Diluter color pattern such as yellow or yellow roan
- Black, blue roans or grays
- Brindle
- Solid white with no red pigment on the ears, tail, or anus
- Double muscling
Simbrah:

*Acceptable Breed Characteristics:*
- Must physically exhibit breed characteristics of a purebred Simbrah (3/8 Brahman and 5/8 Simmental)
- A sheath score of 2 or greater
- With adequate Bos indicus head, eye and ear characteristics; sheath score of less importance
- Stocking legs
- Bald, blaze, streak face, or mottled face
- Solid black, solid red or solid dun/tan/yellow combination with white or any of the previously listed colors
- Brindles color pattern preferably with white markings

*Discriminatory Breed Characteristics:*
- A sheath score of 1
- A Bos taurus head, ear, or eye
- Solid yellow

*Absolute Disqualifications:*

QUALITY BEEF CONTEST

SPECIAL RULES:
Insofar as possible, a Quality Beef Contest will be conducted. A minimum of 52 steers, including the Breed Champions, Reserve Breed Champions and all remaining first place animals in each class of each breed, will be processed for information.

Minimum Standards:
1. 600 lb. minimum and 1000 lb. maximum for hot carcass weight.
3. Minimum ribeye area, 11.0 square inches.
4. Maximum USDA Yield Grade, 3.5.
5. Maximum USDA maturity, A100.
6. Minimum USDA marbling requirement, Slight 00 and minimum USDA Quality grade, Select 00.
7. "Dark-Cutters", if severe enough will be disqualified. Severe dark-cutting is defined as that sufficient to result in at least one full-grade reduction in the USDA quality grade.
8. Disqualification will result if carcasses had excessive bruises and evidence of tampering or questionable injection(s).

Steers achieving the above standards will be evaluated and placed by the official carcass judge.

Check-In process begins: Wednesday February 19 6 AM SCP
Barn unloading begins: Wednesday February 19 7 AM MAC
Sift: Wednesday February 19 8 AM – 11 AM MAC
(Broilers not through the sift by 11 AM are subject to disqualification)

Arrival deadline: Wednesday February 19 10 AM SCP
(Broilers not having arrived at SCP by 10 AM are subject to disqualification)

Show: Wednesday February 19 1 PM MAC
Auction: Friday February 21 11 AM AB

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each owner is limited to a maximum of one (1) pen of three broilers. Additional birds will become property of the San Antonio Stock Show & Rodeo.

2. Broiler Orders: All broiler chicks must be ordered by October 15, 2019, through Texas A&M University's Poultry Science Department in accordance with the "Rules and Ordering Procedures" document found on the website at posc.tamu.edu. For clarification of any part of the Rules and Ordering Procedures, please contact Texas A&M AgriLife Poultry Science Extension Office at 979-845-4319.

3. Sift: A Sifter will be appointed by the Show. Birds must be free of external parasites and disease. Each entry must have the original wing band. Any bird, which has lost its wing band for any reason, will be sifted.

4. Wing Bands: The sifter and judge will disregard any wing damage caused by the required wing band.

5. Handlers: Must meet the eligibility requirements outlined in Rule 1 of the Junior Show Rules. Additionally, handlers must have at least one (1) entry within any department in the current Junior Livestock Show.

6. Supplies: Each exhibitor is required to bring two containers (each 16oz. or smaller, example – one pound coffee can) per entry. Exhibitors will be permitted to bring their own poultry feed onto the grounds.

7. Fans: Fans will not be permitted in the Morris Center during the Poultry Show.

8. Placing Birds: The top 35 placing Broiler pens will be sold in the Junior Market Broiler and Turkey Hen Auction.
9. **Medication:** Refer to General Rule #28. The showing of any poultry that has been administered any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or that has NOT been properly withdrawn from approved drugs is prohibited. Unapproved is deemed to mean NOT approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals. As a condition for participation in the Show, every exhibitor must agree to submit any poultry entered by exhibitor to inspection by a veterinarian appointed by the management, and agrees to have such poultry submitted to any tests as may be designated and requested by the veterinarian. The Show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any poultry entered for competition. The conclusions reached by the veterinarian, as to whether such animal has been administered a diuretic, unapproved growth stimulant or other unapproved drugs, or has not been properly withdrawn from approved drugs shall be final, without recourse against the Show or any of its officers. An exhibitor of poultry producing an analysis with a quantity of diuretic, unapproved growth stimulant or any other unapproved drugs will forfeit all rights and privileges to exhibit livestock including poultry in the future at the Show.

10. **Beta-agonists:** S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (Topmax™) in Market Poultry, specifically all turkeys and broilers. S.A.L.E. will not tolerate the presence of zilpaterol hydrochloride (Zilmax®) in any market species or breeding animal.

11. **Junior Broilers:** Broilers will be placed for the Junior Market Broiler and Turkey Hen Auction according to the following schedule:

http://www.sarodeo.com/livestock-show/agricultural-mechanics

SPECIAL RULES

1. **Entry Fee:** The entry fee for each project is $40.00. Entries must be submitted online and all official San Antonio Stock Show & Rodeo entry forms must be completed. **Exhibitor names and social security numbers are required on the entry form.** Because exhibitor cards are computer generated from entry data, it is imperative that Exhibitor Names and Project Descriptions be correct.
   - Exhibitors’ names should be spelled correctly with first letter of names capitalized.
   - Information on naming and proper classification of projects can be found in the Naming, Describing and Classification of Projects document found [here](http://www.sarodeo.com/livestock-show/agricultural-mechanics).
   - The Classification Committee has the right to reclassify any project.

2. **Eligible Entries:** Contestants must meet all San Antonio Stock Show & Rodeo Junior Show Rule Requirements.

3. **Projects:** Projects must have been constructed by FFA or 4-H members either as a part of their agricultural mechanics instruction in agricultural science or as part of their supervised work experience program. **Projects must be designed and constructed under the direct supervision and guidance of the AST/CEA.** Project dimensions – length, width and height to the nearest foot are to be provided when entering. This information will help define the project. Gates and Panels will require only length and height. Trailer length should include tongue.

4. **Individual/Group Entries:** Projects may be individually or group constructed. Entries must be made in the name of the FFA Chapter or 4-H Club. Entries must include only the name(s) and social security number(s) of those who participated in the planning and construction of the project. Group entries are comprised of two (2) or a maximum of six (6) students.
5. **Number of Entries:** No exhibitor may be involved in the construction of more than 3 projects, whether group or individual. This does not limit the number of projects a chapter or club may enter.

6. **Exhibit Space:** Insofar as possible projects will be displayed by class. Placement of the projects will be at the discretion of show officials. Some projects will be displayed outside.

7. **Judging Procedures:** Only exhibitors of the project may be present at time of judging.

8. **Project Sales:** Junior Ag Mechanics Projects cannot be sold or advertised as for sale during the Junior Ag Mechanics Show.

9. **Construction Date:** A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been completed within one calendar year of the exhibition date.

10. **Project Substitutions:** Same as Project/Animal Substitution outlined in General Rule #10.

11. **Exhibitor Substitutions:** Substitution may be made under one of the conditions outlined in Junior Rule #14.

12. **Adding/Removing Exhibitor(s) from a Group Entry:** Group projects cannot be comprised of more than six (6) exhibitors. AST or CEA may add/remove an exhibitor from a project by submitting an *Add/Remove Exhibitor Form* to the Livestock Office by mail or email to livestock@sarodeo.com or completing the form during Check-In at the Salado Creek Property. Exhibitor additions may be submitted by January 15, 2020, for no charge. Additions submitted from January 16 until the end of Check-In will be subject to an additional entry fee ($40). Exhibitors may be removed from a project by submitting an *Add/Remove Exhibitor Form* by the end of Check-In for no charge.

13. **Types of Projects:** Only those projects that fit into the stated classes will be accepted. Final project classification will be at the discretion of Classification Committee. Leather goods, spurs, knives, canoes, teepees, boats and glass top tables/benches are not approved projects. Projects made largely of wood will require at least 25% of a skill other than carpentry to be used in construction. The addition of metal ornaments or bands attached to wood project will not be considered a part of the 25%. Please read the *Naming, Describing and Classification of Projects* for additional description of classification and approved projects. The list of unacceptable projects above is not complete. We allow only projects that require the skills and knowledge identified in the Agricultural Mechanics Curriculum – TEKS 130.2 (14).

14. **Vehicles:** Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are allowed in the exhibit area as part of the display with permission of Superintendents only.

15. **Project Completeness:** All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels). Documentation is considered part of the project. Refer to Special Rule 18 - Documentation & Research found below.

16. **Project Presentation:** Criteria to be considered for Showmanship:
   a. **Neatness of project** – Clean and free of dust and debris.
   b. **Neatness of surroundings** – Includes floor under and around the project.
   c. **Documentation** – Presented in a manner that judges and the public can view. Awards, exhibitor cards, ribbons, or other materials from other or previous project shows should not be included in the documentation or display.
   d. **Signs** – All projects are to be identified with the official exhibitor card. Other signs, banners, etc. are subject to approval by Superintendent. "For Sale" signs are *not* permitted.
   e. **Exhibitor Card** – It is recommended that the exhibitor card be placed in a clear plastic sleeve and affixed neatly to the front center of the project. Exhibitor Cards must be on projects when they arrive at show grounds.
   f. **Logos** – Do not use company logos on projects unless provided a limited use agreement.
   g. **Inappropriate Silhouettes** – Inappropriate silhouettes or cutouts should not be used on projects.
   h. **Safety** – All safety procedures must be adhered to when displaying projects. Oxygen and fuel cylinders, acetylene or propane are not allowed.
   i. **Clutter** – Exhibitors should confine paraphernalia, chairs, show boxes, cleaning supplies, brooms, and wiping rags to their assigned display area.
   j. **Painting/Scratches** – Paint is not allowed in the display area. Judges will be instructed to make allowances for scratches or damage due to transportation.
17. **Exhibitor Presentation**: Criteria to be considered for Showmanship:
   a. **Attire** – Exhibitors should be dressed appropriately and be with their project when it is judged.
   b. **Sportsmanship** – Exhibitors should be courteous and helpful to those viewing their project, including those exhibiting next to them. Exhibitors should not interfere with or shield those who are exhibiting next to them.
   c. **Knowledge** – Exhibitors should be available to answer questions when their project is being judged. Knowledge of the project will be evaluated at this time. Knowledge is part of Presentation on Judging Criteria. Exhibitors should be well informed of the project they are representing.
   d. **Exhibit Aids** – Exhibitors should provide any equipment that may be necessary to judge their project (flashlights, mat or creeper for judging projects where judge needs to get under project such as trailers). Exhibitors may be requested to hold measuring tape and assist the judge in taking measurements of project.
   e. **Naming Project** – Proper project name and classification will be reflected on the Exhibitor Card. See *Naming, Describing & Classification of Projects* here.

   **Note**: At least one chapter/club exhibitor should be available to answer questions from the public or show officials, including showmanship and documentation judges at all times.

18. **Documentation & Research**: Documentation is considered a research portfolio and should not be constructed as a scrapbook. Documents should be easy to read and arranged neatly in a tabbed notebook with table of contents and numbered pages. Additional explanation for Documentation is found in *Documentation Check Sheet* here. Documentation for Tractor Restoration is explained below, Rule 27C.

   Documentation & Research Package must include the following components: (*Documentation & Research Package Template* is available here).

   a. **Working Drawing**: Must include an original (exhibitor-drawn) multi-view orthographic projection drawn to a given scale with proper lettering and dimensioning. Scale must be identified on the drawing. Dimensioning shown on drawing should be specific and complete enough for it to be apparent that drawing was used to plan and construct project. Judges will spot check dimensions on projects to see if they comply with drawings. Drawing may be pencil or CAD (Computer Aided Design). Pictorials, isometric, oblique or perspective may be included. Examples of proper drawing including scaling can be found in Presentations Project PDF and Documentation & Research Package Template found here.

   b. **Bill of Materials (BOM)**: Must include a list or a description of material, including columns 1) Date, 2) Description, 3) Size, 4) Quantity, 5) Unit, 6) Cost per item, 7) Extended or Total Costs. Other information such as, OC (Opportunity Cost) to identify items that were donated but have value, PE (Professional Expenses) to identify work done by others, sum of all (Total Costs) cost including OC and PE should be shown in BOM. Vendors name and/or Purchase Order Number, etc. may be included. Invoices or Sales Receipts are recommended to be included with the BOM. BOM may be developed using computer spread sheet program. Examples of BOM can be found in the Documentation & Research Package Template found here.

   c. **Photographs**: Show work in progress and should illustrate proper safety procedures including clothing, eye and face shields, etc. Photographs should be sequenced in the order of constructing the project. Exhibitor(s) should be in pictures. CEA/AST should be in some of the pictures. Pictures must be of good quality with labels identifying activity and exhibitor(s) in the picture. No more than 40 pictures may be included, with the exception of Tractor Restoration, or Reconditioning Classes. Two, but no more than four pictures per page is recommended. Additional photographs may be displayed in a separate notebook for public viewing, or may be displayed using computer display if electricity is available. Videos may also show construction, but computer displays and videos do not substitute for the photos required in the documentation notebook.

   d. **Research - Papers to be included**:
      i. All projects attaching to tractors and/or PTO must include latest appropriate ASABE Standards - Special Rule 21. Instructions for addressing the ASABE standards are found on website.
      ii. All Projects pulled on public highways must include relevant DOT codes including Federal Lighting Table, - Special Rule 20. Federal Lighting Equipment Location Requirements can be downloaded from [www.sarodeo.com](http://www.sarodeo.com).
      iii. Product Information (PI) bulletins and/or Safety Data Sheets (SDS) or (MSDS) must be germane to the project and should include paints and chemical supplies, etc. Manufacturer's specifications or PIs for trailer and equipment components such as axles, springs, wheels, jacks, break-a-ways, and hydraulic cylinders should be included.

   **Projects having no documentation are not complete and will be disqualified.**
19. Project Safety:
   a. Display: Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points; such as found on roofs of self-feeders, bale movers, etc.; must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.
   b. General Safety: Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. No cylinders (oxygen, acetylene, or propane) are allowed. Electric extension cords must not cross aisles used as exit ways.
   c. Projects with Engines: No more than 25% of the fuel tank capacity is allowed in any fuel tank. The fuel tank cap must be in place. All batteries, except tractors must be disconnected. See Tractor Safety below.

20. Transportation Statutes: All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Title 7, Vehicles and Traffic Transportation Code of the Texas Statutes. No Agriculture Exemptions except farm tags are allowed. See here for JAM Trailer Rules and Codes. All trailers and tongue equipment pulled on highways will be pre-inspected at the Salado Creek Property.
   a. Trailer wiring, lights and brakes will be tested. Colors of conductors in the wiring harness should meet industry standards. See Trailer Construction Guide here. Trailer must be grounded to vehicle with grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)
   b. All trailers must have a Vehicle Identification Number (VIN) or Serial Number (SN) placed on tongue. SN or VIN will not be used to check registration. All trailers that are pulled to the show must have a license plate. May use Farm Tag.
   c. All tongue equipment that are pulled on a public highway – for example: trailers, squeeze chutes, hydraulic log splitters, mowers, tillage tools, sprayers, etc. will be DOT inspected at Salado Creek Property for approved (1)safety chains, (2)tongue jacks , (3)lights and reflectors.
   d. All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and brake-away equipment. This includes bumper pull as well as gooseneck trailers. See Trailer Check Sheets and Construction Guide.
   e. All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.
   f. Tie down attachments (D Rings) (minimum of 4) are recommended on all utility trailers.
   g. Fender Wheel Clearance – Judges will abide by specifications provided in PI documents. General specifications are: (a) Four inch fender clearance above tire is required with exceptions of (b) torsion axle 3 inches and (c) single axle trailers 3 inches. Fenders must be wider than tire tread so edge of fender does not cut tire.
   h. Any trailer that is over wide (102 inches) must have a signed overwide permit. Permit to include dates week prior to and week after show. Trailer widths will be measured at the widest point on the trailer. Review Trailer Statutes document and the Trailer Construction Guide here for major codes and rules. It is the exhibitors’ responsibility to have reviewed and understand all TxDOT and Federal Codes.
      Any trailer that is over width without permit will be discounted 10 points.

21. ASABE Standards: All three-point hitch and/or PTO operated equipment must meet the latest ASABE. (The Society for Engineering in Agricultural, Food, and Biological Systems) standards. Both standards have been revised in the past six years. Must have the ASABE approved code and monthly password to access and print documents from the ASABE Technical Library. Codes are available through December. Standards should be downloaded in time for use in planning and construction of project. Instructions to access ASABE Standards along with monthly codes can be found at http://jamshow.org. Other important links to helpful information can also be found on http://jamshow.org If you have question or need additional help please email Lon R. Shell at tractor@lonsell.com or Patrick Real at realfarm@swbell.net.

1. Power take-off equipment must meet ASABE standard, Agriculture Tractors - Rear –mounted power take-off types 1,2,3 and 4 – Part 1: General specifications, safety requirements, dimensions for master shield and clearance zone. This Standard was revised Feb 2015. When searching the ASABE to find and download a PDF file - enter Document number AD500 or name of title standard.

2. 3 Point linkage must meet ASABE standard, Agricultural wheeled tractors - Rear Mounted three point linkage-Categories 1N, 1, 2N, 2, 3N, 3, 4N, and 4. To find and download the PDF enter AD730 for document number or name of title of standard. This document was revised March 2015.

3. Copies of the most recent ASABE standards must be included in Research Section of documentation for those projects that apply.
22. **Loss or Damage:** Every precaution will be taken to protect projects, however, neither the San Antonio Stock Show & Rodeo nor the show officials will be responsible for any loss or damage to projects including tractors and unloading and loading them.

23. **Projects Needing Offloading Assistance:** Projects that must be hoisted from the top-side are to be fitted with lifting eyes at balance points that will accommodate one inch shackles. Trailers that are transporting both tractors and other projects should be organized so the tractor can be off loaded prior to other projects. Projects that Show Officials conclude cannot be safely off-loaded with equipment available may be shown on the trailer at an alternate site. Special rules for offloading and loading tractors are provided in Tractor Show and on website.

24. **Project Show Judging Criteria – excluding Tractors**

   h. All Crawlers must be equipped with rubber lugs or exhibitor must provide rubber belts/mats. Belts may be conveyor or baler belts.
   i. Tractors may be started and driven only at the request of show officials.
   j. Unloading and Loading will be under direction of show officials.
   k. Tractor Documentation & Research package must be turned in at unloading Friday. No changes to package will be allowed after they are submitted. Documentation will be returned to tractors Saturday. Exhibitor must insert worksheets in notebook Saturday after notebooks are returned. Judges have completed and presented worksheets to exhibitor when inspecting tractors Friday. Worksheets may not be altered. Note: Example worksheets can be found at http://jamshow.org.
   l. Exhibitors must provide for each tractor, tools including flash light necessary to check fluid levels. Also, cloth or paper wipes and step ladder for large tractors for judges to check fuel and fluid levels. Tire pressure will also be checked.
   m. Display area: Table or bench size should not exceed 3 ft. by 6 ft. (Should not be so large it blocks access to tractor and other tractors. If tool box is used it should be sized to fit under the table. Tool Box may serve as the table.
   n. Electrical outlets are not guaranteed.
   o. Caution Tape is not necessary. Do not use tape to prevent access to tractor. Signs may be used to request public to keep off tractor.
   p. Drip pans with absorbent are required at night only.
   q. Additional instructions and safety issues are addressed below.

a. Mechanical

i. All tractor classes

• As part of the mechanical evaluations exhibitors will be asked to start and drive tractor, demonstrating all gears along with systems, hydraulics, lights, brakes, PTO, etc. Driving and some mechanical evaluation will be conducted outside after off-loading on Friday. Most of the safety criteria will also be evaluated at this time. Exhibitors may be asked to move tractors back outside Saturday for additional evaluation.

• Refer to Driving, Mechanical & Knowledge Reference Sheet 1 – on the website for more specific information.

• NOTE: Sandblasting is discouraged except on large castings such as weights, wheels and rims and components that have no moving parts. Engine blocks and heads, transmissions, clutch housings, differential and axle housing should not be sandblasted. Also sandblasting can warp or distort sheet metal parts and will impact aesthetics. Sand remaining from sandblasting can result in major damage to tractor. Evidence of sand will result in deducting points in Mechanical.

ii. Restoration Classes 1401, 1402, & 1501

• To include the mechanical restoration of all systems including Engine, Transmission and Final Drive.

• Including components – fuel (carburetor or diesel pump), cooling, ignition, exhaust, clutch, brakes, steering, starting, lighting, charging, hydraulics, 3 point and PTO. Some tractors may not have all of these.

iii. Reconditioning Class 1502

• Will include only those systems or components that need major repairing or reconditioning. (Those systems that were repaired or maintained should be identified in the Table of Contents see below.) Exchanging parts, for example removing a diesel pump and taking to town to put on pump stand is not considered a major repair. It should be identified under Engine in reports but must entail proof of diagnosis in determining pump malfunction to be awarded diagnostic points. Mechanical is worth 30 points in class 1502. Diagnostics is an important part of analyzing the mechanical components. Diagnostic points are awarded in its own Category.
• Will include maintenance items. This may be an extensive list such as maintenance required for warranty. Examples of maintenance could include – cooling, fluids, hoses, belts clutch adjustments, air conditioning and tappet adjustments. Some maintenance items may require checking codes on tractor display which may require a special computer to help diagnose error codes. These will require the cooperation of the dealer. Diagnostic skills performed in the performance of major mechanical and maintenance will be awarded points in the Diagnosis criteria, see below.

b. Knowledge & Presentation: (All tractor classes)

• Knowledge points have been increased. Knowledge is a very important criterion in meeting the JAM educational objectives.

• Judges will ask technical questions to determine the exhibitor(s) knowledge of and involvement in restoration/reconditioning. Judges may present components for exhibitors to identify, describe and discuss.

• Presentation includes showmanship (see showmanship score card on website) and encompasses the following: meeting public, making eye contact, introducing self, being confident, articulate, exhibiting enthusiasm and excitement when describing tractor. Display area including area around and under the tractor and additional display items such as Owners Manuals, video equipment including computer display and worn or broken parts replaced in restoration or reconditioning.

c. Documentation and Research: (All Tractor Classes)

• Documentation is a research portfolio and should not be considered a scrapbook. Documentation must be typed (recommend word processor and spreadsheet using computer)

• Many Exhibitors use Documentation to exhibit their knowledge and understanding of Tractors and the skills necessary to Restore and Recondition them. In the photo sections, most exhibitors expand on what they are doing using two or three paragraphs in their descriptions of each system (photo section) – transmission, engine, clutch, etc.

• Tractor Judges rely on the Documentation Section in addition to questioning to ascertain the knowledge and understanding exhibitors have of the different systems and components and the procedures they used. Many of the knowledge points are determined when judges are inspecting the documents and asking questions over materials they are evaluating.

• See Tractor Restoration Documentation Template (PDF) under Presentation on the website. This template was prepared in 2016 and requires slight modifications for up to date documentation specifications.

• Also Documentation, Knowledge & Presentation Reference Sheet 2 – found on the website has more specific information. This document also needs modified slightly See revision for Class 1502 Reconditioning class below. All judges critique sheets are on JAM website.

• All documentation should be arranged in a three ring binder, using sequenced labeled dividers with a corresponding table of contents. Suggested Table of Contents shown below will differ slightly between Restoration and Reconditioning classes.

• Tractor documentation will be submitted at unloading. Documentation may not be altered after it is submitted.
Table of Contents - Documentation for all Classes should include Table of Contents similar to one shown below with page numbers – Refer to Template on website

| I. | Tractor History – Previous Owners – where obtained, etc. (Max 1 page) Could include Picture of tractor as you found it. |
| II. | Restoration or Reconditioning – Mechanics Summary Report including Complexity Factors – CF (Max 1 page) Could include Picture of Completed Tractor. |
| III. | Expense Reports – show in spreadsheet format. Similar to BOM in project show.  
   a. Parts – Costs of all parts and supplies – invoices included with dates. Show Total Expense including Sub Totals of OC and PE.  
   b. Opportunity Cost – OC (identified in Expense Report with OC next to dollar value) These are items which were given/donated to you – identify their value in dollars, same as if you purchased them. Show sub-total for all OC.  
   c. Professional Expenses – PE (Identified in Expense Report with PE notation) These are expenses incurred from taking part to professional technicians. For example, taking a diesel pump to a Diesel Shop so they can put it on pump stand – diagnose and repair it. You are encouraged to be present when the technician is evaluating and/or repairing part so you can learn from this. Have picture taken of you with Professional mechanic to be included in your photos. Professional should be identified in pictures. PE expenses should be presented in a report by itself with Title: Professional Expenses. Should have a sub-total for this category. |
| IV. | Photos – (order of presentation - disassembly – evaluation – repair) All Photos should have a title or description along with identifying names of exhibitors performing the task in the picture. Teacher (AST) or CVEA and others helping you should be in a few of the pictures and identified. Most pictures should be technical in nature – using precision tools – micrometers, torque wrenches, small hole and telescoping gauges, adjusting tappets or clutch, timing engine, diagnosing hydraulic system with pressure gauges, etc. Most exhibitors use two or three paragraphs to explain what they are doing in the pictures in different sections. See example Template.  
   a. No more than 120 pictures with 2 pictures per page. Cover sheets not required on picture pages.  
   b. Photos of high quality – could be on photo paper – excellent contrast and brightness. Judges will also evaluate safety issues in the pictures – gloves, face shields, spray painting, etc.  
   c. Photos shown by sections. Sequence may be different from that depicted below. (Recondition Class will only have pictures in sections – components they diagnosed and repaired.)  
      i. Engine  
      ii. Clutch  
      iii. Transmission  
      iv. Final Drive Train – Transmission & Final Drive could be combined in a Power Train Section  
      v. Ancillary & External components could include steering, operator comfort, controls, fuel, air filter, turbo, electrical, cooling hydraulics, brakes, etc.  
      vi. Sheet Metal and finishing – Reconditioning class should include Aesthetic items here also. For example, was a cab kit installed?  
      vii. Rims and Tires  
      viii. Eye Appeal item – Decals, Trim, other – Appearance Section could include: vi, vii, and viii |
| V. | General Specifications – Examples, Tractor Fluid Capacity chart, Tractor Horsepower, Hitch Category, Torque chart for fasteners, Valve Tappet adjustments, tractor operator controls, safety items and symbols. |
VI. Recondition Class only – Equipment Check-In Sheet and Service Preliminary Sheet. These sheets are forms tractor dealers use when tractor or machine brought to them by farmers for repair. There are examples of these two forms on the website that you may download and print or it is suggested that you use the local dealers’ sheets.

a. *Equipment Check-In sheet.* Customers helps the dealer fill this form out when customer brings in equipment or tractor to be repaired. It includes all the information regarding customer, such as name, address, phone, email etc. It also identifies the machine(s) and or tractor(s) brought in. An important part of this form is asking the farmer to identify or describe the problem (issue) – why machine was brought in.

b. *Service Preliminary Form.* Technician fills out this form after he has inspected the machine and list all items that are needed to repair or fix problem. Form is presented to customer for him to sign authorizing necessary parts and repairs prior to repair.

VII. Research SDS, and/or PI. ASABE standards including PTO and Hitch Category. See Special rule 21. All relevant Judges Check & Reference sheets. Letters, correspondence with those who advised or helped you with tractor. Owner’s Manual and Parts manuals along with IT manuals are usually too large to show here. They may be books themselves but you could reference those displayed. You may also want to identify those items or parts that you have on display.

d. Safety: Safety is measured in a number of ways. See *Aesthetics, Authenticity & Safety Reference 3* on website. All equipment that was original to the tractor should be in place (includes all shields and decals) Tractors must be in a safe operating condition and the following safety procedures must be followed.

i. Judges will inspect photos to see if tractor was repaired in a safe environment including painting facilities, exhibitors wearing safety glasses and or face shields, gloves, proper and safe clothing. Proper use of hoist and lifting devices, combustible materials stored properly, etc.

ii. Safe procedures must be followed in unloading and loading the tractor. Specific rules and regulations related to the driving, unloading and loading the tractor are posted on the website. These will be strictly adhered to and safety points deducted for infractions.

iii. Basic rules for driving, unloading and loading tractors.

1) Tractors are unloaded and loaded only under the direction of show officials. No tractor will be offloaded without supervision of show official.

2) Tractor driver must have experience in driving and loading tractor on trailer hauling it to show. This driver must have the approval of the AST or CVEA. Leader certifies that driver meets these criteria. Diver unloading and loading the tractor may or may not be the exhibitor but safety point deductions will be attributed to that tractor based on the procedures used in offloading and loading.

3) Tire pressure and tire coating will be inspected along with controls, including brakes, throttle and clutch prior to offloading. Tires should not have more than recommended tire pressure.

4) All ramps must be fastened to trailer and designed with proper surface to provide traction. This is especially important in wet weather. Trailer must be equipped with middle ramp if hauling tricycle tractor.

5) It is the responsibility of the driver to make sure that at least 10 ft. of area around the trailer is clear. Only approved personal may be in this area.

6) Truck driver must off load any projects that on the back of the trailer hauling the tractor at the barn where directed. Fork Lifts and other machinery will not come into the tractor unloading area.

e. Aesthetics: Overall appearance of tractor including workmanship and finish. Aesthetics will be evaluated for all tractor classes. Items to be considered include but are not limited to the following.

i. Metal preparation prior to painting or waxing.

ii. Painting a tractor in the Reconditioning class would be done if it increases its value more than the costs of painting. Exhibitor may want to ask a machinery auctioneer to appraise the tractor unpainted and if painted assuming all mechanical repairs are made. Detailing tractor is required even if tractor is not painted.

iii. Reconditioned tractors that are not painted must have been pressure washed including engine compartment. Those that are not painted may be waxed.

iv. Painting and finish in Restored Tractors. Clear coating is not recommended. Paint color should be original. See *Aesthetics, Authenticity & Safety Reference 3* on the website.
v. Detail and completeness of components – cabs, steering wheels, seats, controls and gages, wiring harness, hoses and belts, etc.

f. Authenticity: (Restoration Tractor classes only) Must be as original as possible. See Aesthetics, Authenticity & Safety Reference 3 on the website. Items included: Authenticity is not considered in the Repair and Reconditioning Class 1502.

i. Paint color, fasteners, and other components such as magnetos, carburetors, exhaust systems

ii. Mechanical systems – fuel, electrical, engine, transmission, final drive, PTO and 3 Point hitch, cooling, etc.

iii. Original Serial plates in place and unaltered serial numbers.

Note: Authenticity – does not prevent updating or improving the efficiency and performance of a tractor for field work using manufactures upgrades. This applies especially for the later model tractors. Examples would be replacing the refrigerant R12 and equipment with 134A. Other examples include improved mechanical parts such a hardened valve seats, improved cylinders, rings, pistons, seals, and bearings. Alternators and other external parts should not replace generators, etc., on older tractors shown as antiques. Six volt systems should not be converted to twelve volt.

Diagnosis: (Recondition Tractor Class) Diagnosis should be documented in the explanations in Documentation & Research book especially when explaining the systems – component analyzed with the Photos. Dealer Forms identified in Documentation above require diagnosis. In later model tractors error codes are generated in the display or computer on tractor to help mechanic determine the problem. Exhibitor may have the dealer’s mechanic to help him with this diagnosis in that school may not have the necessary equipment. Student should be involved in the process and should explain and document it in his documentation package. It is hoped that this will help develop a connection with the dealer and maybe eventually turn into an internship or employment. Teacher/leader should go with the student to ask the dealers cooperation. It may be that the dealer can help the students by providing them one of the tractors that has been brought to him for repair. The dealer performs a lot of the required warranty maintenance items on the later model tractor in addition to repair. Some of these maintenance items are technical and will require knowledge and skills to perform the required maintenance. Repair and extensive Maintenance will meet the Mechanical requirements to justify entering a tractor in the Recondition Class because in many of these diagnostic analysis will require reading and interpreting technical manuals.

g. Complexity Factor: Up to 15 points may be added to reward exhibitor(s) for difficulty or sophistication of work conducted on tractor. Examples could be on tractors that have AC units and Cabs, sophisticated transmissions, hydraulic, electrical systems. Work and research shown rebuilding or repairing original parts beyond the normal repair instead of purchasing new ones. Welding cast iron parts where preheating and post heating was necessary, building up a shaft and turning down on lathe or hard surfacing or building up teeth on a gear are all examples. Evaluating tractor on a PTO dynamometer could be considered as a Complexity Factor and is also a diagnostic function.

28. Additional Resources
Exhibitors and leaders are encouraged to get on the website and using a monthly code to access the ASABE technical library in order to download the Tractor and PTO standards. Although these standards apply to the later model tractors, they are relevant to early model tractors and machinery, for example hitch categories and PTO sizes and number of splines. Standards identify specifications that make different machines compatible with the tractor including early model tractors. It is important for the exhibitor to learn how to search technical libraries such as ASABE: print them out and interpret them. Service men working with the later model more sophisticated tractors and machines must rely on technical documents to diagnose and repair them. We also provide on the JAM website many additional technical materials to help in our educational objective. Many of these have been identified in other Sections regarding tractors.

AG MECHANICS MARKETPLACE COMPETITION

ENTRY DEADLINE: DECEMBER 1, 2019

Superintendent: Dr. Rudy Ritz

**Friday, February 21**
- Staging/Project Check-In: 5 AM – 11 AM  SCP
- Written Exam Check-In: 4:30 PM  CB
- Written Exam: 5 PM  CB

**Saturday, February 22**
- Judge: 8 AM  SB
- Results & Awards: 5 PM  SB

**Sunday, February 23**
- Auction: NOON  SB
- Results & Awards: After Awards/Auction  SB

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

**SPECIAL RULES**

1. **Entry Fee:** The entry fee for each project is $75.00. Entries must be submitted online and all official San Antonio Stock Show & Rodeo entry forms must be completed.

2. **Eligible Entries:** The San Antonio Stock Show & Rodeo makes available to CEAs and ASTs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Ag Mechanics Marketplace, subject to these rules. The Ag Mechanics Marketplace Competition is also an invitational contest to high schools within Bexar County. Entries in the Ag Mechanics Marketplace Competition must be submitted in the name of the county 4-H club, FFA chapter or Bexar County high school by the respective CEA or AST or CTE teacher. Contestants must be bona fide members of a Texas 4-H Club, Texas FFA Chapter or a student of a Bexar County high school. They must be enrolled in and attending public, private or home school elementary or secondary schools in Texas at the time of the event.

3. **Number of Entries:** Each club/chapter/Bexar County high school may enter a maximum of one (1) project.

4. **Projects:** Projects must have been constructed by FFA or 4-H members or students either as a part of their agricultural mechanics instruction in agricultural science, part of their supervised work experience program, or as part of CTE curriculum in a Bexar County high school. **Projects must be designed and constructed under the direct supervision and guidance of the CEA/AST/CTE teacher.** Projects made largely of wood will require at least 25% of a skill other than carpentry to be used in construction. The addition of metal ornaments or bands attached to wood project will not be considered a part of the 25%.

5. **Construction Date:** A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been completed within one calendar year of the exhibition date.

6. **Teams:** The club/chapter/school members who design and construct the project may be different individuals than who represents the club/chapter/school in the Ag Mechanics Marketplace Competition. Other than the construction of the project, all team members must compete in all phases of the contest (Written Exam, Sales Presentation). Teams are comprised of two (2) or a maximum of four (4) students.
7. **Market Value:** All projects are required to sell (project ownership is transferred to the buyer) if the market value is met by a buyer through the sealed bid process or the Live Auction. The market value set by each team for a respective project **may not be greater than $3,000.** If the market value is not met in the sealed bid process or the Live Auction, the project will be retained by the club/chapter/school and will follow appropriate check-out procedures. **It is important to determine a reasonable market value.** No matter what type of product sold, the price charged to customers or clients will have a direct effect on the success of the business. Though pricing strategies can be complex, the basic rules of pricing are straightforward:

- All prices must cover costs and profits.
- Assure price for product reflects the dynamics of cost, market demand, response to the competition, and profit objectives.
- Prices must be established to assure sales.

8. **Auction:** Twenty (20) teams will be selected to offer their project to sell in the Live Auction on Sunday afternoon. Auction proceeds will be paid directly to the club/chapter/school.

9. **Exhibit Space:** Projects will be displayed at the discretion of show officials. Display space under shelter is not guaranteed.

10. **Vehicles:** Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are allowed in the exhibit area as part of the display with permission of the Superintendent only.

11. **Loss or Damage:** Every precaution will be taken to protect projects, however, neither the San Antonio Stock Show & Rodeo nor the show officials will be responsible for any loss or damage to projects.

PROJECT – 50%

1. **Projects**: Projects should be marketable to a wide variety of customers including general rodeo patrons. Projects that are specialized for a limited number of uses may be challenging to market to the clientele base. Teams are encouraged to be innovative, but maintain the marketability of the project.

2. **Project Divisions**: The following types of projects may be exhibited in the respective Project Divisions:

   a. **Livestock and Farm Equipment**: Includes items such as hay handling equipment (ex. hay spears, single/double bale hay trailers, bale pickup equipment, etc.), squeeze chutes, restraining equipment and crowding or working pens, and universal fit truck and ag equipment accessories (i.e.: tool box, storage, ATV rack, receiver hitch carrier, hitch & towing accessories, quick attach skid steer attachments). Some degree of metal fabrication is required. It is encouraged that items have the ability to be utilized on a wide variety of operations regardless of size or type. No all wood projects.

   b. **Trailers**: Includes items such as utility bumper pull trailers (must be 16 ft. and under) and towable (wheels with lug bolts) cooking equipment (i.e.: BBQ pits, smokers and grills). Small trailers for hauling basic equipment such as lawn mowers, and material are encouraged. No all wood projects.

   c. **Wildlife**: Includes items such as equipment used in managing wildlife and exotic game (i.e.: equipment used in the management, raising and caring for animals such as deer, turkeys, quail, fish, etc.). Items meeting the basic uses of a hunter or fisherman are encouraged. No all wood projects.

   d. **Home Recreation and Conveniences**: Includes items such as non-towable (small) cooking devices (i.e.: BBQ pits, grills, fire pits, and fish fryers. Pits made from metal drums not allowed) and outdoor yard and garden equipment (i.e.: outdoor tables [cannot be all wood], swings, planters, green houses, potting sheds and other buildings. Projects made of wood must include, in addition to carpentry, significant metal or other technical skill such as plumbing, masonry and/or electrical. All projects must be designed for outdoors – no all wood projects or indoor furniture allowed).

3. **Project Quality and Classification**: Show management reserves the right to remove any project from participating if the quality, safety, or design of the project does not meet the standards set for this competition. A general evaluation of each project will be conducted prior to the start of competition. Projects which fail to be evaluated prior to the start of competition will be subject to disqualification. Show management reserves the right to classify a project into the appropriate Project Division at their discretion.

4. **Project Completeness**: All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels).

   **Note**: At least one team member is highly encouraged to be available to answer questions from the public or show officials including judges at all times. As well, teams are highly encouraged to have proper materials to market their project to any patrons or show officials at all times.

5. **Project Safety**:

   a. **Display**: Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.

   b. **General Safety**: Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. All compressed gas cylinders must be properly secured. Protective caps installed. NO regulators or hoses are to be installed. Electric extension cords must not cross aisles used as exit ways.

   c. **Projects with Engines**: No more than two gallons of fuel in any fuel tank is allowed. The fuel tank cap must be in place. All batteries must be disconnected.
6. **Transportation Statutes:** All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Title 7, Vehicles and Traffic Transportation Code of the Texas Statutes. Such projects should be outfitted with VIN number to allow the exchange of ownership to the respective buyer. No Agriculture Exemptions except farm tags are allowed. See www.sarodeo.com for JAM Trailer Rules and Codes. All trailers and tongue equipment pulled on highways will be pre-inspected at the Salado Creek Staging Area.

   a. Trailer wiring, lights and brakes will be tested. Colors of conductors in the wiring harness should meet industry standards. See Trailer Construction Guide at www.sarodeo.com. Trailer must be grounded to vehicle with grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)
   
   b. All trailers that are pulled to the show must have a license plate and be ready to exchange ownership to the respective buyer. May use Farm Tag.
   
   c. All tongue equipment that is pulled on a public highway (i.e., trailers, etc. will be inspected at Salado Creek Staging Area for approved safety chains, lights and reflectors).
   
   d. All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and brake-away equipment. See Trailer Check Sheets and Construction Guide.
   
   e. All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.
   
   f. Four inch fender clearance above tire of 4 inches is required with exceptions for single axle trailers.
   
   g. Any trailer that is over wide (102 inches) must have a signed permit. Permit to include dates week prior to and week after show. Trailer widths will be measured at the widest point on the trailer. Review Trailer Statutes document and the Trailer Construction Guide at www.sarodeo.com for major codes and rules. It is the exhibitors’ responsibility to have reviewed and understand all TxDOT and Federal Codes.

7. **ASABE Standards:** All three-point hitch and/or PTO operated equipment must meet the latest ASABE (The Society for Engineering in Agricultural, Food, and Biological Systems) standards. Both standards have been revised in the past three years. Must have the ASABE approved code and monthly password to access and print documents from the ASABE Technical Library. Instructions to access ASABE Standards along with monthly codes can be found at www.sarodeo.com. **Power take-off equipment** must meet ASABE standard, Rear-mounted power take-off types 1, 2 and 3 - Narrow-track tractors, dimensions for master shield and clearance zone. This Standard was revised in 2011. When searching the ASABE to find and download a PDF file - enter in Document number 500.

8. **Projects Needing Offloading Assistance:** Projects that must be hoisted from the top-side are to be fitted with lifting eyes at balance points that will accommodate one inch shackles. Projects that show officials conclude cannot be safely off-loaded with equipment available may be not be allowed to participate.

TEAM SALES PRESENTATION – 25%

1. The Product Summary and Marketing Materials will be used in the team sales presentation to “sell” the project entered by each team to a panel of judges.

2. The judges will act as a real customer which may include not buying the project. Participants will have to establish rapport with the judge and ask probing questions to ensure they meet the judges’ needs.

3. The judges will utilize the Product Summary to prepare for the presentation conversation.

4. Teams may only use the following items during the team sales presentation: the team, the project, Product Summary and Marketing Flyer. No slide shows, electronic presentations, videos, computer demonstrations, etc. may be used during the team sales presentation, these items may be part of the display in the Marketplace, but cannot be used, and will not be considered, during the team sales presentation.

5. Teams will have seven (7) minutes to interact with the judge. All members of the team must be present and all must participate.

6. Teams should present themselves with a professional appearance.

7. Teamwork and involvement of team members will be judged during this event.

8. Teams should plan to accomplish the following tasks during the sales presentation:
   a. Introduce themselves to the customer in the opening of the presentation.
   b. Introduce the product to the customer.
   c. Point out the features of the product.
   d. Explain how the product would benefit the customer. Ask for the customers’ reaction to the product.
   e. The customer will object to some element of the sales presentation. Teams should try to overcome the objection (price, size, color, etc.) with a positive solution to the customers’ objections.
   f. The customers will also give the teams a chance to close the sale during the presentation. Ask for the business and be prepared to finalize the order.

9. Teams should include the following in their presentation:

<table>
<thead>
<tr>
<th>Indicator</th>
<th>Skills</th>
</tr>
</thead>
<tbody>
<tr>
<td>First Impression</td>
<td>Team identifies themselves with a good first impression, creates customer attention.</td>
</tr>
<tr>
<td>Sales Approach</td>
<td>Team asks questions and utilizes information from answers in an attempt to build a personal rapport. Teams asks questions to learn about the customers’ interests.</td>
</tr>
<tr>
<td>Needs and Wants</td>
<td>Team confirmed and discovered customer needs and wants.</td>
</tr>
<tr>
<td>Demonstration</td>
<td>Team applied features and benefits of their product to the customers’ needs/wants to their product features.</td>
</tr>
<tr>
<td>Trial Close</td>
<td>Team uses appropriate sales technique to confirm customer interest and/or identify buying signals.</td>
</tr>
</tbody>
</table>
Objections | Teams listens and clarifies customers’ objections. Team applies and discusses the features/benefits of the product to address the customers’ objections.
---|---
Close or Advance Sale | Team closes or attempts to close the sale.
Active Listening | Team actively listens to comments and answers from the customer throughout the presentation.
Teamwork | How well did each team member participate/communicate in the presentation?
Knowledge | What level of knowledge did the team have of the product they were selling?
Principles | Did the team present using sound sales principles?
Professionalism | Was the presentation delivered professionally?
Total Score | 75 Points

### PRODUCT SUMMARY/MARKETING MATERIALS – 10%

1. **Product Summary (15 pts):** Each team will develop a product summary to be submitted via email to livestock@sarodeo.com by February 1, 2020. The email should be titled Ag Mechanics Marketplace-Club/Chapter/School Name. The team will receive a confirmation email upon receipt. The product summary should include: If the project summary is not submitted by February 1, 2020, the team will receive no points for this section. An example of the Product Summary will be posted at www.sarodeo.com.
   a. Club/Chapter/School Name
   b. Product to be sold
   c. Statement of marketing situation
      i. Who is the customer?
      ii. Why would the customer want the product?
      iii. Who are the major competitors selling a similar product?
   d. Features of the product
   e. Benefits of the product for the customer
   f. Market Value (This will also be used as the minimum bid for the respective project)
      i. All projects are required to sell (project ownership is transferred to the buyer) if the market value is met by a buyer through the sealed bid process or the Live Auction. The market value set by each team for a respective project **may not be greater than $3,000**. If the market value is not met in the sealed bid process or the Live Auction, the project will be retained by the club/chapter/school and will follow appropriate check-out procedures. **It is important to determine a reasonable market value. A bill of materials and comparative pricing may be helpful in justifying a reasonable market value.** No matter what type of product sold, the price charged to customers or clients will have a direct effect on the success of the business. Though pricing strategies can be complex, the basic rules of pricing are straightforward:
         1. All prices must cover costs and profits.
         2. Assure price for product reflects the dynamics of cost, market demand, response to the competition, and profit objectives.
         3. Prices must be established to assure sales.
   g. Product Specifications (Weight, size dimensions, electrical specifications, weight ratings, maintenance requirements, etc.)
   h. As a supplement to the Product Summary the team should include at least three and up to five photographs or representative images (computerized renderings are acceptable) of the completed product, these photos should be high quality (3200 x 2400 resolution) and will be used for promotion of the project. The photos should be sent in the same email, but as a separate attachment.
2. **Marketing Flyer (15 pts):** Each team will develop an 8.5” by 11” one or two-sided flyer promoting and detailing the product. Flyer should be designed to be utilized as an advertisement for and an overview of the product to be shared with customers. An example of the Marketing Flyer will be posted at [www.sarodeo.com](http://www.sarodeo.com).

The Marketing Flyer will be turned in at upon arrival at check-in and teams should supply judges (up to 5) with a copy during the Sales Presentation.

### AUCTION

1. The top 5 high scoring projects in each Project Division (Livestock and Farm Equipment, Trailers, Wildlife, Home Recreation and Conveniences) will be eligible for the Live Auction.

2. Show Management reserves the right to include additional high scoring projects in the auction at the discretion of the judges.

3. If a division has less than 5 eligible projects to sale, Show Management reserves the right to include additional high scoring projects from a different division in the auction at the discretion of the judges.

4. All qualified projects will participate in the sealed bidding process (Silent Auction). If project is not selected for the Live Auction, the highest bidder through the Silent Auction is the winning bid. If the project is selected for the Live Auction, be advised that the Silent Auction highest bid may not be the winning bid as bids will reopen during the Live Auction.

5. Silent Auction bids for projects eligible for the Live Auction will close at 6:00 PM on Saturday, February 22, 2020.

6. All other Silent Auction Bids will close 30 minutes following the completion of the Live Auction on Sunday, February 23, 2020.
AGRICULTURAL PUBLIC SPEAKING CONTEST

ENTRY DEADLINE: DECEMBER 1, 2019

Superintendent: Dr. Ted Ford (updated 10-25-19)

CONTEST SCHEDULE

Registration: Saturday February 15  7 AM – 8 AM  CB
Contest: Saturday February 15  9 AM  CB

This show is subject to the San Antonio Stock Show & Rodeo General Rules, Junior Rules and Special Rules listed in this section.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Contestants are limited to one individual entry, team entries are not allowed.

2. Eligibility: Contestants must meet all Junior Show Rule Requirements.

3. Projects: A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been researched and developed within one calendar year of the exhibition date.

4. Divisions: There are four divisions in which a contestant may enter.
   a. Animal Systems: The study of animal systems, including life processes, health, nutrition, genetics, management and processing, through the study of small animals, aquaculture, livestock, dairy, horses and/or poultry.
      Examples:
      • Compare nutrient levels on animal growth
      • Research new disease control mechanisms
      • Effects of estrous synchronization on ovulation
      • Compare effects of thawing temperatures on livestock semen
      • Effects of growth hormone on meat/milk production

   b. Power/Tech/Environmental Systems: The study of systems, instruments and technology used in waste management; the study of the management of soil, water, wildlife, forests and air as natural resources and their influence on the environment. The study of agricultural equipment, power systems, alternative fuel sources and precision technology, as well as woodworking, metalworking, welding and project planning for agricultural structures.
      Examples:
      • Effect of agricultural chemicals on water quality
      • Effects of cropping practices on wildlife populations
      • Compare water movements through different soil types
      • Develop alternate energy source engines
      • Create minimum energy use structures
      • Compare properties of various alternative insulation products
      • Investigation of light/wind/water energy sources
c. **Food Systems/Plant Systems:** The study of product development, quality assurance, food safety, production, sales and service, regulation and compliance and food service within the food science industry. The study of plant life cycles, classifications, functions, structures, reproduction, media and nutrients, as well as growth and cultural practices, through the study of crops, turf grass, trees and shrubs and/or ornamental plants.

*Examples:*
- Effects of packaging techniques on food spoilage rates
- Resistance of organic fruits to common diseases
- Determining chemical energy stored in foods
- Control of molds on bakery products
- Determine rates of transpiration in plants
- Effects of heavy metals such as cadmium on edible plants
- Compare GMO and conventional seed/plant growth under various conditions
- Effects of lunar climate and soil condition on plant growth
- Compare plant growth of hydroponics and conventional methods

d. **Ag Sociology:** The study of human behavior and the interaction of individuals in and to society, including agricultural education, agribusiness economic, agricultural communication, agricultural leadership and other social science applications in agriculture, food and natural resources.

*Examples:*
- Investigate perceptions of community members towards alternative agricultural practices
- Determine the impact of local/state/national safety programs upon accident rates in agricultural/natural resource occupations
- Comparison of profitability of various agricultural/natural resource practices
- Investigate the impact of significant historical figures on a local community
- Determine the economic effects of local/state/national legislation impacting agricultural/natural resources

5. **Judging:** Judging is based on the criteria set forth for the State FFA Science Fair Judges Written Paper Scoresheet and Interview Scoresheet. Please refer to the Judge’s Score Sheets. At the conclusion of Registration, the Superintendent will announce if a finals round will be necessary for any categories.

6. **Documentation:** Contestants must submit the following information electronically to [www.judgingcard.com](http://www.judgingcard.com) no later than January 15, 2020. These forms can be located at [www.judgingcard.com](http://www.judgingcard.com) under SALE AgriScience Fair (February).
   a. Abstract
   b. Manuscript

7. **Electronics:** Other than those approved by the event officials, participants will not be allowed to utilize personal electronic communication devices during the entire course of the event (Examples include iPads, tablets, computers, cell phones, Wi-Fi devices, etc.).

8. **Contest Format:**
   a. Contestants must be present at their booths during judging to explain their research/science project to the public and judges to answer any questions.
   b. Contestants will have a maximum of 10 minutes to present their project. This time should include approximately 3 to 5 minutes for student presentation, and 5 to 7 minutes for judges’ questions.
   c. Exhibited projects and project reports shall be the result of the contestant’s own efforts. The official maximum size for a display is 48” wide by 30” deep (the distance from front to back) by 36” high (from table to top of display). Failure to meet these requirements will result in disqualification. Please note that the width of tables may vary, but are generally 24” wide.
   d. All projects must have the following information attached to the upper right hand corner of the exhibit:
      i. Name of student
      ii. Chapter/club name and location (city)
      iii. Title of category entered
      iv. Division of category entered
   e. Contestants must provide all supplies, including backing, to mount poster board.
   f. Contestants must provide their own extension cords and tape to safely secure cords and prevent tripping.
   g. There will be limited electrical supply provided by the show. Equipment should have an internal power supply for demonstrations.

9. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.
Written Paper Scoresheet

Entry Number___________________________________________________________

Title of Project: __________________________________________________________

Division__________ Category______________________________________________

___5pts. Abstract- Abstract is brief and concisely describes the purpose, methods, results and conclusion. Abstract does not include cited references. Abstract is no longer than one page. Arrangement makes the purpose, procedure, results, and conclusions clear.

___10pts. Introduction- Introduction answers the question “Why was the work done?” It clearly states the problem that justifies conducting the research, the purpose of the research, its impact on agriculture, the findings of earlier work and the general approach and objectives.

___10pts. Literature Review- The literature review details what information currently exists concerning the research project. The information includes materials used in the research and material cited such as the articles about similar studies, similar research methods, history of the research area and other items that support the current knowledge base for the topic and show the project might complement existing information.

___15pts. Materials and Methods- The materials and methods section should enable others to reproduce the results by duplicating the study. It should be written in third person, encompass all of the materials required, state the hypothesis, and explain the study design. It should include statistical procedure if employed.

___20pts. Results- Written results of the project are summarized. Trends and relationships are clearly addressed. No conclusions are made in this section. Data that can stand alone in the form of tables and/or figures are included.

___20pts. Discussion and Conclusion- Brief recap of the results should be included and show how they were the foundation of the study. Sound reasoning is shown that the conclusions are based on results, incorporates previous literature, and relates directly to the hypothesis. Discussion refers/references to facts and figures in results section and provides recommendations for practice, future research and the impact on the agriculture industry.

___5pts. References- References should contain significant, published and relevant sources.

___5pts. Acknowledgements- Detailed list or paragraph acknowledging anyone who assisted with any aspect of the project and how they helped.

___5pts. Skill Development- All five competencies (three from primary pathway, two from any other pathway) demonstrate skills that are appropriate for the scope of the research project. The project demonstrates application of skill attainment with significant measureable impact on the overall project.

___5pts. APA Style/Spelling- APA citation style is used. No spelling or grammar errors are present.

___/100pts. Written Project Score

Title of Project: __________________________________________________________

Division__________ Category______________________________________________

___ 10pts. **Knowledge Gained**: Is there evidence that the exhibitor has acquired scientific skills and/or
knowledge by doing this project? Does the exhibitor recognize the scope and limitation of the problem
he/she has selected?

___ 25pts. **Scientific Approach**: Has the problem been clearly stated? Has the exhibitor used scientific facts as a
basis for new conclusions? Is the exhibitor aware of the basic scientific principles that lend support to the
methods used and the conclusions reached?
Can the research be the basis for further study? Have the appropriate methods and scientific design been
applied? Is the exhibitor aware of the empirical method (the necessity of repeating trials) and the importance
of controlling the variables in order to reach valid conclusions?

___ 10pts. **Collaboration**: Is there evidence of collaboration present? Identify the portions of the project
representing the work of others. Others include student researchers, teachers, specialists in the field of study,
etc.

___ 15pts. **Thoroughness/Information**: How successfully was the original plan carried through completion? Were
adaptations to the study made? If so, were they made in a way that upholds the integrity of the study? Are
known facts and principles stated correctly and used accurately? Have the results of experiments been
reported accurately even though faulty experimental methods or conditions may have made the data
unreliable? If so, have these errors been noted? Did the exhibitor identify areas of weakness in the study?

___ 15pts. **Results/Conclusions**: Has the exhibitor started with known facts and drawn their own conclusions? Are
the conclusions consistent with the data and/or observations? Did the exhibitor share what was learned as a
result of research? Can the exhibitor effectively communicate the results and impact of the study?

___ 15pts. **Visual Display**: Has the data been presented in the best manner for the particular type of information

TELL YOUR STORY OF TEXAS AGRICULTURE

VIDEO CHALLENGE

ENTRY DEADLINE: DECEMBER 1, 2019
SUBMISSION DEADLINE: JANUARY 15, 2020
TOP 3 FINALIST ANNOUNCED: JANUARY 21, 2020*

*Top 3 finalists will be announced by having their videos posted to the San Antonio Stock Show & Rodeo Competitive Events Facebook page.

This challenge is subject to the San Antonio Stock Show & Rodeo General Rules, Junior Rules and Special Rules listed in this section.

SPECIAL RULES
1. **Entry:** Contestants are limited to one individual entry, team entries are not allowed. An entry fee made payable to S.A.L.E. is required. Contestants should submit the entry information sheet along with their video link. Videos received after the submission deadline will not be considered.

2. **Eligibility:** Contestants must meet all Junior Show Rule Requirements.

3. **Format:** Contestants will submit a 1-2 minute (60 seconds – 120 seconds) YouTube style video over the theme outline below. All submitted videos will be reviewed by a judges’ panel. The top 3 videos will be posted simultaneously on the San Antonio Stock Show & Rodeo Competitive Events Facebook Page on Monday, January 20, 2020 at 11:00 a.m. Final rankings will be based on a point value system that correlates with how many “reactions” and “shares” each video receives directly on San Antonio Stock Show & Rodeo Competitive Events Facebook page. On Thursday, January 23, 2020 at 11:00 AM, points will be calculated based on the following scale:
   a. Each “reaction” = 1 point
   b. Each “share” = 5 points

4. **Theme:** The theme for the 2020 challenge is: “Explain how your 4-H/FFA Project is related to Production Agriculture.”

5. **Audience:** The audience is assumed to be general patrons of the San Antonio Stock Show & Rodeo.

6. **Originality:** All videos must be submitted by the original owner or creator of the submission. Entrant must hold all rights to the submission, including the copyright. The submission may not have been previously published, exhibited, displayed, submitted, distributed or aired and may not be pending publication.

7. **Language:** The video must be in English or contain English sub-titles.

8. **Submitting Entry:** Contestants or their club/chapter must have or create a YouTube account. Contestants must upload the video and submit the corresponding link by January 15, 2020. After the video has been uploaded to YouTube, the contestant must send the Statement of Originality Form for the Tell Your Story of Texas Agriculture Video Contest (can be found on sarodeo.com) via an email attachment to livestock@sarodeo.com with the subject line “Tell Your Story – Contestant Name – Club/Chapter.”

9. **Representation:** To be considered, the video must represent agriculture, incorporate the current theme (listed above), and reference the San Antonio Stock Show & Rodeo in some way. Contestants should refrain from using the date(s) of the upcoming Show in their video.
10. **Considerations:** The submission must not contain material that violates or infringes the rights of others, including, but not limited, to privacy, publicity, tort or intellectual property rights (including copyright, trademark or patent rights) or constitute copyright or trademark infringement, unless proper documentation is provided. The submission must not contain tortuous, defamatory, slanderous or libelous materials or contain inappropriate, indecent, obscene, hateful or discriminatory materials, as determined in the San Antonio Stock Show & Rodeo’s sole discretion. By entering the contest, contestants grant the San Antonio Stock Show & Rodeo a perpetual, royalty-free license to use their video, in any media, for commercial and non-commercial purposes. Contestants grant the San Antonio Stock Show & Rodeo permission to edit, modify, format, or adapt the video. The video may be made available to the public, so contestants should not include personal information about themselves or anyone else.

11. **Discretion:** The San Antonio Stock Show & Rodeo may disqualify the contestant from the contest, in its sole discretion if the submission fails to conform to these official rules.

12. **Judging:** All submissions must have met all rules and timelines in order to be considered. Judging is based on the criteria set forth below:

CONTEST DESCRIPTION

This is a challenge-based contest. A pre-determined set of known challenges will be released prior to the contest, and the remaining on contest day. Teams must build and program their robot for known challenges prior to the contest. On contest day, the remaining unknown challenges will be revealed and teams will be given time to build and program the robot to account for the unknown challenges. Known challenges and study resources are posted at https://texas4-h.tamu.edu/projects/robotics/.

SPECIAL RULES

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. There is no limit on the number of entries entered per club/chapter. However, due to time and facility restraints, entries may be selected by random drawing. If an entry is not selected, entry fees for the respective entry will be refunded.

2. Eligibility: The San Antonio Stock Show & Rodeo makes available to CEAs and ASTs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Agrobotics Challenge, subject to these rules. The Agrobotics Challenge is also an invitational contest to high schools within Bexar County. Entries in the Agrobotics Challenge must be submitted in the name of the county 4-H club, FFA chapter or Bexar County high school by the respective CEA or AST or CTE/STEM director. Contestants must be bona fide members of a Texas 4-H Club, Texas FFA Chapter or a student of a Bexar County high school. They must be enrolled in and attending public, private or home school elementary or secondary schools in Texas at the time of the event.

3. Teams: Each team will consist of at least three (3) and no more than six (6) members. Team may not include members from different age divisions. Team members may only compete on one team.

4. Age Divisions: Contest is divided into two (2) divisions (Age as of August 31, 2019):
   a. Junior Ages 8-13
   b. Senior Ages 14-18

5. Registration Forms: Team registration forms are available here. Coaches are encouraged to bring completed forms to the registration table the day of the respective contest in order to expedite registration.
6. **Minimum Construction Skills and Proficiency:** Competitors must be capable of designing and building a functioning Lego Mindstorm robot that includes the use of:
   - Motors
   - Light/color sensor
   - Touch sensor
   - Ultrasonic sensor
   - Levers, arms, claws, etc.
   - Incorporating non-Lego parts into robot design and/or function

7. **Minimum Programming Skills and Proficiency:** Competitors must be capable of programming a Lego Mindstorm robot in order for the robot to:
   - Move
   - Turn
   - Lift
   - Maneuver attachments effectively
   - Use sensors appropriately and effectively

8. **Equipment:** Each team must supply their own equipment for the challenge. Each team may only bring the supplies listed in the table below. Equipment will be checked by contest officials as teams check in for the contest. Any extra equipment or item that does not meet specifications will be returned to the team coach. No infrared beacons (remote) or sensors allowed.

</table>

*No two-prong extension or powers strip plugs allowed.

9. **Agriculture:** The challenge will include various components focused on agricultural industry knowledge. This will include but is not limited to the basics of livestock breeds and crop production. Students should be familiar with basic agricultural concepts.
10. **Scoring:** Point values for each separate challenge may vary in point values, depending on the level of difficulty. Penalties will also depend upon challenge design, but examples may include: knocking over pieces, restricted human interaction with robot, excessive retrievals, etc. Points will be awarded or deducted for each round of match play. Additionally, a teamwork score will be assessed by a panel of judges and added to the match scores to form the preliminary team score. The preliminary team score determines qualifiers for finals. After each match, the team captain will initial the score sheet, indicating agreement to the points awarded.

11. **Bluetooth and Internet Connectivity:** Bluetooth connections can be made and utilized during the Build Time. It is not allowed during the competition phase while the robot is on the playing field. No internet connectivity will be provided. Teams are advised to make sure their computer’s operating system, software, and robot firmware are up to date prior to the contest.

12. **Awards:** Placings awards will be determined by the committee and are based on sponsorships. Special awards may also be given based on sponsorships and committee decision.

13. **Participants with Disabilities:** Any competitor who requires auxiliary aids or special accommodations must contact the Livestock Office at least two weeks before the competition.

14. **Rules of Play:**
   a. Teams must pre-build and program a robot prior to the competition.
   b. Teams will report to the designated location for check in and submit their robot and additional pieces/equipment for inspection.
   c. Each team will be directed to a team pit (one 6’ or 8’ table and chairs).
   d. A charging station will be made available to power laptops and robot batteries. It is recommended that teams bring extra batteries already charged and labeled with your team name to avoid any delay due to power issues.
   e. An orientation will be provided for all participants where show management will review the challenge, rules and scoring.
   f. The design of the game and designated number of challenges will be released in advance of the contest. There will be 3 to 4 additional unknown challenges revealed contest day, during orientation.
   g. Each team will have 1.5 hours for additional designing, building, programing, and testing of their robot.
   h. Teams will practice and compete on the same game table.
   i. If time permits, teams are allowed to make alterations to their robot design and/or program between matches.
   j. Teams must report immediately to the playing field when called.
   k. The robot must perform challenges autonomously.
   l. Only registered contestants and contest officials will be allowed in the pit Robot Challenge areas.
   m. Teams that may experience any equipment malfunction(s) may not replace the equipment with supplies outside the contest area (from leaders, volunteers, county Extension agents or contest officials). Instead, team members must work together and be creative in completing preparation without the malfunctioning equipment or visit with other teams to borrow the needed part.
   n. Depending on the challenges, contest officials may provide non-Lego items that can be incorporated into the design of the robot.
   o. Coaches will be permitted to meet with their team for a 10-minute time period prior to Build Time. This time should be used to help team members develop a plan and foster positive youth development. Due to space limitations, there will not be a spectator area available until the finals.
   p. No cell phones or other types of communication devices are allowed in the pit or contest areas. Exceptions include the approved items listed in the Participant Rules. During Build Time and Robot Challenge, contestants are not allowed to communicate with spectators (including coaches and parents).
   q. A match will range between 1 and 3 minutes in length, depending upon the challenges designed for competition. The specific time limit will be announced during the orientation. Contest officials will make periodic announcements regarding time remaining in Build Time.
   r. Teams will have two preliminary matches in which to earn points. The sum score of the two matches plus the teamwork score will determine teams that qualify for the finals. The top 3 teams in each age division will advance to the final match. If there are fewer than 3 teams in an age division, no finals will take place. The total score from the preliminary matches (match + teamwork scores) will be used for preliminary placings.
s. Finals will consist of two additional matches. The two match scores from the final round will be added to the total preliminary score. Finalist teams will be ranked based on their total scores. Judges’ results are final.

t. Tie-breaker procedures will be announced during orientation.

u. Teams must clean up their pit areas prior to the awards ceremony.

15. **Scholarships**: Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

FOOD CHALLENGE

ENTRY DEADLINE: DECEMBER 1, 2019

Superintendent: Cory Hundl

CHALLENGE SCHEDULE

Registration Begins*: Thursday February 6  8 AM  AB
*Contestants must register 30 minutes prior to assigned cook time

Contest: Thursday  February 6  9 AM  AB/DC

This show is subject to the San Antonio Stock Show & Rodeo General Rules, Junior Rules and Special Rules listed in this section.

The Texas 4-H Food Challenge Guidelines can be accessed at http://texas4-h.tamu.edu/projects/food-nutrition/.

1. Entry: An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Contestants are limited to one individual entry, contestant entries are not allowed.

2. Eligibility: Contestants must meet all Junior Show Rule Requirements.

3. Divisions (Age as of August 31, 2019):
   a. Junior (Individual Competition) Ages 8-13
   b. Senior (Individual Competition) Ages 14-18

4. Assigned Cook Time: Contestants will be notified of their assigned cook time and must register at least 30 minutes prior to their assigned cook time.

5. Contest Format: Contestants will be randomly assigned to a contest category (see categories below). The first place contestant in each category will advance to the final challenge.

6. Rules of Play: The following is a summary of the contest procedure and rules:
   a. Preparation: Each contestant will create an entire dish/recipe (not a full meal) using the provided key ingredient and pantry items. Dishes/recipes created should include two or more servings. Contestant should present the entire dish/recipe to the judges and communicate during the presentation what an individual serving size should be. Contestants will be responsible for determining the number of servings his/her dish provides. Contestants should not create side or multiple dishes with their ingredients/pantry items.
   b. Nutrition: Each station will have a variety of nutrition resources/references. Each contestant should highlight key nutrients in his/her dish and their functions during their presentation.
   c. Cost analysis: Price(s) of the key ingredient and pantry items will be provided. Contestants will calculate the price of the dish based on the amount of ingredients used. Contestants should calculate the cost of the total recipe, as well as the price per serving. Contestants will determine the number of servings for his/her recipe.
   d. Presentation: After the preparation time, each contestant must present their dish and give an oral presentation to a judging panel.

7. Time: Each contestant will have 40 minutes for the preparation portion of the contest (prepare a dish, plan a presentation and clean up their assigned preparation area). Five (5) minutes are allowed for the oral presentation, followed by three (3) minutes for judges’ questions.
8. **Question/Answer Period:** At the conclusion of each contestant’s presentation, judges will have three (3) minutes to ask questions of the contestant related to the dish prepared and knowledge of nutrition, food safety and food preparation.

9. **Supplies:** Each contestant must supply their own equipment for the Food Challenge. Contestants may only bring the supplies listed in the official supply box list (see below). Supply boxes will be checked by contest officials. Contestants should plan to not have access to a kitchen facility and, therefore, should plan to clean supplies upon returning home from the contest.

10. **Dress Attire:** Each contestant will have the option of wearing coordinated clothing and/or aprons. Contestants must wear closed toe shoes and a hair restraint.

11. **Finished Dishes:** Finished dishes MAY NOT leave the preparation/judging areas. Dishes must be discarded after contestants complete the judging process to ensure contestants in following heats do not see what ingredients are available to gain an advantage.

12. **Categories:** There will be four food categories in each age division: Main Dish, Fruits and Vegetables, Bread and Cereal, and Nutritious Snacks. Contestants will be randomly assigned to a category, which will not be announced until the day of the contest.

13. **Key Ingredient:** Each contestant will receive an information sheet with their contest category and “key” ingredient for that category (no ingredient amounts, recipe, or instructions will be provided at the station). The “key” ingredient will be representative of one of the following categories: Main Dish, Fruits and Vegetables, Bread and Cereal, and Nutritious Snacks. Key ingredient examples: Main Dish (fish), Fruits and Vegetables (fennel), Bread and Cereal (barley), Nutritious Snacks (chickpeas). Contestants will have access to a “pantry” of additional ingredients which should be combined with the contestant’s “key” ingredient to create an original recipe/dish during the contest. Pantry items will include items commonly found in grocery stores and/or home pantries, including items such as produce, seasonings, oils, etc. Contestants must use at least two additional items from the pantry. Contestants will also receive a pricing sheet for pantry items at their station. Pantry items will be “purchased” using a pricing system and “contest currency.” This will enable contestants to analyze the cost of their entire dish and individual serving. The currency system will be explained prior to the contest. Contestants may not exceed the provided “contest currency” or trade “currency” or pantry items with other contestants. Example: Contestants may be provided $5.00 in “contest currency” to spend at the pantry; each item in the pantry will be priced and contestants must calculate cost according to total spent.

14. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.
Supply Box List

Each participant is required to bring the following supplies to compete in the Food Challenge contest. Only one of each item is allowed to be the participant’s supply box unless a different quantity is noted.

Final Challenge Install:                Wednesday        February 5        8:15 AM    Gembler

This show is subject to the San Antonio Stock Show & Rodeo General Rules, Junior Rules and Special Rules listed in this section.

SPECIAL RULES

1. **Entry Fee:** The entry fee for each team is $75.00. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed.

2. **Eligible Entries:** Contestants must meet all Junior Show Rule Requirements.

3. **Teams:** Entries must be made in the name of the FFA Chapter or County 4-H Club. **Teams are comprised of a minimum of four (4) or a maximum of six (6) students.** Students may only compete on one Landscape Challenge project in a given year. All teams will compete in one age division. There is no limit on the number of entries entered per club/chapter.

4. **Materials and Supplies:** For the Final Challenge, contestants should bring a clipboard and two #2 pencils. All other materials and supplies will be provided by the San Antonio Stock Show & Rodeo.

5. **Disqualification:** While a contest is in progress, there will be no use of electronic devices (cell phones, etc.), talking or unethical communication between teams and audience. Violating this rule may cause the contestant and the team to be disqualified and ineligible to receive awards. Only contestants and contest officials will be permitted in the judging area during the contest.

6. **Competition:**

   **Challenge Overview**

   a) **Objective:** This challenge is meant to promote landscape design knowledge and professionalism to youth by simulating a real-life interaction between customer and landscape professional. Additionally, the challenge will serve to educate the public on the value of landscaping by beautifying the grounds.

   b) **Contest Format:** This challenge will be broken into two parts:

   - **Project Plans:** Teams will submit one (1) completed Project Plan in accordance to the rules and requirements listed below. Project Plans must be emailed to livestock@sarodeo.com in PDF format by December 15, 2019. The title for the email should read “Landscape Challenge-Club/Chapter Name.” Plans not meeting all required documentation and/or submitted after the December 15, 2019 deadline will not be considered.

   - **Final Challenge:** The top 8 placing Project Plan submissions will advance to the Final Challenge held during the San Antonio Stock Show & Rodeo. Final Challenge qualifiers should be prepared to install their Project Plans. However, contestants may be exposed to certain alterations in the Customer Objectives or Design Materials during the Final Challenge. Instructions will be given during the Final Challenge Orientation.
Project Plans

a) **Project Plan Overview:** Team members will submit one (1) Project Plan based off of Customer Objectives. Plan must be completed in its entirety to be considered for the Final Challenge. The Project Plan should consider the landscape plot in full sun.

b) **Customer Objectives:**
   
   i. Your clients are a young growing family of four. They currently have a set of one year old twin children. The mother is an avid photographer and would like to have the capability to host clients at home. She specializes in family, engagement, high school seniors, and seasonal photography. They would like to have this space fully functioning for her business within the year.
   
   ii. The couple would like to have an innovative landscape scene that promotes interest year-around. With their time consumed by their young family, the plants will need to be low maintenance. They know that the raised bed will be conditioned to not only drain easily, but also provide a good growing media for the plants you install.

c) **Complete Job Site Description:** The 10’x10’ landscape plot, when viewed off of the back porch, is near the right-hand corner of the back yard and experiences little to no shade. The yard is enclosed by a 7’ privacy fence. There is no current landscaping in the area.

d) **Plot Description:** Project Plan should be based on a 10’ x 10’ (100 square ft.) landscape plot.

e) **Documentation:** Project Plan should include the following documentation:
   
   i. **Customer Objectives Report:** Detailed outline explaining how the proposed Project Plan meets the Customer Objectives. Include any relevant information that would help the customer understand why the Project Plan satisfies their goals. This is to be essay/paragraph format, at least 200 words.
   
   ii. **Sketch:** Legible landscape design drawing representing the intended layout of the plot which could easily be understood by the customer.
   
   iii. **Installation Report:** Step-by-step process on how the Project Plan will be installed from the beginning to end. Provide explanation for the order of the steps, when applicable. Give the customer an estimate of how long it will take to complete the install (Max = 90 min.).

f) **Design Materials:** See the list below outlining available design materials for the Project Plan. Contestants must take into consideration the Customer Objectives when deciding on which design materials to incorporate into their plot. Team members should outline their decision making process on which design materials to use within the Customer Objectives Report for the Project Plan.
**Project Plan**

Project Plan should be made for a sun-loving plant palette that incorporates the use of some or all of the following plants: (Plant information resource [https://bestoftexas.tnlaonline.org/](https://bestoftexas.tnlaonline.org/))

**Trees: (up to 2 - 15 gallon trees of each available)**
- Little Gem Magnolia *Magnolia grandiflora* 'Little Gem'
- Lavender Tree *Vitex agnus-castus*
- Redbud *Cercis canadensis*
- Southern Waxmyrtle *Myrica cerifera*

**Shrubs: (up to 5 - 3 gallon plants of each available)**

- Dwarf Nandina *Nandina* spp.
- Sweet Olive *Osmanthus fragrans*
- Red Yucca *Hesperaloe parviflora*
- Elfie R Stevens Holly *Ilex* x 'Nellie R Stevens' (only 2 -15 gallon shrubs available)

**Perennials (including ornamental grass): (up to 7 - 1 gallon plants of each available)**
- Mexican Feather Grass *Nassella tenuissima*
- Bamboo Muhly Grass *Muhlenbergia dumosa*
- Blue Lily of the Nile *Agapanthus africanaus*
- Mexican Bush Sage *Salvia leucantha*
- Jerusalem Sage *Phlomis fruticosa*
- Gulf Muhly Grass *Muhlenbergia capillaris*
- Foxtail Fern *Asparagus densiflorus* 'Myers'
- Artimisia *Artimisia* spp.
- Society Garlic *Tubagia violacea*
- Orange Coneflower *Rudbeckia fulgida*

**Ground Cover:**
- Dwarf Mondo Grass *Ophiopogon japonicus* (up to 72 – 4” plants available)
- Frogfruit *Phyla nodiflora* (up to 9 – 1 gallon plants available)
- Greenmound Juniper *Juniperus procumbens* 'Nana' (up to 9 – 1 gallon plants available)

**Final Challenge**

a) **Final Challenge:**
- Only team members who are present at the Final Challenge will be eligible for awards.
- Landscape install plots will be randomly assigned to each team during Final Challenge Orientation.
- Final Challenge contestants should be prepared to install a design consistent with the Project Plan they submitted. However, contestants may be exposed to certain alterations in the Customer Objectives or Design Materials. Team members should be able to explain their original Project Plan to the judges along with any adjustments that were made as a result of the alterations. Complete instructions will be given during the Final Challenge Orientation.
- Team members will have a maximum of 90 minutes for install.
- Team members must be able to verbally explain their design concepts to the judges at any time during or after the competition.

b) **Judging Criteria for the Final Challenge:**
- Following original Project Plan
- Integrity of plants kept intact
- Teamwork
- Design uniqueness
- Sustainability of design
- Judge’s questions

CONTEST SCHEDULE

Coaches Meeting: Friday February 21 5:30 PM Committeeman’s Room
Orientation: Saturday February 22 6 AM CB
Contest: Saturday February 22 7 AM CB

This show is subject to the San Antonio Stock Show & Rodeo General Rules and to the Special Rules of this section.

1. **College Eligibility**: Junior colleges in the U.S. with Agriculture departments are eligible to enter the Junior contest. Senior colleges in the U.S., which offer a degree in Animal Science, are eligible to enter the Senior contest. The entry application must be signed officially by the team coach, certifying that all team members are eligible for entry in this contest. **Each college will be permitted to enter only one team.**

2. **Entry**: An entry fee of $150 will be charged for each team entering this contest made payable to S.A.L.E. Junior and Senior colleges will be allowed to enter additional individual contestants for a fee of $30 per individual. Complete one Judging Contest Entry Form listing the number of teams and individuals from the College or University. Official San Antonio Stock Show & Rodeo forms must be completed.

3. **Coaches Meeting**: Coaches will designate their team members at the Coaches Meeting. Coaches who do not attend the Coaches Meeting must notify the Livestock Department by 5:30 p.m. Friday, February 21, 2020 of their intentions to either enter or withdraw from the contest. Failure to do so may result in disqualification.

4. **Junior College Contestant Eligibility / Team Makeup**: Each Junior team will consist of six members. The five highest scores will count for the team total. Each team member is eligible for individual awards. Contestants must be regularly enrolled in a Junior College (2-year program) and may not have credit for more than 66 semester hours or the equivalent. Contestants must have attended full time the previous semester at the school for which they are competing, or not attended any Junior College the previous semester, in order to be eligible to compete. Students must be eligible according to the rules set forth by the Junior College Coaches Association.

5. **Senior College Contestant Eligibility / Team Makeup**: Each Senior team will consist of six members. The five highest scores will count for the team total. Each team member is eligible for individual awards. Senior college individual participants not designated as members of a team will be eligible for individual overall awards. Contestants must be regularly enrolled in a Senior College, which offers a degree in agriculture. Students who have participated as contestants in Senior Intercollegiate Livestock Judging Contests of interstate or international character previous to January 1, 2020, are not eligible to enter this contest. Contestants must have been regularly enrolled in their respective colleges the previous semester and must not have served any time as an animal science instructor at any secondary school or college. Students must be eligible according the rules set forth by the Senior College Coaches Association.

6. **Future Contests**: Contestants entering this contest will not be eligible to enter future Junior Intercollegiate Livestock Judging Contests held at the San Antonio Stock Show & Rodeo, but may be eligible to enter the Senior Intercollegiate Livestock Judging Contest if they transfer to a Senior College.

7. **Barn Entry**: No contestant or coach will be permitted to enter the Show barns 24 hours prior to the contest.

8. **Arena Seating**: Coaches and alternates will not be permitted in the seats of the arena while the contest is in progress. Coaches and alternates may be permitted to see the classes after the judging is completed.
9. **Classes:** Each class will consist of four animals. Animals within a class will be designated by numbers 1, 2, 3 and 4. The following classes will be judged: three classes of sheep; three classes of swine; four classes of cattle; and two classes of goats. When available, performance records may be used in the evaluation of breeding classes.

10. **Time Limits:** On each class of livestock, 12 minutes will be allowed for the contestants to make their observations, record their placings, and take such notes as will assist them in remembering the class when they appear before the judge to present their oral reasons. Contestants will be notified two minutes before the time is up. When final time is called, the contestants will immediately hand their score cards to the group leader.

11. **Class Change:** Each group of contestants will change to another class as directed by the Superintendent and/or group leader.

12. **Oral Reasons:** After placing all classes in the contest, the contestants will each appear before judges to give oral reasons substantiating their placings of the classes. Each contestant will be allowed two minutes to give his/her reasons on each class.

13. **Dress Code:** No contestant or team members will wear any clothing (uniform, pins, belt buckle, etc.) to blatantly signify to the judge his/her identity or the identity of the college represented.

14. **Disqualification:** While the contest and oral reasons are in progress, no use of electronic devices (cell phones, etc.), talking or unethical communication between contestants or with coaches is allowed. Violation of this rule may result in individual and/or team disqualification.

15. **Rule Violations:** Any coach or contestant who violates any of the rules of this contest may be barred from competing in future contests and their team will be disqualified for any awards.

16. **Ties:** Ties will be broken using species reasons scores, overall reasons scores and overall score when breaking ties within species. Ties within reasons will be broken by placing score, with the winner of the tie being awarded to the contestant with the worse placing score. Ties within overall score will be broken by overall reasons. Scores tied after application of these tie breakers will be broken by a method determined by contest officials. No duplicate awards will be given.

17. **Scoring:** Scan sheets used for scoring are provided by San Antonio Stock Show & Rodeo. Standard rules that apply to optical scanning should be followed (blacken only one bubble per class, completely blacken the bubble, avoid stray marks, do not fold or bend). Each contestant must bring a #2 pencil and may bring a clipboard for use during the contest. Forms that are bent or abused will not be scored. Team number and contestant number are assigned at registration.

18. **Steer Judging Workout:** Insofar as possible a select group of steer classes (2 – 4 classes) will be made available to teams for practice following the completion of the Junior Market Steer Show on Thursday, February 20th in the Cattle Barn Arena. Teams are invited to the grounds to observe the show, but will not be allowed to “pull” classes from the stalls or holding areas that are not intended for the designated steer workout. It is the responsibility of those “pulling” classes to return the cattle to the proper location.
JUNIOR JUDGING CONTESTS

ENTRY DEADLINE: DECEMBER 1, 2019

These contests are subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

Contest: Sunday February 16 8:00 AM CB

1. **Divisions:** All contestants will compete in one division.

2. **Classes:** The classes of birds, eggs, market poultry, and poultry examination will be similar to those used in the Texas FFA Poultry Career Development Events (judging contest). The manual used in FFA is titled *POULTRY SCIENCE MANUAL FOR NATIONAL FFA CAREER DEVELOPMENT EVENTS*, 6th Ed. It may be purchased from Instructional Materials Service (IMS); Texas A&M University; Box 2588-TAMUS; College Station, Texas 77843-2588; (979) 845-6601. This book is used in the Texas FFA Poultry Judging Contest. Slide sets showing essentials for grading eggs, grading carcasses and selecting and placing birds are available from IMS.

   The contest classes are as follows (from the *Poultry Science Manual* noted above):
   - Four 6 to 8 week old meat-type market broilers for meat production (50 points, no reasons)
   - Four past production egg-type hens for placing (50 points, no reasons)
   - Ten ready-to-cook broiler carcasses graded according to USDA grading standards (50 points, no reasons)
   - Four turkey carcasses for placing (50 points, no reasons)
   - Ten Chicken eggs for interior quality grading (50 points, no reasons)
   - Fifteen shell eggs for exterior quality grading (50 points, no reasons)
   - Evaluation criteria for Class 8 (75 points, no reasons)
   - Boneless further-processed poultry meat products (50 points, no reasons)
   - Bone-in further processed poultry meat products (50 points, no reasons)
   - Written Examination (100 points)

   Each participant will have 12 minutes to complete each class. There will be a two-minute warning alerting the participant of the approaching end of the 12-minute period. The participants will have one minute to move from class to class.

3. **Materials:** Scantrons will be provided by the San Antonio Stock Show & Rodeo. The official scantron will be #478-5. Students should know how to use scantrons and forms properly before coming to the contest. Each contestant is required to bring two #2 pencils and one clipboard.

4. **Scores:** All grading of carcasses and eggs, and placing of classes will be done by an official grader and judge. Using the official placings, basis of grading (cuts) will be based on the Hormel Computing Slide. Ties will be broken according to FFA rules for breaking ties (See Texas FFA Career Events Handbook #0419-S; Instructional Material Services; College Station, TX 77843-6601.)

5. **Handling:** All live animals, eggs and carcasses must be handled with the utmost care and respect, or the participant will be removed from the contest and disqualified. Rough handling of materials will result in disqualification from the contest.

6. **Social Security Number Requirement:** All contestants must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be presented at registration on the day of the contest.

7. **Registration Forms:** Team registration forms are available [here](link). Coaches are encouraged to bring completed forms to the registration table the day of the respective contest in order to expedite registration.

8. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2020 Livestock Premium List.

CALF SCRAMBLE

This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.

1. Contestants must have reached their 12th, but not their 18th birthday on January 1, 2020 and not be enrolled beyond their Junior year in high school. FFA and 4-H members must reside in the State of Texas and be active members of an FFA Chapter or 4-H Club.

2. All contestants must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded on any and all entry forms.

3. No contestant will be permitted to enter more than one scramble performance per year. Contestants may apply through 4-H or FFA, but not both.

4. Contestants may be awarded a maximum of one (1) San Antonio Stock Show & Rodeo Calf Scramble Purchase Certificate during his or her FFA or 4-H career.

5. There will be 18 performances during the 2020 San Antonio Stock Show & Rodeo. Twenty-four contestants and 12 calves will be selected for each performance. Contestants and calves will be placed in the arena as determined by S.A.L.E. officials.

6. There will be one Finals Performance on Thursday, February 20, 2020. Twenty contestants and 10 calves will be selected, and placed in the arena as determined by S.A.L.E. officials.

7. The San Antonio Stock Show & Rodeo will not be responsible for any accidents which may occur to any contestant before, during, or after the Calf Scramble.

8. Calf Scramble applicants should be aware of the time and financial commitment involved in raising a livestock project.

CONTESTANT SELECTION

1. Contestants must be approved by their AST or CEA.

2. The Online Calf Scramble Application, Release and Indemnification Agreement, and Medical Questionnaire will only be accepted from Agricultural Science Teachers (FFA) or County Extension Agents (4-H) postmarked by November 1, 2019. Contestants will be notified of their acceptance through their AST or CEA. All appropriate credentials to enter the S.A.L.E. grounds, rodeo ticket purchase information, maps and any other correspondence will be sent directly to the AST/CEA.

3. Selection:
   a. Entries will be submitted online at http://www.sarodeo.com/livestock/sign-up-info-rules by the AST/CEA. There is no limit on the number of applicants entered per club/chapter.
   b. The AST/CEA can declare up to six (6) First Draw applicants. First Draw applicants will be given preference over other applicants when determining scrambler positions.
   c. All applicants will rank the performances in the order in which they are available to participate.
   d. Scrambler positions will be assigned based on the availability of First Draw applicants. Any additional openings for scrambler or alternate positions will then be filled by other applicants based on their availability for that performance.
4. **Substitutions:** If a contestant is unable to scramble for any reason, an alternate will be assigned by the Calf Scramble Office.

5. **Medical:** Contestants requiring medical attention 30 days prior to scramble date MUST provide a doctor’s release at check-in. Contestants will not be allowed to scramble if these requirements are not met.

6. Incomplete forms will **NOT** be returned. If incomplete forms are sent to the Calf Scramble Office, the contestant will be replaced by an alternate.

7. The Interscholastic League State Executive Committee, in cooperation with the State Board of Vocational Education, has formulated a plan to permit Calf Scrambles and still protect the contestant’s amateur standing. This is accomplished by placing the matter under the supervision of the Agricultural Science Department of the participating school and the AST. Contestants are prohibited from receiving anything of cash value for winning the athletic portion of the program.

8. **Calf Scramble Application:** Participant’s application must be submitted online. The application, Medical Questionnaire, Release and Indemnification must be postmarked on or before November 1st, 2019.

9. **Entry Forms:** Application for entry must be made online. Medical Questionnaire, Release and Indemnification are available at www.sarodeo.com. (Photocopying forms is acceptable, however all signatures must be original). Calf Scramble entries must also be submitted through the online entry process. Incomplete or faxed applications will not be accepted.

10. **Mailing Instructions:** Please mail all completed forms listed below to the Livestock Department. Include ALL original signatures and social security numbers.

ARENA RULES

1. Contestants will carry a halter with an attached lead rope supplied by SALE into the arena. Neither the halter nor the rope may be used as a lariat – contestants may not use the halter or lead rope to catch the calf. The animal must be caught by hand. Then, the halter must be placed on the animal as instructed in the Calf Scramble Orientation.

2. Contestants must wear appropriate clothing (jeans, SALE supplied t-shirt). No oversized/baggy jeans, overalls, dresses, skirts, flip flops, halter tops, etc., will be allowed. Appropriate athletic shoes are highly recommended for footwear. Shoes with steel cleats are not allowed. While boots are allowed, they are discouraged because they are difficult to run in. Each contestant will be issued a numbered T-Shirt to wear in the arena.

3. Contestants may not work as a “team” – they may not provide assistance to other contestants, and they may not receive assistance from contestants or judges. Each contestant catching a calf is required to lead the calf across the finish line without assistance. After placing the halter on the calf, the contestants will not be permitted to fasten the lead rope to them in any manner.

4. If a contestant has hold of a calf by any means, to include by the tail, ear, hoof, etc., that contestant will be given an appropriate amount of time to halter the animal. Other contestants are instructed to find another calf. If said calf breaks away, it is available to be caught again (unless it has been properly scored). If two or more contestants catch a calf at the same time, the contestant closest to the head will be given an appropriate amount of time to halter the animal.

5. If a calf is caught by the tail, the contestant will be allowed an appropriate amount of time to place the halter on the calf. If the contestant fails to halter the calf in an appropriate amount of time, he/she must release the calf. The judges will make the determination and provide instruction to the contestant.

6. Poor sportsmanship will automatically disqualify the contestant. Undue roughness will not be tolerated, whether towards other participants or to the calves. Contestants may not slap, punch, kick or otherwise strike or treat the calves in any manner that would be construed as abusive. If a haltered calf lays down, contestants may not drag or strike the calf as previously described. In this case, direction will be given to the contestant in the arena as to how to proceed.

7. Scoring: Two official scorers will be positioned at the front edge of the scoring box, approximately 12 feet apart, and will face the bucking chutes. The scoring line will be the imaginary line established between the two scorers. A contestant and calf will be scored and recorded by the scorers when:
   a. the calf is properly haltered as instructed during the orientation;
   b. the head of the calf crosses the plane of the imaginary line between the two scorers; and
   c. both scorers agree the head of the calf has crossed the line.
Contestants must enter the scoring box through the front, between the two scorers. If they enter the scoring box from the rear, side or behind the scorers, they will not be scored.

8. There will be no fewer than 8 judges appointed per performance.
Calf Scramble Finals

1. Contestants for the finals will be the first place contestants from the prior 18 performance nights.

2. Alternates for the finals will be the second place contestants from the prior 18 performance nights.

3. There will be 20 contestants for the Finals Performance. The first place contestants from the prior 18 performance nights will be the first 18 contestants. The final two spots will be randomly selected at roll call on Finals night from alternates. Any open spots from cancellations of first place contestants will be filled by randomly selected alternates.

4. Contestants that compete in the finals performance will receive an additional tiered premium, based on the position you finish in the finals.

   Premiums for finals will be as listed:

5. Contestants winning the premiums must complete all aspects of the Calf Scramble program prior to receiving the premiums. Contestants who fail to fulfill all or part of the obligations as listed in Winner Purchase Certificate Rules will result in the revocation of all rights to the Purchase Certificate and premiums as well as possible repayment of all or part of the value of the Purchase Certificate to S.A.L.E.

6. Contestants that complete the Calf Scramble program will receive their premiums by March 31, 2021.
2020 WINNER PURCHASE CERTIFICATE RULES

1. The 2020 S.A.L.E. Purchase Certificate total value is $1,200.00. This Purchase Certificate may be used to purchase animals in only one of the following Junior Breeding Departments: Junior Breeding Heifers, Junior Dairy, Junior Breeding Sheep & Goats, or Junior Purebred Gilt. Exhibitors may not purchase a Crossbred Gilt, Wether Dam or Wether Doe with the certificate.

2. Animals purchased must be approved by the Contestant’s AST or CEA. Exhibitors are required to enter and show all animals purchased with this certificate at the 2021 San Antonio Stock & Rodeo in the respective Junior Breeding Show as the Exhibitor’s 4-H or FFA project(s).

3. Purchase, delivery, possession, and registration transfer into Contestant's name (Dual ownerships or partnerships are not allowed in the Junior show) must all take place before the required date as listed below:
   - Breeding Sheep and Boer Breeding Goats: October 1, 2020
   - Breeding Beef, Dairy, and Angora Goats: November 1, 2020
   - Breeding Gilt: December 1, 2020

4. Contestants may NOT purchase animals from themselves, immediate family members, family ranches or partnerships or their AST or CEA. This is to include animals which were previously owned or bred by Contestant, immediate family members, family ranches or partnership or their AST or CEA.

5. If animal(s) is/are purchased for less than the S.A.L.E. Purchase Certificate amount, a check will be issued to the seller for the actual cost of the animal(s). Under any circumstance, checks will NOT be issued to the Contestant, 4-H Club, FFA Chapter, AST or CEA or Contestant’s parents.

6. Contestants may combine the S.A.L.E. Purchase Certificate with Calf Scramble Purchase Certificates from other major shows. If combining certificates, those shows (ex. Fort Worth, Houston) should be designated on the S.A.L.E. Purchase Certificate. The original registration papers must be sent to the show that is earliest in the calendar year. The earliest show will make copies of the original registration papers and then forward the original registration papers to the later shows. The original registration papers will be held by the last show until the contestant’s Calf Scramble requirements are met.

7. Contestants are required to:
   a. Submit a copy of the Thank You letter sent to the donor to the S.A.L.E. Calf Scramble Office postmarked on or before April 15, 2020.
      i. Purchase Certificate will not be mailed until a copy of the Thank You letter is received in the Calf Scramble Office.
      ii. Purchase Certificate will be mailed out by April 15, 2020, if the thank you letter has been received.
   b. Submit the Original S.A.L.E. Purchase Certificate and Original Registration Papers to the Calf Scramble Office at your earliest convenience, but no later than December 15, 2020. Once the completed Purchase Certificate has been submitted, a stamped copy of the registration paper(s) and a letter of confirmation will be mailed to the contestant. If this information is not received within three weeks of submission, please contact the Calf Scramble Office. The stamped copy of the registration paper should be accepted at prospect and/or major shows throughout the year.
   c. Submit appropriate show entry materials through the AST or CEA by December 1, 2020.
   d. The Official Calf Scramble Reports, found at www.sarodeo.com, must be received in the Calf Scramble Office by the 20th of each respective month (June, August, October, November, January) and is required by each recipient.
e. Reports will be bound together with additional information and submitted as a Final Report Book no later than January 20, 2021, to the Livestock Office for competition (must be in office, NOT POSTMARKED).

f. All animals purchased with a S.A.L.E. Purchase Certificate must be entered and shown at the 2021 San Antonio Stock Show & Rodeo as the contestant's 4-H or FFA project(s) in the respective Junior Breeding Show. If any previous Calf Scramble requirements have not been met, then the animal may become ineligible to show at the 2021 San Antonio Stock Show & Rodeo.

g. If all Calf Scramble program requirements have been fulfilled, the original registration papers will be mailed to the contestant by April 15, 2021.

h. Please refer to the website, www.sarodeo.com, for important news and updates throughout the year.
